We are the Rotary Club of Northbridge. Founded in 1983 we are a club of more than 50 members drawn from a wide range of backgrounds and vocations, across Sydney's North Shore.

Rotary International is a global network of over 1.2 million neighbours, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

Our goal is to serve our community locally, regionally, and internationally to combat hunger, improve health and sanitation, provide education and job training, promote peace, and eradicate polio under the motto **Service above Self**.
