SPONSOR

We are the Rotary Club of Northbridge. Founded in 1983 we are a club of around 50 members drawn from a wide range of backgrounds and vocations, across Sydney's North Shore.

Rotary International is a global network of over 1.2 million neighbours, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

Our goal is to serve our community locally, regionally, and internationally to combat hunger, improve health and sanitation, provide education and job training, promote peace, and eradicate polio under the motto **Service above Self**.

PARTNERING WITH US

Your brand will receive exposure through marketing initiatives that include a strategic blend of social media, display posters, community events, media releases, digital event signage, Club website acknowledgement. All are designed to gain maximum exposure to the community leverage through the numerous Northbridge Rotary Club community events throughout the year.

Partnering with Rotary associates your brand with one of the most trusted and largest global service organizations.

Charities and Causes

Streetwork

Rotary Northbridge is a proud supporter of Streetwork, and of the work they do for youth in our community. Since 1996, the Club has raised and donated over \$150,000 to this valuable community group, always on condition that these funds are used for an identifiable project or asset and are not general working funds.

Shelterbox

Rotary Northbridge is a proud supporter of Shelterbox. Through the Club's own charities account and through the Rotary Northbridge Benevolent Fund (which enables tax deductible donations), around \$67,000 has been donated to Shelterbox since 2008.

Taldumande

Rotary Northbridge has been a proud supporter of Taldumande for many years. While our contributions can be non-monetary, and involve such tasks as gardening, painting or sourcing supplies and equipment to furnish accommodation, in aggregate we have donated \$28,000 to Taldumande since 2013.

Hope in a Suitcase

Introduced to Hope in a Suitcase by Fran Signorelli from the High Street Floral Market, Rotary Northbridge has purchased 36 suitcases for \$1,260 in 2022, and 56 suitcases for \$1,960 in 2023, and a further \$3,160 in 2024. Suitcases are filled with age appropriate goods for young children starting their fostering journey.

Projects and Service

Aboriginal Literacy (Books in Homes)

In line with Australia's Closing the Gap targets, the Rotary Club of Northbridge supports fundamental indigenous literacy in Aboriginal-led projects. 'Books in Homes' provides appropriate books to students in Years 2 & 3 for them to take home and keep. The books are chosen by educational experts in the organisation and at the school. So far we have supplied books to the Public School in Wellington NSW.

In parallel, we support the 'Literacy for Life' program to overcome illiteracy among indigenous adults.

Kinchela Boys Aboriginal Corporation

Kinchela Boys Home Aboriginal Corporation (KBHAC) is a not-for-profit Aboriginal community-controlled organisation established by survivors of Kinchela Boys Home (KBH) to help restore and reconstruct the identity, dignity and integrity of survivors, and to address the intergenerational trauma that adversely impacts on the lives of their families and descendants.

KBHAC programs include Connecting Kin, Connecting Abilities, Support Services for Redress, and Education. Rotary Northbridge is supporting the Education Program by providing educational materials for the Education Centre established in KBHAC at Waterloo.

To date we have donated \$5,000 comprising charities account funds and a Rotary grant.

Community Support and Engagement

Tree of Joy

With the support of our major sponsor Northbridge Plaza, for 34 years, Rotary Northbridge's Tree of Joy has seen our community donating over 500 presents each year to underprivileged youth. In 2024 beneficiaries will be The Starlight Foundation and The Narang Maru Aboriginal Community.

Food & Phone Drive

Introduced during the depths of COVID, when many of our community's disadvantaged were struggling, Rotary Northbridge's Food & Phone Drive is an annual event inviting our community to donate non-perishable goods, which are then distributed to those in need and mobile phones which can be reused to support domestic violence victims.

Dementia Café

Together with the Rotary Clubs of Crows Nest, North Sydney and North Sydney Sunrise, Rotary Northbridge is pleased to support the Crows Nest D-Caf. Open 10-12am every fourth Wednesday, the D Cafe gives carers, family and friends of dementia sufferers the opportunity to socialise and learn, with a gentle exercise program followed by a friendly cuppa.

Youth Leadership

RYPEN, or the Rotary Youth Program of Enrichment is an intensive residential weekend for young people aged approximately 14 to 16 years to develop increased motivation, improved life skills, better self-image, pride in themselves and an understanding of setting and achieving goals.
