GOLF DAY PLANNING

Lead by Phil Stanton

Chairman: President Jim Fraser

Reporter: Kaye Carter

MEETING REPORT - WEDNESDAY 4th SEPTEMBER

This was our first social night this Rotary Year. It was organised by Ahmadul Ameen initially before he went overseas last month. On his return this week he made the final booking at the restaurant he had recommended, 'PAPARICH' at Castle Towers.

There was a total of 18 members and partners there to enjoy an array of Malaysian food which Ahmadul and his wife were no doubt very familiar with. The restaurant had a rather different ordering method which lent itself rather well to each couple or individual being able to pay separately. There was plenty of choice on the menu and it seemed that our group had a variety of dishes with everyone apparently enjoying the food and the service from the very pleasant staff.

However, the main feature of the evening was the opportunity for fellowship. Unfortunately, due to the numbers in our group, we could not all sit at one table. There was a certain amount of moving between tables which allowed more exchanges.

So, all in all, it was a very good evening and one which we will continue with in coming months. If you were unable to join us on this occasion, make sure you don't miss the next one. Thank you Ahmadul for your organising and choice of restaurant.

The following is our first report from Theo in Dili, Timor Leste this visit - received Sunday 8th September.

Hi David & Terry and all,

Thanks we got the money! YIPPEE!

Everything going well and RYLA starts tomorrow. 3000 applications taken, 1500 completed applications received. Shortlist down to 500, interviews by facilitator team to get to 84. So we have the cream of the crop!

We have a really good committed team of both facilitators and our lot.

Looking forward to the next couple of weeks.

Please do something about Mr Smartypants John Ellis cleaning up at the QUIZ!!!

Cheers

Theo G

A photo is also on Facebook from Dili with Theo and Angelo Raveanne enjoying entertaining Eddy and Amina's young son soon after their arrival. This is at the start of the very important 10th anniversary RYLA in Dili with a big celebration planned for next weekend.

PROJECT: COLLECTING PLASTIC BOTTLE CAPS

At a previous meeting, this project was discussed and Kaye Carter volunteered to be the co-ordinator and collector for the club of the bottle caps. So we are off and running - or off and collecting all the plastic bottle caps we can find. (No, this doesn't include rummaging through your neighbour's bins on garbage night, unless you want to!).

Just make sure the caps are clean and bring them along to Rotary as and when you have a reasonable quantity for Kaye to handle.
