Rotary Club of Delhi Ridge
District 3011

**This week's meeting -
OUR PRIDE OF WORKMANSHIP
PROJECT UPDATE -
HOW IT IS OPERATING &
WHAT IS INVOLVED
SPEAKER: DAVID FIRTH
REPORTER: JOHN ELLIS**

We're at an urgent point in our work to achieve a polio-free world and to adapt the lessons learned to improve health systems worldwide. Learn about the state of polio eradication and its broader relevance to global health with [Dr. Tedros Adhanom Ghebreyesus](#), World

Health Organization director-general, [Jennifer Jones](#), president, Rotary International 2022-23, and other key global health leaders on 21-22 October.

We invite you to attend this important livestreamed event, [World Polio Day 2022 and Beyond: A healthier future for mothers and children](#). The conference will also feature:

- Regional breakout sessions highlighting Rotary maternal and child health projects
- Discussions on community-based solutions to improve global health
- A UNICEF session on the power of vaccines

Highlights on Rotary's Programs of Scale for malaria and maternal-child health

At a time when some 830 women die from pregnancy or childbirth-related causes each day and 7,000 newborn babies die daily, we must focus on the "Beyond." Building on the investments already made in polio eradication will bring much value to a wide range of health initiatives, particularly immunizations and the health of mothers and children. We hope you'll take advantage of this free livestreamed conference focused on creating healthier futures for mothers and children. Registration for the event is not required. Visit the [World Polio Day 2022 and Beyond website](#) to learn more about the event programming and **save the dates to your calendar**, so you don't miss this important event.

MEETING REPORT - OCTOBER 12

Last Wednesday we met at the Community Health Centre and had a discussion about the fast approaching Christmas Trailer Raffle. The basic organization was well in hand. Having a trailer gifted back to us from last year was a great start. Phil and Pat Parker had been to our sponsor, Bunnings Dural, and had picked up a range of items including a gas BBQ, leaf blower, large esky, and assorted garden items. We also have a \$500 voucher for the winner to spend at ByDezign Auburn. The tickets and signage have been ordered and I am purchasing toys and homewares to fill out the contents. There are several items donated by Pam to be included. Terry has volunteered again to collect everything and set up the trailer for our first Saturday on October 22nd at Pennant Hills. The roster of sellers each day remains to be completed, but a good start was made at the meeting. So its full speed ahead for the raffle on Saturday starting at 9am.

Reporter: David Firth

Our member, Anoop Sud, has been visiting his homeland and visiting with our sister club, the Rotary Club of Delhi Ridge. Anoop has identified projects that Delhi Ridge are involved in which we may be interested in. When you look at their website and that of Rotary District 3011, you get an idea of how much work they are doing in so many different areas

INSTALLATION CEREMONY OF THE INTERACT CLUB 'SAMARPAN'

President RCD-Ridge Rtn Wg Cdr AK Marya attended the Installation of Interact club' Samarpan' of the Green Field School. The club is sponsored by Rotary Club of Delhi Ridge. The Guests of the function were Rtn Anil Kakar RID 3011 Dist Secy Club Project, Rtn Arun Roongta Astt Gov Zone 12, and Rtn Rakesh Kumar Dist. Rotary Club Interact Advisor. The Ridge Dir. New Generation Rtn OS Sareen was also present.

The function was conducted by the Interact club team in an orderly manner supervised by teacher in-charge Ms Neeti Singh under the blessing of the Principal. After the lighting of the lamp & welcome of the guests. The out-going team were given certificates of participation by the RCD-Ridge. After that the oath was taken by incoming President Ms Manzil Sharma & her team for 2022-23. Then the new team members were put Interact pins of rotary by the guests of the function. The team was blessed by President Marya in his address & also by the chief guest.

This was the Official Invitation to the Installation of the Interact Club

The interact students requested to arrange exchange programs with other rotary clubs which will give opportunity to meet with international students. It was informed that the club also propose to the Sister club in Australia for the program.

(See photos on the next page.)

PHOTOS FROM THE INTERACT INSTALLATION

Vocational Training course on Beauty Culture

This ongoing project has started another batch of the students and the course is in progress. Two rotarians are involved and there are 30 students who will benefit by doing the course.

The participants learning new skills and an example of their handiwork.

A message from PDG Lindsay May -

Have Lunch with RI President Elect Gordon McInally in Sydney on 31 October

Our District's support of The Rotary Foundation over many years (plus our proximity to a major airport) provides a special opportunity to meet our Rotary leaders in person. With the lockdowns of the pandemic behind us, we are delighted to welcome Rotary International President Elect Gordon McInally and his wife Heather for a brief visit on Monday, 31 October, to thank each of us for our support of The Rotary Foundation.

Together with District 9675, we are holding a luncheon at NSW Parliament House to welcome them to Sydney. We invite all Rotarians (and partners) to join us. The luncheon includes a two-course meal with wine and WILL NOT have a raffle or auction to raise funds. The cost is \$110 per person. Please register as soon as possible if you would like to attend. Seats are very limited due to the size of the Strangers Dining Room at Parliament House, so please accept our apologies if the event is sold out when you try to register.

Catering needs to be confirmed by Monday 24 October.

[Contact David Firth for registration details.](#)
