Rotary Meeting – Monday 24th September, 2018

Now, I don't know about you all, but I like things to be predictable. Not boring, just regular like. So, I set up shop at Penno Pub, glass of red in hand and a new novel on the iPad.

I'm reckoning none of the old codgers would show, as they'd all be off whoopin' it up at all the other bigger, glitzier, fancy pants clubs in the area. So I planned on washing the tonsils with the plonk, then heading off home for a bite.

Well, seems that John, Terry & the HuckleBuck all shared my opinion. Turned out to be quite a convivial night. Much story telling (some of them quite possibly true) and we called it a day at 8:30.

Shame more of you weren't there – instead of having a wag and watching The Block on the telly.

Doin' It For The Farmers

This was our garage a couple of weeks ago.....

Which made getting the cars in & out a little trick. Still, nothing to complain about compared to the farmers out there.

With a little reorganising & repacking, back seats folded flat and all the usual detritus removed, it all went into the trusty Tiguan just so –

We took it up to St. Albans, where we transferred it to Rachel, and filled up most of her lounge room! She has now delivered it all up to Tamworth for us. Time to get another load going – so remember just an extra article or two with your normal shop, and we'll consolidate it all for delivery.

It's a great project, and thanks to everyone that has contributed to date.

Adrian & Wendy

With **1 in 5** people experiencing a mental illness every year, it's very possible that you know someone who has had a tough time with their mental health.

It's now **Mental Health Month** and **World Mental Health Day** is **OCTOBER 10th**.
That's when Australian Rotary Health will be celebrating Hat Day to
#LiftTheLid on Mental Illness.

2018 CHRISTMAS TRAILER RAFFLE

IT STARTS THIS COMING SATURDAY AT PENNANT HILLS MARKET PLACE!

We need everyone involved in selling tickets on Saturdays from now until Saturday 15th December. That's 10 days with 3 sellers on 2 shifts = 4 shifts for each member. So come along to the meeting with the 4 days you can sell tickets. If you know of anyone who would like to help, we can fit them in to the roster. If you can assist by towing the trailer to or from the centres on Saturdays, let Pat Parker or David Firth know.

This is a major fundraiser for our club. We are supporting both Hornsby Hospital and St Lucy's School, Wahroonga. These are both very well known in the area and the community is very supportive of both.
