Bulletin Volume; 28

Issue No 17

13 March 2018

MEETING on 13 MARCH 2018 (6.30 pm)

Our Club sponsored **Sarah Armstrong** from Loreto College and **Ziyou Ding** from Roseville College to the National Youth Science Forum, in January this year. **Tonight Sarah and Ziyou will speak to us about their experience.**

The NYSF started in 1984 and Rotary was there from the beginning. Its now in its 35th year, and over 11,500 students have experienced the program.

The NYSF Year 12 Program is a 12-day residential program designed to give students a broader understanding of the diverse study and career options available in science, technology, engineering and mathematics (**STEM**) and to encourage them to continue their studies in these fields.

At the NYSF Year 12 Program run in January each year, participants will:

- visit science and technology related laboratories and facilities,
- go on site tours,
- listen to lectures,
- take part in workshops,
- go to social events, and
- participate in group activities that improve communication and presentation skills.

Participants also take part in sessions on entrepreneurship, critical thinking, how to work together effectively, and more. The focus is not solely on academic achievements, but on developing well-rounded individuals who have the skills and confidence to determine their futures.

The NYSF is run by youth for youth, with a certain number of participants being selected each year to come back and participate in our Student Staff Leadership Program (SSLP) to help run the program the year after they first attended.

PRESIDENT'S REPORT

Our last meeting held at the Concourse Chatswood was a very interesting meeting and the tour was a great success with good attendance. The Concourse is a most fantastic venue and now provides the community with its own entertainment place and in my mind equal to the Opera House and any theatre in Sydney. The shows particularly the Willoughby Symphony Orchestra are a great source of entertainment and well worth enjoying.

Our Theatre night to see 'Senior's Moments' was a great club outing and a fun show. I will be organising another night to see Baz Luhrmann's Strictly Ballroom in May / June.

This weekend is the District Conference at Leura with some members attending the whole weekend and some for just Saturday. A full report will be made next week.

The Bunnings BBQ was in my opinion a disappointing result in dollar sense and again had the usual members attending. The early and late shifts were slow but us on the middle shift were kept busy.

Last Tuesday night we had a meeting (Thanks to Norm and his daughter Ashley who provided her home for the meeting) to discuss the Fun Run and in particular ways to encourage schools to compete. A full report will be included in this bulletin.

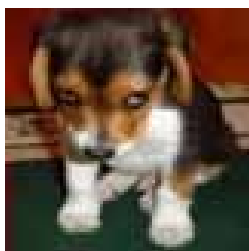

This week we will hear from students who attended the National Youth Science Forum and tell of their experiences.

I will be an apology for Tuesday as Janette and I have accepted an invitation from Paul Fletcher to hear an address from the former Australian Ambassador to Israel Mr. Dave Sharma speaking on 'Making Sense of the Middle East: Opportunities and Challenges for Australian Foreign Policy'.

Peter McKeown

APOLOGIES AND GUESTS

Need to apologise, or bringing a guest ? Please advise Attendance Officer, **Avis Manoukian**, on **0418 411 404** or email **avis@amcomms.com.au** **before 11.00am Friday before the meeting.** Club policy is that you must pay for your meal if you are absent without an apology by the deadline. **If you or your guests have any special dietary requirements, please also advise Avis.**

MEETING ROSTERS

Date	Meeting Program	Introduction & Vote of Thanks	Welcomer
13 March	Sarah Armstrong & Ziyu Ding NYSF Attendees	Ian Fraser	Sergeant / Corporals
27 March	TBA		Sergeant / Corporals
10 April	Club Forum	President Peter	Sergeant / Corporals

LAST MEETING - 27 FEBRUARY 2018

Meeting Statistics

Club Membership	27	Attendance Percentage	55.56%
Members Present	15	Make-ups	0
Apologies	12	Guests Attending	3
Absent - No Apology	0	Partners Attending	10
Guest Speaker	0	Visiting Rotarians	1

BIRTHDAYS - MARCH 2018

21 Di WILKINSON

BUNNINGS BBQ SCHEDULE;

No dates scheduled at present.

NEXT MEETING - 27 MARCH 2018

VISIT BY CHATSWOOD ROTARY CLUB TO US

Speaker to be confirmed.

(Note; Philip Holliday, Chief Operating Officer and Harbour Master Sydney, who was scheduled for this meeting is unable to attend. Ian Robertson is endeavouring to get another Officer to attend in Philip's stead)

If suitable guest speaker not secured, will have members talk 1 from each Club

DISTRICT ASSEMBLY - 29 APRIL

2018-19 Board Members, please be aware of the following 2018-19 District training:

District Assembly

Sunday 29 April 2018

The Kings School

Pennant Hills Road, Parramatta

Registrations at 8.30am and formal start at 9.00am, finishing at 4.30pm.

The training content will be informative and entertaining.

It is a Rotary International requirement that each club is represented at PETS and District Assembly.

REGISTRATIONS CLOSE ON 24 APRIL - PLEASE REGISTER ASAP

LAST MEETING - 27 FEBRUARY 2018 CONCOURSE TOUR AND CHINESE BANQUET

Silver Plated Relief of Pat Riley (dec'd), former Mayor of Willoughby Council and whose foresight, determination and driving force was instrumental in the creation of The Concourse.

This relief is on display in the main entrance to the Ticket Office at The Concourse. It reads;

MAYOR PAT RILEY
25 December 1952 to 20 January 2014
Councillor, September 1987 to 20 January 2014
Mayor September 1997 to 20 January 2014
FOREVER A WILLOUGHBY BOY

Pat was a Charter member, and then Honorary member of our Rotary Club.

Those members, partners and visitors (including past presidents Jade Catherall and Duncan Campbell who we were delighted to see), who were fortunate to join the tour of the Concourse last Tuesday 27 February, were amazed by the magnificence of this Entertainment and Cultural complex, virtually on our doorsteps.

David Banks who is a most committed, experienced, knowledgeable and enthusiastic person, took us on a tour through the Theatre, the Pavillion multi-purpose function space and the impressive Concert Hall which, together with the extensive library, make up the Concourse. He explained the Concourse concept, and the opportunities for access to first class entertainment and cultural events.

We left being very impressed with things like;

- the incredible acoustics, virtually unimpeded viewing of the stage from all seats and the beautiful wood panelling of the Concert Hall,
- the under seat air-conditioning, computerised controlled stage drops, and sunken orchestra pit of the Theatre
- the adaptability and flexibility of the Conference and multi-function space

They are equal to or surpass other Entertainment and Cultural Centres in Australia. Appreciation to Greg Muldoon and Richard Green for organising the tour.

Our dinner at the King Dynasty Chinese Restaurant in Westfield afterwards was a most enjoyable and fitting conclusion to the evening.

ROTARY FUN RUN SUNDAY 29TH JULY 2018

Initial Committee Meeting Tuesday 6th March 2018

Attending

Ashley Loder [Hostess/guest], Peter McKeown [President] Neil Howie, Peter Lefmann, Ross Symons, Malcolm Pilcher, Norm Gibson

Meeting initiated as a result of suggestions made to the Club by Mike Harrowell in January 2018 that we approach local schools to canvass support and identify issues.

Apologies.

Mike Harrowell, Away on work commitment. Greg Muldoon. Peter Lewis. Ted Anderson.

A variety of suggestions and comments were made at the meeting, including:-

- Ashley. Many schools do cross country running about that time. What dates? How can these assist? Winners/first three place getters get free entry to our Fun Run and others may follow??
- Neil. Northside Running Group. He will follow up and get further info.
- Ashley. Can we make it more of a community event? Not really as most people appear to want to go as soon as they finish and get their medals. Also we have to clear the oval because soccer will soon start. Sausage sizzles not successful last year.

- Ross. Advertise in SF Superseries. However the organisation prefers/ insists on the proceeds [or at least part of] going to a nominated charity.
- Ashley. Hand out flyers at local shopping centres and arrange for people to sign up there and then for the Fun Run. Perhaps this can be done closer to the event.
- Norm. Invite sports teachers, headmasters/headmistresses of a [large] number of schools to attend a special meeting at our Club and asked to participate in a group “think tank”. Ashley thought this would be hard to organise because most teachers would be too busy to spare a night. It will cost the Club money for meals etc.
- We are not sure of effectiveness of letter box drops. See comments of Peter Lewis . However Ross pointed out that it is probably obligatory for us to do so to alert residents of Castle Cove of what is happening and ask them to park off the streets.

However it emerged that we all thought that Mike’s suggestion that an initial personal approach to “relevant people” in individual schools in the area was the best way to start. What are their suggestions? What do they want out of their involvement? How do we get their interest/assistance/involvement?

The following schools were suggested;

SHORE – both day pupils and Boarders

Wenona School

Willoughby Public School

Castle Cove Public School

Catholic School Northbridge

Northbridge Public School

St. Thomas Catholic School

Cammeray Public School

Chatswood Public School

Killarney Public School

Killarney High School

Killara High School

Roseville Public School

Roseville College

Lindfield Public School

This will be discussed at the Next meeting of the Club on the 13th March and members will be asked to approach one nominated school.

Norm Gibson

THEN and NOW - ECHO POINT

In the early days of European settlement, boats were the only way to cross Middle Harbour and in the mid-1800s a commercial rowboat operation began to ferry picnickers. A rowboat was left on each side at night for emergencies.

Middle Harbour was a popular swimming spot.

In 1924 the first Roseville Bridge, near the Pipe Bridge, opened to connect Babbage Road to Healey Way. This and Spit Bridge allowed vehicles to easily cross into the Northern Beaches. The Roseville Bridge opened on 20 September 1924, 3 months before the Spit Bridge was opened. Roseville Bridge was built of reinforced concrete and constructed by unemployed returned servicemen, at a cost of 8,548 pounds, with half the cost coming from a State Government grant and the rest from the Willoughby, Ku-ring-gai and Warringah Councils.

In 1966 growing traffic congestion led to the opening of the current six-lane bridge, leaving the old bridge for pedestrian use.

In 1922 a timber structure and net was built for swimming adjacent to the Bridge. In 1930 a seawall and dressing facilities were constructed, and on 25 November 1933 the new Roseville Baths were officially opened.

THEN

The new baths were opened on 25 November 1933 (top photo)
Swimming Carnival at baths in 1952. (Bottom photo)

The Castle Cove Public School held their swimming carnivals at the Baths until they were closed in 1966, as the level of pollution in the Baths prevented swimming.

The Baths were demolished in 1974, together with the old Roseville Bridge.

AND NOW

Our Club's first Shelter on the site of the old Roseville Baths. Some foundation stones and the retaining wall remain, but that's about the extent of the existence of the old baths.

ROTARY LEADERSHIP INSTITUTE COURSES

The Rotary Leadership Institute course is now run over two days, powerpacked with information, learning and skills you can use in your Rotary life straight away. Networking with other Rotarians and led by experienced facilitators, you are sure to enjoy what others are describing as the best Rotary training they have had. Register online now at rli.rotarydistrict9685.org.au and supercharge your Rotary.

There are 2 courses available for registration:

RLI45 - Sunday 18 March 2018

RLI 47 - Saturday 5 and 19 May 2018

Club members, particularly new Rotarians and new 2018/19 Board members, are encouraged to consider attending one of these courses.

PRESIDENTIAL PEACEBUILDING CONFERENCE

The Rotary International Presidential Peacebuilding Conference 2018 (RIPPC 2018), will be taking place on the **17 March 2018 at Sydney Town Hall**.

This is a Conference you do not want to miss with this being one of the six Rotary Peace Conferences to be held across the globe.

The Conference Program includes keynote lecturers and presentations from international and national leaders in the industries of 'Economic and Community Development and Peace'.

Delegates will hear about the underlying causes of conflict including poverty, disease, lack of water and food security and the lack of education from our inspirational and stimulating speakers.

**FOR PROGRAM AND REGISTRATION DETAILS VISIT
WWW.RIPPC2018.COM.AU**

SCIENCE AND ENGINEERING CHALLENGE 8th MAY 2018

8 MAY 2018 - VOLUNTEERS REQUIRED

Rotarians across Sydney are needed to support this exciting youth program. Year 10 students compete in teams to solve science and engineering puzzles. Your role would be to supervise them as they work. A science/technology background is useful but not vital. More important is a willingness to engage with intelligent and highly motivated students.

Full details and further information on the following page.

SCIENCE AND ENGINEERING CHALLENGE

GALSTAUN COLLEGE, INGLESIDE

8 MAY 2018

Youth Service Director Ted Anderson is seeking volunteers from the Club to again participate in this program

From the SEC Sydney Committee;

Thank you for your contribution to the success of the Science and Engineering Challenge in 2017. This valuable event simply cannot proceed without your involvement .

So I am being bold and asking if you are able to take part again this year. The event is on 8 May so you have a bit more warning than I gave you last year. Still, a quick response from you will help me. It is again at Galstaun College at Ingleside. Email me at this address. david@davidellyard.com

If you are able to help out again, I will do my best to allocate you to the same challenge as last year, unless you specifically ask me to give you something new. The challenges being offered do vary a little from year to year.

Beyond that, you know the drill. You need to be on site from 0800 to about 1430. You will be fed lunch. Parking is available. You will be sent all the necessary briefing materials.

Can I ask you to spread the word around your own Clubs and encourage others to take part. I am attaching a flyer that you could get your bulletin editor to include.

*It is fun day. You will have a good time.
I look forward to hearing from you.
Cheers*

*David Ellyard
Beecroft Rotary.
For the SEC Sydney Committee*

DISTRICT CONFERENCE ATTENDANCE

Seven members and four partners (Ted and Meg Anderson, Peter McKeown, John Hartley, Richard and Anna Green, Peter and Nancy Lefmann Ross and Ro Symons and Sue Ward) have so far registered and will be attending the 2018 District 9685 Conference at Leura over this coming weekend, 10 and 11 March 2018 (though some of the partners maybe enjoying the attractions, shops and cafes of the Blue Mountains).

More on the outcome and conduct of the Conference in the next Bulletin.

APPRECIATION CARD FROM JANETTE KAY

A card expressing appreciation has been received by the Club from Janette Kay. *"Many thanks for the gorgeous flowers sent to me They certainly brightened my day"*. Janette recently underwent back surgery. We all wish her a speedy and successful recovery.

SAVE MARIAN STREET THEATRE COMMITTEE

Ian Cameron, District 9685 Public Relations Director for 2017/18 has written to the Club in the following terms;

"Guys, I have been approached by the folks at Marian St to ask Rotarians to assist with Community awareness of the need to encourage the re-establishment of the Marian St Theatre complex in Killara.

This facility has been accessed by many families over the years and its rebuild will provide a wonderful local capability in the arts and entertainment

I appreciate your consideration and this does provide Rotary Clubs with an opportunity to connect and engage with others in the Community and build the Rotary brand."

The attachment to Ian's email is on the following page.

Why Act Now?

The iconic Marian Street Theatre in Killara has been closed for many years. Ku-ring-gai Council, the owners, are soon voting on a proposal to re-open it. The proposal comes from the Save Marian Street Committee, an active art-loving community group. The Council's vote depends on broad community support.

What is the Proposal?

What we propose is to turn Marian Street Theatre into a vibrant venue for a wide range of performing and visual arts. The plan is to expand the existing 300-seat theatre with additional indoor and outdoor exhibition and performance spaces ideal for anything from comedy to chamber music or jazz gigs. Drawings of the proposal can be found on our website.

How can you Support the Proposal?

Go to savemarianstreettheatre.com and sign up as a 'Friend of Marian Street Theatre' (or write to 2 Marian St, Killara 2071). You can also contact your local Councillor to express your concern about the lack of art venues in our area. Contact details are on our website.

*Thank you! The Save Marian Street Theatre
Committee*

FIVE MYTHS ABOUT ROTARY

From Rotary Plus, Zone 5 -
Newsletter from RC PDG Rajendra Rai, issue 7, Jan

Myth 1: 'Rotary is only for business Networking'

While Rotary was in fact founded as a professional move its purpose has always been centered on service to the community and in fact the world.

Both the personal and professional contact you will undoubtedly make, are just a wonderful side benefit of joining Rotary.

Myth 2: 'Rotary is Distant old boys club'

There was a day, when Rotary was comprised of just local Business men. But that was long ago. Here's the bottom line: We're simply looking for high character men and women in our community who want to serve.

Myth 3: 'Rotary is Expensive'

Actually, Rotary membership fees vary from club to club, community to community, Some are as little as near dollars per month.

Myth 4: 'If I can't make the meetings, I can't be in Rotary'

Rotary is about serving. If you want to help us serve the community but just can't get to regular meetings, your local club will absolutely find a way for you to participate.

Myth 5: 'I just don't have time to be a Rotarian'

You or does your business have two hours per month to contribute to the community? We can show you some reasonable goals and examples of how to get yourself involved in Rotary, inside of your busy schedule.

Come Join Rotary.

Don't let these myths stand in your way. Start your Rotary journey of service right now; because the World needs Rotary and Rotary needs you!

From the 'Rotary On The Move' Newsletter.

ABOUT ROTARY

Paul Harris

The world's first service club, the Rotary Club of Chicago, Illinois, USA, was formed on 23 February 1905 by Paul Harris.

Rotary is a worldwide organisation of business and professional leaders that provides humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world. More than 1.2 million Rotarians belong to over 34,100 Clubs in 210 countries and geographical areas. Rotary Club membership represents a cross-section of the community's business and professional men and women. The world's Rotary Clubs meet regularly and are non-political, non-religious, and open to all cultures, races, and creeds.

The Rotary motto is ***Service Above Self.***

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service;
- SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ADVANCE AUSTRALIA FAIR

Australians all, let us rejoice,
For we are young and free,
We've golden soil and wealth for toil
Our home is girt by sea;
Our land abounds in nature's gifts
Of beauty rich and rare;
In history's page, let every stage
Advance Australia Fair.
In joyful strains then let us sing
Advance Australia Fair.

ROTARY THANKS

For the community, friendship
and the opportunity to serve
through Rotary, we give thanks.

THE FOUR-WAY TEST

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
