## PRESIDENT RICHARD GREEN'S REPORT

Unfortunately the last meeting was cancelled due to the damage done to a large area of the North Shore.

A number of our members and friends of Rotary were effected with loss of power for about a week.

The next meeting is an important meeting as it will decide how we will operate in the next year.

Two papers have been circulated. These will form the basis of the discussion.

If you have not received these contact me.

We do have the option that other clubs have done when most of the members have been president. That is to share the president's role between three people.

The Christmas party will be a casual event, very similar to last year except there is no Kriss Kringle, but attendees may make a voluntary donation to the Rotary Drought Appeal.

Don't forget to bring a gift for the Tree of Joy and an optional donation for the bush fire people.

We then have a break until the fourth Tuesday in January, when Cliff Garrett will organise the meeting.

Richard Green  
President.

**LAST MEETING - 26 NOVEMBER 2019  
CANCELLED - SEVERE WEATHER STORM**

A tremendous wind and rain storm swept across the North Shore area on the afternoon of Tuesday 26 November, causing significant damage to some houses, blowing down many trees and widespread blackouts for the afternoon and well into the evening .

The Roseville Golf Club was caught in the storm resulting in the cancellation of our scheduled meeting for the 26 November.

Hopefully Grant Campbell will be able to re-schedule our guest speaking, Andy Munns from the Sydney Heritage Fleet, who was to address us on the night.

The next Bulletin issued will be for the AGM on 10 December 2019, and following that the Bulletins will resume in mid January for the resumption of club meetings on 28 January 2020.

If members rostered as above, find difficulty in securing a guest speaker for their allocated meeting, or you find a good guest speaker but they can not make the meeting allocated to you, it may be possible to swap with another member to place your guest speaker into the program at a different date,

Off-site visitations to industries, businesses, commercial activities and attractions are also a welcome variation to our regular meeting routine, and some of our visits to external locations such as the TAFE Catering Schools as an example, have proven to be very popular in the past.

## OUR CHRISTMAS COCKTAIL PARTY & THE DROUGHT “RAIN FROM NOWHERE”

I am sure we have all been quite moved by some of the stories of the hardship and emotional drain that the droughts have inflicted upon the families in farming communities throughout the State and the “dark thoughts” it has brought

Some time ago some of our members were privileged to hear Murray Hartin address our Club. He recited his noted poem “Rain From Nowhere”.

I thought, in view of our decision about Kris Kringle, that it may be appropriate to include his poem about the ups and downs of farming, in this Bulletin.

### **Rain from Nowhere** **by Murray Hartin**

*His cattle didn't get a bid; they were fairly bloody poor,  
What was he going to do? He couldn't feed them anymore,  
The dams were all but dry; hay was thirteen bucks a bale,  
Last month's talk of rain was just a fairytale.*

*His credit had run out, no chance to pay what's owed,  
Bad thoughts ran through his head as he drove down Gully Road.  
“Geez, great grandad bought the place back in 1898,  
“Now I'm such a useless bastard, I'll have to shut the gate.*

*“Can't support my wife and kids, not like dad and those before,  
“Crikey, Grandma kept it going while Pop fought in the war.”  
With depression now his master, he abandoned what was right,  
There's no place in life for failures, he'd end it all tonight.*

*There were still some things to do, he'd have to shoot the cattle first,  
Of all the jobs he'd ever done, that would be the worst.  
He'd have a shower, watch the news, then they'd all sit down for tea  
Read his kids a bedtime story, watch some more TV,*

*Kiss his wife goodnight, say he was off to shoot some roos  
Then in a paddock far away he'd blow away the blues.  
But he drove in the gate and stopped – as he always had  
To check the roadside mailbox – and found a letter from his Dad.*

*Now his dad was not a writer, Mum did all the cards and mail  
But he knew the writing from the notebooks that he used at cattle sales.  
He sensed the nature of its contents, felt moisture in his eyes,  
Just the fact his dad had written was enough to make him cry.*

*"Son, I know it's bloody tough; it's a cruel and twisted game,  
"This life upon the land when you're screaming out for rain,  
"There's no candle in the darkness, not a single speck of light.  
"But don't let the demon get you, you have to do what's right;*

*"I don't know what's in your head but push the bad thoughts well away.  
"See, you'll always have your family at the back end of the day;  
"You have to talk to someone, and yes I know I rarely did.  
"But you have to think about Fiona and think about the kids.*

*"I'm worried about you, son, you haven't rung for quite a while,  
"I know the road you're on 'cause I've walked every bloody mile.  
"The date? December 7 back in 1983,  
"Behind the shed I had the shotgun rested in the brigalow tree.*

*"See, I'd borrowed way too much to buy the Johnson place;  
"Then it didn't rain for years and we got bombed by interest rates.  
"The bank was at the door; I didn't think I had a choice,  
"I began to squeeze the trigger – that's when I heard your voice.*

*"You said 'Where are you Daddy? It's time to play our game'  
"I've got Squatter all set up, we might get General Rain.'  
"It really was that close, you're the one that stopped me son,  
"And you're the one that taught me there's no answer in a gun.*

*"Just remember people love you, good friends won't let you down.  
"Look, you might have to swallow pride and take that job in town,  
"Just 'til things come good, son, you've always got a choice.  
"And when you get this letter ring me, 'cause I'd love to hear your voice."*

*Well he cried and laughed and shook his head, then put the truck in gear,  
Shut his eyes and hugged his dad in a vision that was clear.  
Dropped the cattle at the yards, put the truck away,  
Filled the troughs the best he could and fed his last ten bales of hay.*

*Then he strode towards the homestead, shoulders back and head held high,  
He still knew the road was tough but there was purpose in his eye.  
He called his wife and children, who'd lived through all his pain,  
Hugs said more than words – he'd come back to them again.*

*They talked of silver linings, how good times always follow bad,  
Then he walked towards the phone, picked it up and rang his Dad.  
And while the kids set up the Squatter, he hugged his wife again,  
Then they heard the roll of thunder and they smelt the smell of rain.*

## 2019 ROTARY SCHOOL AWARDS

As part of this Rotary year's Youth Service Program a Rotary School Award was presented to a student in each of 7 local Schools and 1 country School

The criteria for this Award is aimed at an all-round student who has contributed to the life of the School both inside and outside the classroom not only academically but also through their role in fields such as sporting, performing arts and with the community.

Each student received a suitably engraved Plaque, a Certificate and a Book Voucher.

The Award winners at 6 local Schools in 2019 were:

- Olive Loughhead - Year 6 Roseville College Junior School for Best All Rounder

The Award at Trangie Central School was given to Makahlia Edwards, a Year 12 student for All Round Effort.

I would like to acknowledge the assistance of teaching staff at each School, Greg Muldoon for the production of the Certificates and Richard Kerslake from Tromar P/L for providing the plaques. Many thanks to Peter McKeown, Greg Muldoon and Richard Green for representing Rotary by attending the local School Presentations and for most Schools presenting the Rotary School Award.

## CROMEhurst GRADUATION DINNER

Last Wednesday evening, I attended the Cromehurst Graduation Dinner, where I presented the Rotary Club of Roseville Chase School Award.

The very worthy recipient was Year 12 student, Bronte Rule, who will be graduating from and leaving Cromehurst this year.

The Award was presented for Bronte's All Round Performance. At the dinner, staff spoke of her remarkable improvements and achievements over the past three years at Cromehurst.

Our Club has had a long association with Cromehurst over many years, helping with their annual Golf Day, and building their Sensory Garden a few years ago.

Everyone at Cromehurst is to be commended for their outstanding dedication to helping the students – the staff, the parents, and the numerous volunteers who assist in various areas.

PP Greg Muldoon

With fires on top of drought, our northern neighbours are really struggling. If you and/or your club are in a position to support, there have now been a number of RAWCS accounts set up to manage your donations:

The projects are:

- Queensland Bushfire Relief Appeal donations. [rawcs.com.au/19-2019-20](http://rawcs.com.au/19-2019-20)
- NSW Bushfire Farmers in Need Appeal donations. [rawcs.com.au/22-2019-20](http://rawcs.com.au/22-2019-20)
- Taree & Mid Coast NSW Bushfire Appeal donations.  
[rawcs.com.au/41-2019-20](http://rawcs.com.au/41-2019-20).

Please talk to Community Service Director Peter Kirkwood if you have any plans to support our bush cousins so that a coordinated approach can be taken. And thank you all so much for what you have already provided to so many across our state.

In case you are wondering if Shelterbox can or are supporting this disaster, ROWLEY TOMPSETT, Chair, ShelterBox Australia provides the following input to your questions:

“It’s been devastating to see the rapid spread of bushfires in Australia. Thousands have been forced to evacuate their homes, and the country is bracing itself for ‘the most dangerous bushfire week ever seen’. Our thoughts are with all those affected, including our colleagues at ShelterBox Australia.

At this time, we’re not sending a team to provide shelter aid. We’re monitoring the situation closely and will provide an update if anything changes.

- While New South Wales and Queensland have both declared a state of emergency, the Australian Government has not made an international request for emergency shelter. Core infrastructure, like power, communications, roads, hospitals and schools, is likely to be repaired quickly compared to other countries.
- Our core items – including tents, tools and tarpaulins – are unlikely to be an acceptable solution for Australian families, particularly with temperatures of 40C expected.
- Local teams already have good capacity to respond and start the recovery process. This is due to the high-quality infrastructure, social support, availability of resources, and the preparedness activities of Government teams.”

# HOW TO HANDLE MILLENNIALS

**Article By Michael S. Turner -A Theoretical Cosmologist From the Zone 7A, Membership Newsletter, July - September 2019.**

## **Speak the Language**

- Don't talk about "events" they should attend. Instead, promote the **opportunities** and **experiences** Rotary has created for them.
- Don't pitch them a membership the way you always have. Instead, ask them for an **investment** and be able to describe the return they can expect on that investment.
- Don't ask for "volunteers" for a committee. Instead, invite them to **collaborate** with fellow Rotarians.
- Think words don't matter? Test these out and see for yourself.

## **Know your Audience**

- Need a sophisticated understanding of who they will be.
- Know what they want. Ask them! They will be happy to tell you and offer to help make things happen.
- Offer the specific programs to them.

## **It's About Culture**

- Millennials have an almost subliminal obsession with culture, and with finding people, places and organizations that match their values.

## **Collaboration**

- Find a place where individuals can come together and collectively produce something of value.
- Engage in a two-way conversation where they feel like they've helped to shape the project's goals.

## **Distributed Authority**

- Empowering leaders to feel ownership of projects or experiences will drive them to incredible results.
- You need to be very careful who you place in leadership positions. But once you've matched the right person with the right project, the rest will take care of itself.

## **Recognition**

- After the fun is over you need to spend time thanking those people who made the event or program so great. This simple gesture will ensure that person is loyal to your Rotary for their entire career.

## A BIT OF HUMOUR

### AND DID YOU KNOW.....

A recent study found that the average Australian walks 1,450 kilometers a year. Another study found the average Australian consumes 100 litres of alcohol a year.

That means on average AUSSIES get 145 klm to the litre. Not too bad!!

### GRANDMOTHER

A grandmother is giving directions to her grown grandson who is coming to visit with his wife.

"You come to the front door of the apartment. I am in apartment 301 . There is a big panel at the front door. With your elbow, push button 301. I will buzz you in. Come inside, the elevator is on the right. Get in, and with your elbow, push 3. When you get out, I'm on the left.. With your elbow, hit my doorbell."

"Grandma, that sounds easy, but, why am I hitting all these buttons with my elbow? .....

"What !!. . . . . You're coming empty handed???"

### IRISH BLONDE...

An attractive blonde lady from Cork , Ireland , arrived at the casino. She seemed a little intoxicated and bet twenty thousand dollars in a single roll of the dice.

She said, "I hope you don't mind, but I feel much luckier when I'm completely nude." With that, she stripped from the neck down, rolled the dice and with an Irish brogue yelled, "Come on, baby, Mama needs new clothes!"

As the dice came to a stop, she jumped up and down and squealed. "Yes! Yes! I won, I won!" She hugged each of the dealers, picked up her winnings and her clothes and quickly departed.

The dealers stared at each other dumbfounded.

Finally, one of them asked, "What did she roll?"

The other answered, "I don't know - I thought you were watching."

### MORAL OF THE STORY

Not all Irish are drunks, not all blondes are dumb,  
..... but all men...are men!

## ABOUT ROTARY

*Paul Harris*

The world's first service club, the Rotary Club of Chicago, Illinois, USA, was formed on 23 February 1905 by Paul Harris.

Rotary is a worldwide organisation of business and professional leaders that provides humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world. More than 1.2 million Rotarians belong to over 35,000 Clubs in 210 countries and geographical areas. Rotary Club membership represents a cross-section of the community's business and professional men and women. The world's Rotary Clubs meet regularly and are non-political, non-religious, and open to all cultures, races, and creeds.

The Rotary motto is ***Service Above Self.***

## ***OBJECT OF ROTARY***

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service;
- SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## ***ADVANCE AUSTRALIA FAIR***

Australians all, let us rejoice,  
For we are young and free,  
We've golden soil and wealth for toil  
Our home is girt by sea;  
Our land abounds in nature's gifts  
Of beauty rich and rare;  
In history's page, let every stage  
Advance Australia Fair.  
In joyful strains then let us sing  
Advance Australia Fair.

## ***ROTARY THANKS***

For the community, friendship, and  
the opportunity to serve through Rotary,  
we give thanks.

## ***THE FOUR-WAY TEST***

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
