PARTNERS WELCOME

THE ROTARY CLUB OF ROSEVILLE CHASE YEAR 6 ESSAY AND PUBLIC SPEAKING COMPETITIONS.

Tonight the Rotary Club will conduct two competitions, as stated above, for students in Year 6 at three (3) Schools, namely, Castle Cove Public School, Roseville Public School and Roseville College Junior School.

Essay Competition; Set topic is *"If you could meet a historical figure, who would it be and why?"* The length of the essay is about 300 words. Chris Lewis will judge the essays and choose the best of the three essays presented. Each participant will read their essay at the Meeting. The winner will be presented with a plaque and a certificate at tonight's meeting. The two runner's up will receive a certificate.

The participants for the Essay Competition are James Bestic from Castle Cove Public School, Rebecca Frantz from Roseville Public School and Maddison Lee-Joe from Roseville College Junior School.

Public Speaking; Students will speak for between 2 – 3 minutes on a topic of the student's choice. A winner will be determined based on the participant's performance on the evening. The judges will be Chris Lewis and Ian Garrard. The winner will receive a plaque and a certificate presented at their School at date in July. The two runner's up will receive a certificate to be presented at the meeting.

The names of the two winners will be engraved on a Shield kept by the Club.

The participants for the Public Speaking Contest are Bella Upson from Castle Cove Public School, Stephanie O'Chee from Roseville Public School and Lauren Chang from Roseville College Junior School.

These competitions are highly entertaining and worth listening to. I would hope as many of the Members as possible attend to show support for these fine young students. **Partners are more than welcome to attend.**

Invitations have been extended to the parents of the participants and each School will be represented by a Teacher.
Ian Fraser.

PRESIDENT RICHARD GREEN'S REPORT

Jacqui Jones was an interesting speaker and obviously can be a great help to students of all ages.

Next meeting is our annual essay and public speaking event with students from the three local primary schools. Partners are welcome.

The last youth activity for the year is the Science and Engineering Challenge at Ravenswood school on 28 June. David will be calling for helpers. Usually we have three volunteers.

I have included an updated meeting roster to allow for those that have responded so far and the DG visit. Don't forget Allan Farrer is managing the roster.

Bob Warland has just returned home after surgery. This will be followed by months of rehabilitation . He will back to the club in December. We hope he recovers quickly and the rehabilitation goes smoothly.

Ian Garrad has given a number of talks on the north west metro . It is up and going and he should be congratulated on the part he played in the construction.

At the last meeting the club agreed to run a joint golf day with Chatswood club. It will in the last week of October and will most likely be at Pymble Golf Club. Stephen Goldring and David Brand will be our two representatives on the organising committee.

Don't forget the fun run on 21 July. We need sponsors. I have attached the sponsors for Lindfield's fun run. You can see most of them are local businesses. If you have any suggestions let Neil know.

Richard Green.
President.

HEAD COIL - CROWS NEST ROTARY CLUB

Dear Richard,

On behalf of the Members of Crows Nest Rotary I would like to say we were delighted to have contributed to this project.

Peter, Angelo and I were intrigued to see the MRI cap and to hear the benefits this vital piece of equipment delivers.

Cont.....p.5

I have sent an email to Pamela congratulating the Pink Ladies Team on their outstanding contribution, thanking them, the Hospital and Phillips for inviting us to the Thank You Morning Tea.

I wholeheartedly agree that by collaborating with neighbouring Rotary Clubs, projects that benefit the community are achievable.

I am sure Crows Nest Rotary Club would be happy to assist again in the future.

Regards

Susan Raveane

President, Crows Nest Rotary Club.

LAST MEETING - 28 MAY JACQUI JONES - GUEST SPEAKER

Jacqui Jones outlined the Corporate and schools with which she has had involvement in providing her programs and making mental health an everyday conversation.

Of specific relevance was the Greatfulness program she has seen implemented in many primary schools, and the results that the students have achieved both behavioural and scholastical. In a number of instances the programs are directly aimed at countering or overcoming the influence that social media has on school children.

It also includes providing teachers and parents with tools and ideas of practical ways to retrain and calm the mind.

FUN RUN - 21 JULY 2019

The fun run is now less than 6 weeks away and we need to obtain some serious sponsorships to ensure we maximise the return from the event. **Please discuss with Neil Howie any ideas you may have for sponsors for the event.**

Ken Murphy, from Clarke Murphy Printing - one of our club's long term supporters, has generously donated the printing of the flyers, as they did with the flyers for the Wine and Cheese Tasting night, and on many other previous occasions.

Michael Harrowell will soon be organising and seeking assistance with the letter boxing and display of the flyers.

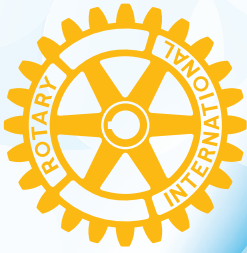

Full details about the Fun Run are shown on the following page.

Remember if you need any business or personal printing done, Ken will give you a competitive quote - so if you can, please consider supporting Clarke Murphy Printing, just as they support our club.

The Club contributed towards the cost of attendance by the Cromehurst Special School 1st Scout Group Team Leader, at a Scout Jambaroo earlier this year.

END POLIO NOW UPDATE

Following news of two further wild polio virus cases in Pakistan, I am pleased to forward the following in depth Polio campaign comments from three of our outstanding international leaders and commentators – including inspirational words and encouragement from Bill Gates. Bill Gates leaves no doubt on the absolute vital nature of ongoing support from Rotary – along with his commitment.

We now have 24 confirmed cases of polio this year – 7 in Afghanistan and 17 in Pakistan – all as a result of the ongoing hostilities along the border between the two countries.

Let's ensure a high percentage of clubs honour the request from RI President Barry Rassin for clubs to contribute \$1,500 each in a special 'one off' donation this year.

I am pleased to provide the information contained in the attachments.

ROTARY FOUNDATION ANNUAL FUND - CENTURION CONTRIBUTION

Last year several members made our personal Centurion contribution of A\$100 to the Foundation's Annual Fund. This year the Club has also given A\$6,000 as its contribution to the Annual Fund. The Annual Fund is vitally important as the Fund that primarily finances the funding of Club projects through Global and District Grants.

For those of you that are currently Centurion donors please consider renewing your membership by making a further contribution of A\$100 before 30 June. For those of you that are not current Centurions, please consider becoming a Centurion by also donating your A\$100. **It is important that payment be made by no later than mid June to ensure that the contribution is received and accepted for this year.**

Each year the Foundation returns to District 9685, 50% of the contributions from the clubs in the District as District Designated Funds (DDF) on a 3 year cycle. The other 50% goes to the World Fund which also funds matching amounts to District DDF funding and Club funding of Global grants as well as funding District Global Grant Scholarships and Peace Scholarships. For some years, through additional funding from the World Fund, District 9685 and the Clubs have received (by having more projects including scholarships than other Districts) more funds from the Annual and World Funds than has been contributed to the Annual Fund on the 3 year cycle. Our District through hard work has the highest success rate of all the Districts in this respect.

Unfortunately this year in District 9685 there is a significant lag in giving generally from Clubs and personal donors to the Annual Fund, which as at 30 April, is running US\$70K behind last year at this time. Donations are very much needed if our Rotary charity is to continue funding our projects so successfully.

Attached is the Foundations Centurion Membership form which can be submitted directly to PP Gavin Ralston by email to gadr@bigpond.net.au or to Fax 9453 4906 at the time of paying the donation by one of the methods indicated.

NB: Please ensure that you include the name of our Club so that the Club receives credit for the contribution and send me a copy of the application.

Alternatively if you would prefer to I will collect completed applications at the next meeting of the Club on 11 June and lodge as a Group application. Please let me know if you have any queries.

STEM DAY (SCIENCE, TECHNOLOGY, ENGINEERING and MATHEMATICS)

Our Club is again participating in the STEM (Science, Technology, Engineering and Maths) day.

This year it is at **Ravenswood College on Friday 28 June 2019.**

It is quite a long day but very worthwhile watching young students grapple with science problems. Members would be involved from 0800 to 1500.
The organisers usually provide a lunch for the volunteers.

David Brand, Youth Services Director, is organising our club's involvement and needs about 6 members to volunteer to be involved.

If you have not already done so, could you please advise David ASAP if you can be involved on 28 June.

When David has the required numbers he will pass your emails onto the organisers who then send to you all the papers relevant to the day's activities.

WELFARE REPORT - PP BOB WARLAND

Abbreviated message from Sue Warland;

Bob came home from Hospital on Sunday 2 June. He had a complete left knee reconstruction including patella. He now has to attend the Mater for rehabilitation/ physio twice per week and hydrotherapy twice a week.

As a result of "knee giving way" falls, he is yet to see the hand surgeon for the problem with his wrist which happened when he put his hand out to break his fall, and he will also need surgery at a later date on an injured shoulder.

Suffice to say he will not be driving for quite some time and never be playing golf, but is doing well.

Thank you for your interest and concern.

Kind Regards,
Sue.

Editor's Note; All members and partners wish Bob ongoing recovery and hope to see both Bob and Sue back at the Club in due course.

ROSTER OF MEMBERS RESPONSIBLE FOR SECURING GUEST SPEAKER FOR MEETING NIGHTS - 2019/20

As advised by President Richard recently, a Roster has been developed for next year, 2019/2020, of members who are responsible for securing a guest speaker for specific meetings during the year.

It is your responsibility to arrange with another member if you can not fulfill your responsibility for the meeting allocated to you.

Allan Farrar will be the Program Manager, and you must keep Allan informed of the name of the person, and the topic of their address, for your allocated meeting. It is also critical for you to advise Allan of any change to the Roster, and who will be substituting for you. Any changes will be published in the Bulletin if advised before the cut-off time for Bulletin articles.

It is also essential in organising a guest speaker that you request a bio of the person and brief description of their address and forward to the Bulletin Editor at least 2 weeks before the meeting.

Below is the Roster for the 6 months meetings from July to December this year.

MEETING DATE	MEMBER RESPONSIBLE	GUEST SPEAKER TOPIC (if known)
9 July	Pesident Richard Green	Club Change Over Meeting

ROYAL NORTH SHORE HOSPITAL HEAD COIL PRESENTATION

Here are several photos taken on Monday 27 May at a visit to the Medical Imaging Department of the Royal North Shore Hospital.

The Head Coil supplier, Philips, sponsored the 'morning tea thank you' to the amazing Pink Ladies – and the Rotary Clubs of Roseville Chase, Chatswood, Lindfield, Crows Nest and Northbridge and The Rotary Foundation - for their contributions to the funding of this important, life-saving equipment.

The photos include a number of our members, together with staff from the RNS ID, Doctors, Pink Ladies and representatives of the other Clubs who contributed to the purchase of the Head Coil.

SUPER CALLOUSED FRAGILE MYSTIC HEXED BY HALITOSIS.

- Two antennas met on a roof, fell in love, and got married. The ceremony wasn't much, but the reception was excellent.
- A jumper lead walks into a bar. The bartender says, "I'll serve you, but don't start anything."
- Two peanuts walk into a bar, and one was a salted.
- A man walks into a bar with a slab of asphalt under his arm and says;
"A beer please, and one for the road."
- Two cannibals are eating a clown. One says to the other: "Does this taste funny to you?"
- "Doc, I can't stop singing 'The Green, Green Grass of Home.'"
"That sounds like Tom Jones Syndrome."
"Is it common?"
"Well, 'It's Not Unusual.'"
- Two cows are standing next to each other in a field.
Daisy says to Dolly, "I was artificially inseminated this morning."
"I don't believe you," says Dolly.
"It's true, no bull!" exclaims Daisy.

- An invisible man marries an invisible woman. The kids were nothing to look at either.
- I went to buy some camouflage trousers the other day but I couldn't find any.
- A man woke up in a hospital after a serious accident.
He shouted, "Doctor, doctor, I can't feel my legs!"
The doctor replied, "I know you can't - I've had to amputate your arms!"
- I went to a seafood disco last week...and pulled a mussel.
- Two termites walk into a bar. One asks, "Is the bar tender here?"
- A vulture boards an airplane, carrying two dead raccoons. The stewardess looks at him and says, "I'm sorry, sir, only one carrion allowed per passenger."
- Two hydrogen atoms meet.
One says "I've lost my electron,"
The other says, "Are you sure?"
The first replies "Yes, I'm positive."
- A group of chess enthusiasts checked into a hotel and were standing in the lobby discussing their recent tournament victories.
After about an hour, the manager came out of the office and asked them to disperse.
"But why?" they asked, as they moved off.
"Because", he said, "I can't stand chess-nuts boasting in an open foyer."
- A woman has twins and gives them up for adoption.
One of them goes to a family in Egypt and is named "Ahmal."
The other goes to a family in Spain; they name him "Juan."
Years later, Juan sends a picture of himself to his birth mother.
Upon receiving the picture, she tells her husband that she wishes she also had a picture of Ahmal.
Her husband responds, "They're twins! If you've seen Juan, you've seen Ahmal."

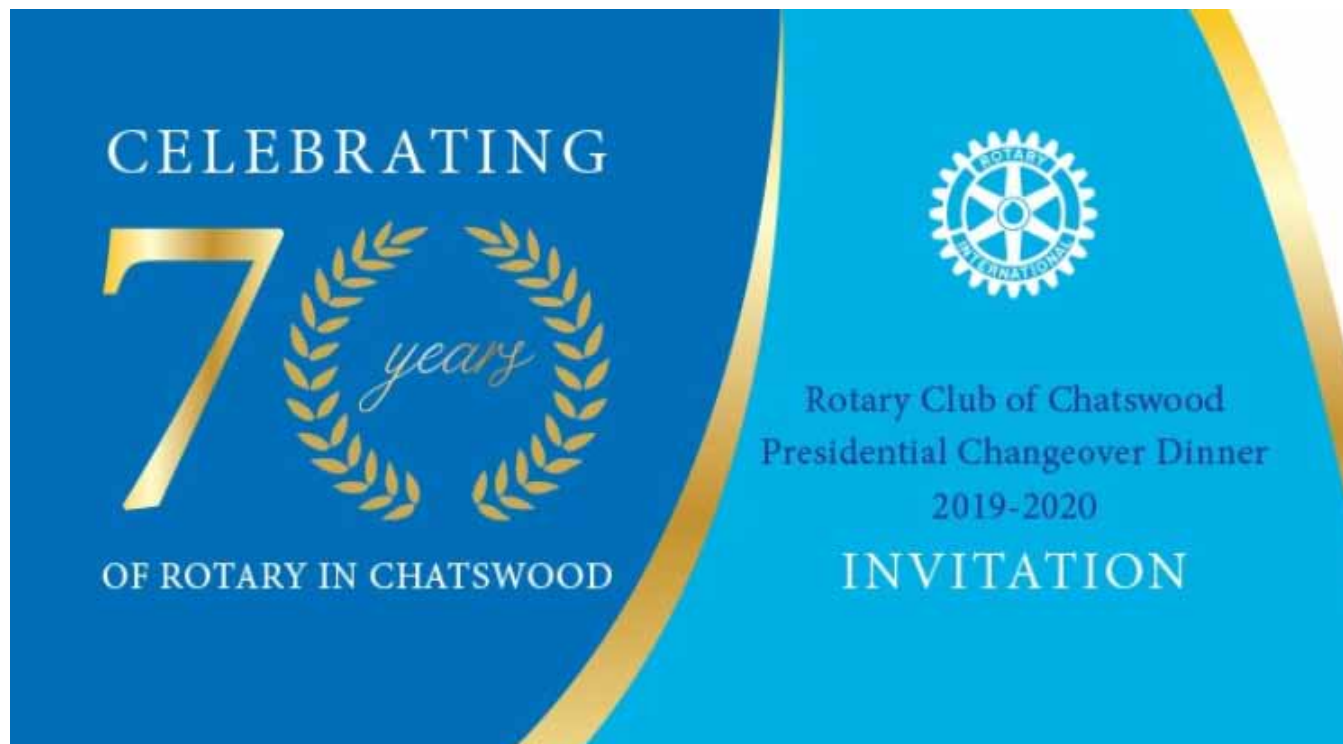

Mahatma Gandhi, as you know, walked barefoot most of the time, which produced an impressive set of calluses on his feet. He also ate very little, which made him rather frail and with his odd diet, he suffered from bad breath.
This made him A super calloused fragile mystic hexed by halitosis.

- There was the person who sent ten different puns to his friends, with the hope that at least one of the puns would make them laugh. No pun in ten did.

ABOUT ROTARY

Paul Harris

The world's first service club, the Rotary Club of Chicago, Illinois, USA, was formed on 23 February 1905 by Paul Harris.

Rotary is a worldwide organisation of business and professional leaders that provides humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world. More than 1.2 million Rotarians belong to over 34,100 Clubs in 210 countries and geographical areas. Rotary Club membership represents a cross-section of the community's business and professional men and women. The world's Rotary Clubs meet regularly and are non-political, non-religious, and open to all cultures, races, and creeds.

The Rotary motto is ***Service Above Self.***

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service;
- SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ADVANCE AUSTRALIA FAIR

Australians all, let us rejoice,
For we are young and free,
We've golden soil and wealth for toil
Our home is girt by sea;
Our land abounds in nature's gifts
Of beauty rich and rare;
In history's page, let every stage
Advance Australia Fair.
In joyful strains then let us sing
Advance Australia Fair.

ROTARY THANKS

For the community, friendship, and
the opportunity to serve through Rotary,
we give thanks.

THE FOUR-WAY TEST

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
