DINNER BULLETIN FOR 26 FEBRUARY

The Dinner Bulletin Editor will be travelling throughout Victoria and Adelaide during next week, and then may well be marooned on an Island in the Tasman Sea during the week before the meeting on 26 February.

Still send through any information for the Bulletin of 26 February, by 22 February. I am hoping the Morse Code or Smoke Signal system will still be operational.

PRESIDENT RICHARD GREEN'S REPORT

In the break I have been in Africa. It is a continent rich in natural resources and is very beautiful. It is a pity that some of the countries are politically unstable and very corrupt. Race did not seem to be a problem but the problem is the big gap between the rich and the poor.

With unemployment between 40 and 80 percent there are a lot of poor people This leads to a lot of crime. You cannot walk about freely any where.

In the Eastern and Western Cape Provinces the buildings and the infrastructure are very good but crime is still a major problem.

One leaves Africa hoping that some time in the future that it will be a stable, successful continent.

While I was away there was a meeting addressed by Carol, a past exchange student. This meeting was enjoyed by all. I would like to thank Norm, Sue and Di for organising it.

In the first half of the meeting on 12 February we will be addressed by the DG. I anticipate she will discuss the amalgamation of the two Sydney districts and the District Conference. In the second half of the meeting the speaker will be Anthony Haworth, the CEO of Captain Cook Cruises.

On the 25 March, a Monday, we will have a debate with Lindfield Club at Lindfield. Any one interested in taking part should contact Norm.

Unfortunately due to Roseville Public School being a voting centre for the State Elections on 23 March we will have to move both the wine tasting and the golf. At the moment both will be two weeks later. We are still looking for sponsors for the golf day.

At the meeting on 26 February (not this meeting on 12 February) we will be voting on the revised bylaws. If you have any question ask Ross as soon as possible as he is going away In the near future.

We will view the video on the possible merger of the two districts. We need to vote on whether consideration of the merger should continue.

LAST MEETING - 22 JANUARY 2019

Our Rotary year started off with a bang with our first meeting on Tuesday the 22nd January when Caroline Viotto, our 2014 exchange student from Brazil, re visited our Club and gave a lively and most interesting talk on some of the highlights of her year in Australia and what has been happening in her life during the subsequent 4 years, including her studies in medicine. She has completed 3 years and is now "half a doctor" with another 3 years to go. Caroline had obviously gone to a lot of trouble to digitally assemble a large number of photos which added interest to her talk. Ian Robertson was kept busy with the computer to show the photos.

It was great to see many of Caroline's groupies in attendance apart from our members including the Brookes, the Andersons, the Wilmotts and Jenny Hiram. It was an Ozzie theme night with most of the attendees dressing appropriately. Paul Hogan would have been proud of us.

Sue Ward organised a BBQ dinner which was most appropriate. Thanks to her and Di Wilkinson both of whom went to a lot of trouble to bring flags, Anzac biscuits, Tim Tams and even gum tree branches to decorate the room and tables. Perhaps the rendition of Waltzing Matilda could have been improved but we were fair dinkum and gave it a go. Our club will never be invited to sing at the Opera House. Not even the Birdsville Hotel. As a follow up many of our members, both past and present, entertained Caroline during her 3 month visit to Australia and in doing so enjoyed themselves as much as she did. An amazing young lady.

Hurry back Caroline.

NEXT MEETING - 26 FEBRUARY 2019

Guest Speaker is Peter Tonkin,

Dr Peter Tonkin has a strong design and urban design reputation, and a wide range of experience from simple to complex buildings and site planning. Award winning projects have included the Eternity Playhouse, the National Arboretum Canberra, Glebe Town Hall Adaptive Reuse, the redevelopment of the Hyde Park Barracks Museum, the Australian War Memorial London, and Victoria Square and Riverbank Bridge in Adelaide. Peter is currently working on the upgrade of the Bondi Pavilion and the nationally-significant Walsh Bay Arts Precinct for Create NSW.

Peter has maintained an independent practice since 1981 and in 1987 he joined Brian Zulaikha to form Tonkin Zulaikha Greer Architects. He has presented papers and lectures at many conferences and universities in Australia and overseas. He is currently Adjunct Professor of Architecture at the University of Canberra, and a former Trustee of the Historic Houses Trust of NSW.

Our Australian Night with Carol. I have received so many photos from people entertaining Carol its impossible to include them all. But many thanks for sending them to me.

PROPOSED BYLAW CHANGES.

To be considered at the Meeting on 26 February 2019.

Explanatory Notes

A review of our bylaws was instigated by President Richard Green with the intention of making the composition and functioning of the Board more flexible, less prescriptive, and allowing the President more freedom in determining the functions of different portfolios.

A number of changes to the bylaws, to achieve Richard's objectives, have been proposed.

The review concentrated on the following bylaws with proposed changes summarised below;

- *Part 2; Bylaw 2 - Board of Director. Composition and Membership of Board and the election of Officers and Directors.*

Setting the maximum and minimum number of Directors on the Board, and the determination of Director responsibilities.

- *Part 3; Bylaw 3 - Officers and Directors of Board.*

Some quite significant changes to Section 6 are proposed, including appointments by the President or Board, of one or more of Vice Presidents (but no more than two); specifying that a President-Elect shall also be a Vice-President; the Board and President's authority to manage these appointments and what happens and how matters are dealt with in the absence of a President-Elect.

- *Part 3; Bylaw 4 - President-Elect and Vice-Presidents;*

Clarifying the role and duty of a President-Elect.

- *Part 5; Bylaw 7 - Meetings of Club Members.*

To reflect the current twice monthly meeting cycle. and specify when the AGM is held.

- *Part 8; Bylaw 13 - Committees - Standing and Special Committees.*

Simplifying and making the responsibilities of Committees less descriptive and prescriptive.

NOTE: The full text of the changes proposed to the various bylaws will be separately distributed to all members with the Dinner Notice.

ROSEVILLE CHASE ROTARY FUND RAISING ACTIVITIES APRIL AND MAY 2019

MESSAGE FROM FUND RAISING COMMITTEE

We have two very important fundraising events coming up:-

NB. Date changed from 23 March which is the State Election day
2. **A Golf Day Mid May at Roseville Golf Club.**
NB. Previously advised date of 15 May not confirmed

Our ability to successfully meet our fundraising targets for 2018-2019 will largely depend on the success of these events.

Could you please actively support these initiatives and:-

- put the Wine and Cheese Tasting dates in your calendars straight away;
- ask your friends, family or other contacts to come to the Wine and Cheese Tasting;
- let me or Greg have confirmation asap that you are able to come to the Wine and Cheese Tasting and email contact details for any guests that will or may be coming so that we can include them in a mailing list for the event; and
- let me, Cliff or Richard have any contacts that you might have who would or might be prepared to sponsor the Golf Day or a hole or provide prizes.

RESIGNATION - GREG BELL

The following email has been received from Greg Bell on 23 January 2019;

I am sorry to say I am resigning from Roseville Chase Rotary Club.

It is evident that I have not been attending or contributing to the activities of the club in recent months.

I can't see his changing in the future.

I have really enjoyed the club, it's great members and the tasks we accomplished.

I wish you well in the future and that the club stays strong in whatever direction the club goes.

Wishing you all well for the New Year and many thanks for the comradery.

Cheers and Best Wishes

Greg Bell

The members and partners, both present and past, thank Greg and Michele for their contribution to the club whilst members and wish them both the best for the future. We hope to see them both, as guests, at future meetings and events.

NATIONAL YOUTH SCIENCE FORUM (NYSF)

Maddie Carmody from the Roseville Senior College, who we sponsored to attend the National Youth Science Forum in Canberra in January, has written expressing her appreciation and gratitude to the Club for the opportunity which she found extremely beneficial for learning and meeting many other youth with similar interests in science.

Maddie has offered to come to a meeting and speak about her time at the NYSF.

POSSIBLE COMBINED SYDNEY DISTRICT

The following communication has been received from DG Susan Wakefield OAM.

New District 9675/9685

At District 9685's December Presidents Meeting the following videos were shown to all in attendance.

https://youtu.be/dW1_5jPhNKU

<https://youtu.be/MiXR2pqEdmU>

The Power point Video has been created by the Steering Committee made up of Rotarians from both Sydney Districts and covers the topic of our two districts joining together to create one larger Sydney District.

Please be aware that at this time, we are not in danger of being forced to merge/redistrict. The magic number from Rotary International is District membership below 1,000. This is an opportunity for the two Sydney Districts to have a discussion.

At the Presidents Meeting I asked all present to please arrange for this to be shown at a regular club meeting . Once the presentation has been shown and your club has discussed the Pros and Cons of such a move, we ask that you conduct a vote within the club to be forwarded to District at a date to be announced.

The vote will be:

Yes to continue the discussion

or

No, not to continue the discussions at this time.

If after showing the presentation your members have questions you are not comfortable to answer please contact me and I will arrange for either an Assistant Governor, a member of the Steering Committee or the G-Train to assist you. Please consider this presentation carefully.

Thanks,

Susan Wakefield OAM

Note; President Richard has scheduled showing the above videos and a discussion of the proposal for our meeting to be held on 26 February 2019.

ROSEVILLE CHASE CONNECTION WITH INTERNATIONAL TENNIS

Having saturated ourselves with tennis during the Australian Open in January, I thought the historical connection of Roseville Chase with international tennis may be of interest.

Victor A Edwards Tennis School (VAETS)

From the late 50's ... during the 60's and right through the 70's was the largest and finest tennis school in the southern hemisphere with over 4,500 students instructed every week.

Headquarters were located at 80 Duntroon Avenue, in the leafy suburb of Roseville Chase, Sydney.

Prior to this period and having already inherited the business from his father, Vic Edwards changed the name, and relocating from Perth, Western Australia, where his father had moved the family from England in 1920 where he was the tennis professional at the *All England Lawn Tennis & Croquet Club (Wimbledon)* at Worple Road prior to its current location,

Vic set about establishing something very special in Australia's biggest city.

VAETS produced some of Australia's great players during these golden years, Jan Lehane, Fred Stolle, John Newcombe, Martin Mulligan, Bob Hewitt, Kim Warwick, Mark Edmondson, but none better than Evonne Goolagong with many others achieving on the world stage including Brad Drewett, Jamie Fletcher, Peggy Michael.

Vic Edwards had an enormous influence on Australia's tennis development guiding Fed Cup team victories during the 70's, looking after the junior *Davis and Fed Cup* teams, conducting clinics throughout regional areas and setting up professional coaching in Western Australia and Tasmania.

He was the founder and patron of the *NSW Tennis Professional Association (the forerunner of today's Tennis Coaches Australia)*. Singularly responsible for professionalism and integrity in the coaching fraternity that is such an enormous business in the world today.

Vic passed away in Sydney in November 1984 after a battle with cancer.

The Heritage listed residence of Vic Edwards, and headquarters of VAETS, at 80 Duntroon Avenue, Roseville Chase behind which were the VAETS tennis courts. The courts have now been replaced by 6 double storey town houses.

A mass demonstration of the forehand drive at the Roseville VAETS tennis school in 1963. How tennis attire and outfits have changed!!!

CLEAN UP AUSTRALIA DAY, SUNDAY MARCH 3

Our Rotary Club has registered again to take part in Clean Up Australia Day (CUAD).

The date for your calendar is SUNDAY MARCH 3. All volunteers are welcome! Volunteers please advise me early – so that we can plan our attack.

Our plan will be to have a few hours (as needed) on the Sunday morning. (time to be arranged – but probably

08:00 start or maybe 09:00 given it is a Sunday)

Our designated site is the Echo Point Park, Roseville Chase. (We usually also cover the area down Babbage Road and under Roseville Bridge).

The local scouts will be joining us. The scouts are considering launching some canoes to help access the waterways, foreshores etc.

We also have a Church group with LOTS of members also registering to join us. Potentially the extra (church group) hands will be far more than we need (depending on RCRC response) – so I am asking for suggestions of nearby sites that we can get them to address.

The sites need to be in the nearby area so that we have a joint, co-ordinated approach. The proposed site(s) also need to have some litter/rubbish pollution so that the volunteers have some worthwhile work to reward their efforts. Nothing more un-rewarding than to spend time on CUAD at a location that is pristine and requires no clean-up!!!

LET ME KNOW ASAP IF YOU WILL BE JOINING US – AND – ANY OTHER SITES IN THE NEARBY (CLOSE) AREA THAT ARE BEGGING TO BE LOVED !!

Bobbin Head Cycle classic (Bobbo) Sunday 24 March 2019

**The 8th Bobbo is being organised by
the Rotary Clubs of St Ives,
Ku-ring-gai, Turramurra and
Wahroonga.**

It is the premier cycling event in Sydney.

Some key statistics from the 2018 event.

- 2,500 cyclists participated and raised \$200,000 of which 50% was donated to our charity partner, Lifeline.
- The other 50 % was donated to the charities supported by the Rotary clubs organising the event. These charities are: Cromehurst Foundation, Eagle RAPS, The Hornsby Women's Shelter, Bo Hospital, PLC Shore Sony Foundation, Hornsby Connect and KYDS.
- Over 500 volunteers were involved to ensure the safety of the cyclists.

There are 4 ride distances being 27km, 57km, 80km and 104km. The cost to participate varies with each ride.

Please see the website for full details: [**www.bobbo.com.au**](http://www.bobbo.com.au)

The committee is looking for additional cyclists especially more younger riders and more female riders.

We would appreciate if members will ask their friends to ride in the event or to volunteer as marshals.

Hello Presidents

As many of you may know I have been working with a wonderful group of Rotarians and non-Rotarians to set up a dementia café in the Upper North Shore and I am really delighted to let you know that we have funding for our D-Caf (dementia café) programme in 2019.

It will be starting 10.00am until 12.00pm, Thursday, 14 February 2019 to be held at PCYC Waitara. Attached please find our flyer about the programme.

Our official opening will be the second week of our programme, Thursday, 21 February 2019, and we would love you to join us if you are available. Our aim is to open more dementia cafes in 2019 which will hopefully be in your communities.

Would you please share this flyer with your members and anyone who you think may be interested in joining us as we still have a few vacancies.

I am really pleased that many of those who attended the six week pilot programme in November/December will be continuing this year which indicates to me that they must have enjoyed our programme. In fact the only complaint I received was on the last week that they wanted it to continue as they were just getting into the 'swing of things'. This is a complaint I'm happy to receive and rectify!!

As I may have mentioned to you, this programme is free-of-charge to the carers and people living with dementia thanks to the very generous support of local Rotary and Lions clubs, PCYC and others.

The only cost to carers and people living with dementia will be an annual PCYC membership charge (\$20 per person per annum); also should they wish to participate in PCYC's optional extra activities, such as, yoga and pickle ball sessions there will be a small payment to be made directly to PCYC.

ABOUT ROTARY

Paul Harris

The world's first service club, the Rotary Club of Chicago, Illinois, USA, was formed on 23 February 1905 by Paul Harris.

Rotary is a worldwide organisation of business and professional leaders that provides humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world. More than 1.2 million Rotarians belong to over 34,100 Clubs in 210 countries and geographical areas. Rotary Club membership represents a cross-section of the community's business and professional men and women. The world's Rotary Clubs meet regularly and are non-political, non-religious, and open to all cultures, races, and creeds.

The Rotary motto is ***Service Above Self.***

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service;
- SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ADVANCE AUSTRALIA FAIR

Australians all, let us rejoice,
For we are young and free,
We've golden soil and wealth for toil
Our home is girt by sea;
Our land abounds in nature's gifts
Of beauty rich and rare;
In history's page, let every stage
Advance Australia Fair.
In joyful strains then let us sing
Advance Australia Fair.

ROTARY THANKS

For the community, friendship, and
the opportunity to serve through Rotary,
we give thanks.

THE FOUR-WAY TEST

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
