PRESIDENT'S REPORT

Following our recent trips to Adelaide and Armidale we saw first hand the drought effected areas of the New South Wales country.

In the Hunter Valley farmers have their cattle feeding along the side of the roads as paddocks are bare of feed as the worst drought in 50 years takes effect. It reminds me when in my first year in Roseville Chase Rotary, the Late Geoff Young organised 3 semi-trailers of equipment and costumes to take the Glynn Ianno troupe of singers to Merriwa to give the Farmers some light entertainment. A memorable weekend for locals and our members.

The question now asked, 'what have the city clubs done for the drought affected bush?' Answer is nothing.

I suggested to the Assistant District Governor Rob Byrne following the bush fires in Tathra that the District should organise a collection of goods of all kinds from Ku-ring-gai residents and transport them to Tathra/Bega Rotary clubs for distribution to affected bush fire victims. What was done? Nothing.

There has been a site established for the Australian Farming Charity for Farmers' Families in hardship <https://aussiehelpers.org.au/> that one can contribute. We give so much to overseas by way of the Foundation, perhaps you can spare a few dollars to our own farmers.

Bunnings BBQ on the weekend

We were very fortunate on the Saturday 2 to 5 shift to have Jim Baillie a friend of Peter Lewis' to come and act as cashier, this took our number up to 4 for the shift. Jim has a problem with standing and uses 2 walking sticks to be mobile. Many thanks goes to Jim. It was also great to see Malcolm Pilcher do 2 shifts on Saturday. Thanks Mal.

The days takings were sales \$1258.65 Donations \$96.20

Our next BBQ is not until 16th September at Belrose, let see if we can do better with our own members.

LAST MEETING 22 MAY 2018 - GUESTS SPEAKER - STUART FRITH

Never let a good story get in the way of facts - thats how Stuart Frith addressed the matter of energy production in the future at our last meeting.

Stuart provided us with heaps of facts about coal, thermal, hydro, solar, wind and nuclear as a source of future energy generation, many of these favoured sources to become quite expensive in the future.

But it seems governments are not prepared to face the realities of our future energy production means, and tend to bend , sometimes almost irresponsibly, to the agendas of the more appealing public perceptions rather than the realities.

Thanks Stuart for the enlightening and thoughtfull address.

Paddy was driving down the street in a sweat because he had an important meeting and couldn't find a parking place.

Looking up to heaven he said, 'Lord take pity on me. If you find me a parking place I will go to Mass every Sunday for the rest of me life and give up me Irish Whiskey!'

Miraculously, a parking place appeared.

Paddy looked up again and said, 'Never mind, I found one.'

ANNUAL CENTURION GIVING

Rotary International DISTRICT 9685 CENTURION MEMBERSHIP

ROTARY FOUNDATION – ANNUAL CENTURION GIVING

Many thanks to those members who have forwarded payments to me or paid directly.

As at 6 May, 8 members have donated and a further 4 will be sending me the donation by the time of tonight's meeting. In addition we have also sent a Centurion donation from Jim Baillie (a friend of Peter Lewis) for a total \$1300.

The good news is that on the above promises we will reach last year's total. I feel sure that many of our members who have not committed would be happy to do so. Please think of the important work that our Foundation does with approx. 92% of donated funds being actually expended in the programs that benefit those who need our support. The only other expenses are administration and promotion fees covered by the other 8%. You will receive a tax deductible receipt. What a good deal is that!

It is important that the donation be paid by the meeting of 15 June to ensure that each member and the Club is credited before the end of the 2017-2018 Rotary year.

At this stage please pay the amount to me and I will send a Group Donation list. Cheques should be made out to the Australian Rotary Foundation Trust

MUNA 2018

FOLLOWING IS A REPORT ON MUNA 2018 FROM THE MUNA CHAIR.

Our Club had three (3) teams participating. Two teams from SHORE and one (1) team from CHATSWOOD HIGH SCHOOL.

“MUNA 2018 was a huge success. It had a record number of 44 teams register from 29 private and public schools and a record number of 27 sponsoring Rotary Clubs who sponsored 38 teams. The 126 students who participated were outstanding and one of the MUNA theme's of the weekend of “ Building Future Leaders “ was emphatically displayed. Their behaviour, attitude, debating skills and spontaneous gratitude and thanks were outstanding and quite moving.

The Parade of Nations on Sunday morning was a highlight with the Best Dressed Award going to Mackellar Girls representing Venezuela.

Third overall was Shore, second was Ascham and the winning team was PLC Pymble. PLC will proceed to Canberra in August to contest National MUNA.

Our distinguished Secretary General was David Ellyard with the two adjudicators being Rob Mitchell and Monica Saville.

Epping Boys High School deserve huge praise. They provided an outstanding venue free of charge and through their hospitality centre catered for over 150 students, staff and volunteers for the 2 days.. Special thanks to Nadine Koff who was magnificent with the catering.

EBHS represented Canada and Kenya, and I was fortunate enough to be invited to a school assembly to present awards to the 6 students who represented their school so well and so proudly. Thanks to teacher, Michael De La Penna, who attended the whole weekend. He was a great help and also arranged students from EBHS to be volunteers.

We had over 40 volunteers for the weekend from Balgowlah Rotary, St. Ives Rotary, Glen Haven Rotary and especially Epping Rotary Club where over 25 members and family helped.

Volunteers were also from EBHS and Macquarie Rotaract.

Rotary District Photographer, Bill Forsythe was there both days including 6 hours on the Saturday. A lasting image of the weekend will be of Bill climbing up a

ladder on the roof to get shots of all 126 students following the Parade of Nations.

We were fortunate to have our Federal MP, John Alexander, and State MP, Damien Tudehope, open the event on Saturday morning. Damien was gracious enough to return on Sunday and be one of the judges for the Best Dressed Award, as were Damien Azzopardi and Carla Rank from Rotaract. This clearly illustrated the second theme of the weekend which was “ Building Partnerships”.

I'd like to thank the MUNA Committee who worked tirelessly for over 6 months to make MUNA 2018 the great success that it was. Gavin Ralston, Nick Pride, Phil Wishart, Janet Stacey, Peter Garrard, Alan Cunningham and Deretta Andrews were outstanding. However special mention must be made of Toula Serna who was amazing. Without Toula, this event would not have been the success that it was. Thanks Toula.

It's been a privilege to have worked with such great supporters of Youth and to witness the talents and quality of our future leaders.

Please take time to view the photos on www.muna.com.au

DISTRIBUTION OF LEAFLETS

Mike Harrowell will be at the meeting tonight, with a quantity of Fun Run leaflets for members. He has asked for all members, and friends, who will be able to undertake letterbox distribution of leaflets and to provide him with a Google map showing the area they will be covering.

Its now time to become more active in the promotion of the Fun Run with the Schools and other public outlets.

Businesses are very willing to assist with event promotion. I have had a quantity of the leaflets available on the counters of the Willoughby Gym and Rebel in Chatswood - they are quite willing to promote the Fun Run by having leaflets available to customers, if you ask.

Our meeting on 24 July will be committed to Mike for his presentation of the arrangements, members, partners and friends duties and other matters, for the following Sunday Fun Run.

Mike will also need to know who is available for specific duties and functions on the Sunday, and to set up on Saturday afternoon,so please advise him ASAP if you will not be available.

DONATELIFE WEEK; 29 JULY - 5 AUGUST 2018

In the last issue of the Bulletin, I provided a very interesting story, from the May 2018 issue of Rotary Down Under (pages 32 & 33) of a kidney organ donation to the grandson of Maurie and De Stack, from Taree. As mentioned in that article, Maurie, a lawyer by profession, is a colleague of Neil Howie (and maybe the other lawyers in our Club) and I also knew Maurie as he was a Councillor on the Greater Taree Council, when I was Town Clerk at that Council in the mid 1980's.

Neil Howie has now made contact with a person associated with the Donatelif e Week Campaign, exploring the opportunity for a guest speaker for our meeting, hopefull before the DonateLife week, and also exploring other ways our Club can encourage people to join the Australian Organ Donor Register.

Its unfortunate that DonateLife week falls outside the period of our normal meetings, so it may require some meeting adjustments if necessary to accommodate a guest speaker later in August.

CAN SOMEONE HACK INTO NORMS'S DIARY PLEASE.

Some of Norm's Rotary friends received this letter. Someone needs to hack into his diary, so he doesn't forget future meeting dates, and more importantly, so those to whom he wrote may still enjoy his offer!!!

There I was driving from the city to the Roseville Chase Golf Club on a Tuesday night in heavy rain and thinking of you, my fellow Rotarians, who over the years have shouted me many glasses of red wine at our club meetings.

I decided that tonight is the night I will reciprocate your generosity. I mentally imagined that I would buy a good bottle of red wine, ask Shane for several glasses and give each of you a full glass as you arrived. If one bottle was not enough I would buy a second one. After all you are my friends and have been such for a long period of time.

As I drove onto Eastern Valley Way there was a smile on my face as I imagined the comradery my actions would engender. Perhaps we would all sit on the one table and savour our friendships – and the red wine.

The smile was still there as I turned into Links Avenue.

But the gates to the golf club were locked!!! Probably a mechanical problem. It was raining heavily but no difficulty. I would park in Links Ave and walk to the clubhouse protecting myself with the umbrella I keep in the boot of the car for such eventualities.

But then I noticed that there were no lights on in the clubhouse. A power blackout? No problems. Stuart Frith will quickly fix the problem. Then I would buy the bottle of red wine and wait for you to arrive. But there was no action at all. None!! Zilch!!

Then it dawned on me. It was the 5th June i.e. the first Tuesday of the month. Not the second. Not the fourth. No meeting.

So I did a U turn, drove home, opened a bottle of red wine, watched TV and thought of you.

Maybe some time in the future? Maybe? Perhaps? Could be?

Your mate

Norm

LATE NOTICE - CHATSWOOD ROTARY MEETING Wednesday 13 June 2018

Advice via Ted Anderson

Tony Basten, our program organiser, advises that we have a Dr Jo Luis, who is an orthopedic surgeon from the Congo, coming to speak to us at our meeting on Wednesday 13th June. He has asked me to extend to Roseville Chase Club's members an invitation for anyone to attend our meeting if they would like to hear this interesting speaker.

Would you kindly pass on this invitation through your normal channels. The meeting timing is as usual, 6.00 for 6..30, concluding at 8.00pm.

There is no indication of any RSVP date or contact, so if any member is interested in attending you should contact Ted.

IRISH EYES ARE SMILING

Paddy staggered home very late after another evening with his drinking buddy, Mick. He took off his shoes to avoid waking his wife, Kathleen.

He tiptoed as quietly as he could toward the stairs leading to their upstairs bedroom, but misjudged the bottom step. As he caught himself by grabbing the banister, his body swung around and he landed heavily on his rump. A whiskey bottle in each back pocket broke and made the landing especially painful.

Managing not to yell, Paddy sprung up, pulled down his pants, and looked in the hall mirror to see that his butt cheeks were cut and bleeding. He managed to quietly find a full box of Band-Aids and began putting a Band-Aid as best he could on each place he saw blood.

He then hid the now almost empty Band-Aid box and shuffled and stumbled his way to bed..

In the morning, Paddy woke up with searing pain in both his head and butt and Kathleen staring at him from across the room.

She said, 'You were drunk again last night weren't you?'

Paddy said, 'Why you say such a mean thing?'

'Well,' Kathleen said, 'it could be the open front door, it could be the broken glass at the bottom of the stairs, it could be the drops of blood trailing through the house, it could be your bloodshot eyes, but mostly , it's all those Band-Aids stuck on the hall mirror.'

An Irish priest was driving down to New York and got stopped for speeding in Connecticut . The state trooper smelt alcohol on the priest's breath and then sees an empty wine bottle on the floor of the car.

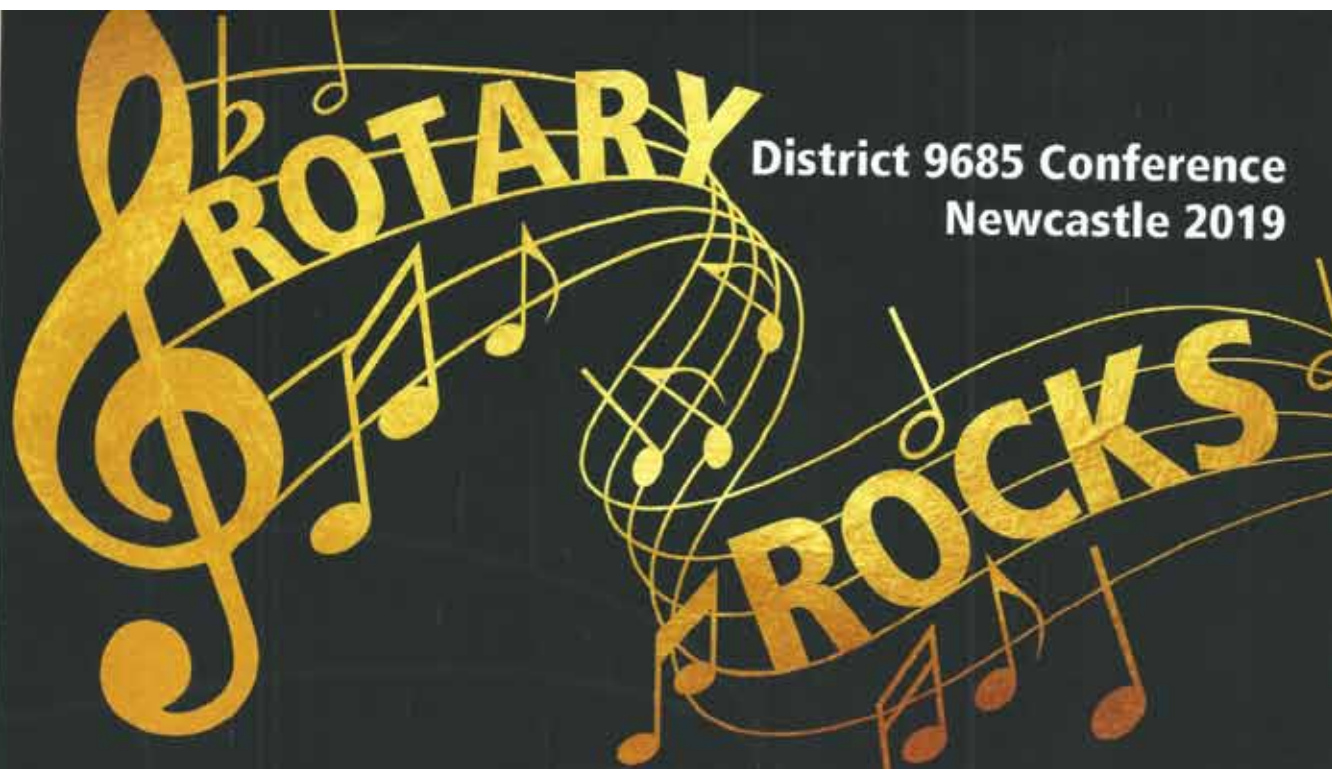

The Trooper says, 'Sir, have you been drinking?'

'Just water,' says the Priest.

The Trooper says, 'Then why do I smell wine?'

The Priest looks at the bottle and says, 'Good Lord! He's done it again!'

ABOUT ROTARY

Paul Harris

The world's first service club, the Rotary Club of Chicago, Illinois, USA, was formed on 23 February 1905 by Paul Harris.

Rotary is a worldwide organisation of business and professional leaders that provides humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world. More than 1.2 million Rotarians belong to over 34,100 Clubs in 210 countries and geographical areas. Rotary Club membership represents a cross-section of the community's business and professional men and women. The world's Rotary Clubs meet regularly and are non-political, non-religious, and open to all cultures, races, and creeds.

The Rotary motto is ***Service Above Self.***

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service;
- SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ADVANCE AUSTRALIA FAIR

Australians all, let us rejoice,
For we are young and free,
We've golden soil and wealth for toil
Our home is girt by sea;
Our land abounds in nature's gifts
Of beauty rich and rare;
In history's page, let every stage
Advance Australia Fair.
In joyful strains then let us sing
Advance Australia Fair.

ROTARY THANKS

For the community, friendship
and the opportunity to serve
through Rotary, we give thanks.

THE FOUR-WAY TEST

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
