Bulletin Volume; 28 Issue No 6 12 September 2017

MEETING on 12 SEPTEMBER 2017 (6.00 pm for 6.30 pm)

Glenn Scott, HASSELL Studio Sydney

Glenn Scott, a Director of Hassell Studio Sydney, is an internationally recognised specialist in large-scale, public assembly design and planning, with a focus on sport and entertainment venues.

Prior to joining HASSELL in 2010, he worked on many high-profile sports projects around the world including:

- *IOC award-winning Beijing 2008 Olympic Tennis Centre
- *AIA award-winning Redfern Park and Oval in Sydney
- *Venice Football Stadium in Italy
- *AIA award-winning Sydney Olympic Park Tennis Centre
- *Master planning of the Giza Pyramids, UNESCO World Heritage site in Egypt
- *Royal Randwick Racecourse in Sydney
- *UNSW Sports Park (David Philips Field)

As Principal-in-Charge of the Transformation of Darling Harbour in Sydney, Glenn lead the redevelopment of convention, exhibition, and entertainment facilities.

Together, these projects represent the most exciting renewal in the history of this major waterfront precinct.

Some information concerning the International Convention Centre is shown on the following page.

International Convention Centre Sydney

Joint venture partners HASSELL + Populous have delivered the architectural design for Sydney's new integrated convention, exhibition and entertainment precinct at Darling Harbour as design consultants to the Darling Harbour Live consortium (comprising Lend Lease, Capella Capital, AEG Ogden and Spotless).

The consortium was selected by the New South Wales Government as the preferred developer of the A\$1 billion facility.

HASSELL also designed the extensive public realm, pedestrian parkland and plaza environs around these new facilities.

The project involved the transformation of this key Sydney precinct through the design of three major public buildings and the unifying public realm, including:

- *A convention facility with capacity for three concurrent events of up to 2,500 delegates
- *Exhibition space of 40,000 sqm
- *A 5,000 sqm external event deck with spectacular city views
- *A plenary hall which can be converted to an entertainment theatre seating 8,000
- *A grand ballroom with banqueting space for 2,000
- *Upgrade and improvements to the public parklands and open space

The remaking of Darling Harbour was a rare opportunity to design a significant new quarter within the central city. It extends the urban fabric and reconnects the city and surrounds with more permeable networks of streets and lanes, bringing a new level of public amenity for visitors and citizens alike through extended public parkland that is identifiably 'Sydney' in character.

PRESIDENT PETER'S REPORT

We had a most interesting speaker in Vanessa Weedon, Head of Projects at the Australian Marine Museum. The Museum is an unique institution recording and keeping Australian Naval History

Along with a large contingent of professional staff the museum has about 1300 volunteers who are talented people that work to conserve, restore and maintain the museum's collections.

Mike Harrowell presented a final report on the fun run with a few suggestions for next year. One suggestion is that we seek more sponsors from the corporate world.

Many thanks must go to Mike for his wonderful effort in the organizing of the run to make it the success it was.

I'll be away for the next month and Richard Green will stand in as Acting President.

President Peter.

2017 FUN RUN FEEDBACK

Some feedback from Mike Harrowell concerning the 2017 Fun Run, and a summary of Key Statistics was shared with all members at the meeting.

Points to note;

- Surplus for 2017 was \$4,830.82, compared to \$6,828.91 for 2016
- The Fun Run Committee needs to start planning for the 2018 event (Sunday 29 July) much earlier and by the end of 2017
- The Fun Run should remain on the last Sunday of July (2 weeks before the City to Surf)
- Repace the BBQ with croissants (effort v atmosphere)
- Introduce and promote a Schools competition - Prize for the most entries (e.g. 5klm for High Schools, 2klm for Primary Schools)
- Advertise event in runners magazines (online versions), and North Shore Times
- Seek more sponsors (shoe retailers, gyms, and charge more for logo displays)
- Use Real Estate Agents to distribute fliers more broadly
- Make event more fund raising activity rather than Family Fun Day

APOLOGIES AND GUESTS

Need to apologise, or bringing a guest ? Please advise Attendance Officer, **Avis Manoukian**, on **0418 411 404** or email **avis@amcomms.com.au** **before 11.00am Friday before the meeting.** Club policy is that you must pay for your meal if you are absent without an apology by the deadline. **If you or your guests have any special dietary requirements, please also advise Avis.**

BIRTHDAYS - SEPTEMBER 2017

NO MEMBERS BIRTHDAYS IN SEPTEMBER

NEXT MEETING - 26 SEPTEMBER 2017

PP Ian Robertson - Member and Technology Talk

PP Ian Robertson will address us on his IT career, and provide some interesting insight into the current developments in communications, technologies and other innovative electronics and the application of these new sophisticated electronics including into security systems.

Ian will have returned from an overseas conference shortly before this so will have some very current information and facts about these matters

SERGEANT SESSION

Be warned, this year we have a Sergeant-at-Arms, Ian Garrard, and two Corporals, Allan Farrar and Sue Ward.

So be aware you may be “spied” upon or caught out for misdemeanours by any one of these slueths, before, during or between meetings.

FUND RAISING IDEAS BEING SOUGHT

**The FUND RAISING Committee is seeking
IDEAS from members.
Try thinking outside the square.**

Neil Howie and his Committee are still open to all ideas about fund raising.

If you think there is a potential fund raising opportunity or event which the Club could be involved with, let Neil know, and he and his Committee will further explore it to see if it's something suitable for us to undertake.

All suggestions will be greatly appreciated by Neil and his Committee.

LAST MEETING - 22 AUGUST 2017

AUSTRALIAN NATIONAL MARITIME MUSEUM Vanessa Weedon - Head of Projects

What a night for maritime enthusiasts! The club was extremely fortunate to have as its guest Vanessa Weedon the Head of projects at the ANMM who gave a terrific presentation on the museum, its expansion plans and the bringing together of the heritage fleet and the museum to have a greatly enhanced floating exhibition following the completion of two new wharfs.

The museum is the home to some 14000 nautical artifacts all related to the maritime history of our country – the value of which is priceless. Vanessa's role is the management of the new facilities plus the planning and execution of any programme carried out by the museum. It has been a long time since any guest speaker has fielded as many questions from our members as Vanessa did, emphasising the interest of the members in her presentation.

This is a great place to take the grandchildren during school holidays and a full day can easily be utilised and remember there are great discounts in the entertainment Book in regard to entrance to the ANMM.

Stuart Frith.

ROSEVILLE PUBLIC SCHOOL FATHERS DAY BBQ Letter of Appreciation from School P&C

Hi Stuart and John

It was such a pleasure to work with you guys this am on the RPS BBQ. On behalf of RPS we wanted to say a huge thank you to you and your amazing team for all of the efforts!.

You managed to cook and serve about 20kg of bacon, 200 sausages and about 430 eggs!! - all within 1.5 hours! Not to mention all those bread rolls....

The year 2 mums at RPS are very grateful and we definitely wouldn't have been able to do it without you. Thank you so much again Rotary and I hope to see you around again soon (probably at another event!)

Kind regards

Kim Darke and Jenny Mitchell (on behalf of RPS P&C).

ANNOUNCEMENTS AND NOTIFICATIONS

SUNDAY 29 OCTOBER 2017

Peter Lewis has registered as a contact for Graffiti Removal Day, 2017

Vandalism costs New South Wales over \$100 million per year.

The aim of Graffiti Removal Day is to highlight the problem of graffiti and encourage people to volunteer their time to remove and prevent graffiti. Graffiti Removal Day will take place on **Sunday 29 October 2017**.

**KU-RING-GAI ART CENTRE -
SAUSAGE SIZZLE**

Sunday 22nd October between 11am and 2pm. They predict about 200 to 300 children and parents will attend the unveiling.

Volunteers required.

Early notice, but the Club has been offered the following BBQ's at Bunnings;

Sunday 1 October - Belrose (Long weekend)

Sunday 8 October - Chatswood.

Saturday 2 December - Chatswood

Saturday 16 December - Belrose

PLEASE DIARISE THE DATES NOW - and advise Grant Campbell of any shifts you can do on any BBQ.

No response/outcome as yet on the request for an increase in the selling price of the sausage sandwich or drinks.

SOME SATISFACTION FOR PRESIDENT PETER

Transport
for NSW

Our Ref: 00361964

Mr Peter McKeown
petermckeown8@bigpond.com

Dear Mr McKeown

Thank you for your correspondence to the Premier, which was referred to the Minister for Roads, Maritime and Freight, about road works at the intersection of the Pacific Highway and Boundary Road, Roseville. I have been asked to respond to you.

I note your concerns and asked Roads and Maritime Services to look into these matters.

As you may be aware, upgrades at the intersection of the Pacific Highway and Boundary Road began in June 2015 and were expected to continue for about two years. Unfortunately, severe weather events and the need to move a number of utilities delayed delivery of this project. Roads and Maritime Services' contractor, DM Roads, expects to complete the works in September 2017.

Roads and Maritime and DM Roads acknowledge the impact this extended period of works has had on residents. DM Roads strives to balance the community's need for road access, uninterrupted sleep and continuous utility services, with the need to deliver improvements to this critical section of the road network as quickly as possible.

I hope this has been of assistance.

Yours sincerely

Terry McSweeney
Principal Manager, Ministerial & Government Services
Customer Relations & Government Services

PRESENTATION - SENSORY GARDEN

PE Richard Green has received the following email from Fresh Tracks concerning the Sensory Garden and also the up coming presentation of the Hoist at HART.

*“There is a presentation on **Friday 29th of September (arriving at 1:45pm for 2pm start) at HART.** This is an informal presentation by Hon Ray Williams, Minister Disability Services to thank Lindfield Rotary for their donation of a portable hoist. I have invited a number of other local Rotary clubs (Lindfield, Chatswood and Ku-ring-gai) to come along as it is a good opportunity to see how Fresh Tracks is helping people with a brain injury recover.*

Please find attached the Garden brief and also a brief overview of Fresh Tracks activities including the cycling centers.

*I hope you or some of your members will be able to make it.
The address is just opposite the St Ives Showground 451 Mona Vale Rd, St. Ives 2075”*

END TRACHOMA BY 2020 PROJECT

Last meeting Ted Anderson , who has volunteered as the District Trachoma Champion, provided an update on the “End Trachoma by 2020” project.

Rotary International President for 2017/18 - Ian Riseley, from RC Sandringham Victoria, is promoting this as a centenary project.

Trachoma is the leading cause of infectious blindness in the world.

- Australia is the last developed country to still have trachoma.
- Australia’s coordinated effort in treatment began in 2009, resulting in significant rate reductions from 21% to 4.6% in 2015.
- Without prevention however, trachoma will continue to persist.

The disease spreads by hands, clothing, shared towels, bedding, and from flies which have contacted runny eyes or noses.

Ted advised HOWEVER that the there does not appear to be much meaningful progress being made so far with projects. Ted, who shared a few thoughts about projects and some research he has undertaken, believes that Clubs need to do or make some physical contribution to the project, no simply make a financial contribution.

GRAFFITI REMOVAL WORK

Wednesday 30 August, Peter Lefmann and Peter Lewis had another successful session of graffiti removal. They started with an initial list of 4 sites but added 5 other sites as they toured the Roseville area with the trailer.

The sites included
the bike shed on Hill St, Roseville,
the Lord St car park, Roseville
the side of the PO at Roseville Ave, Roseville

They also cleared a site at a private home at Lindfield of a resident who contacted the Graffiti Team through a link on the Ku-ring-gai Council website. The resident is a stroke victim and the team was particularly happy to assist in removing objectionable graffiti from their property walls.

Following completion of their work, Peter Lewis also received a request from the Hon Secretary of the Roseville Bowling Club. The Team hope to be able to assist them also and add to our community contacts and supporters.

Some selected Photos follow;

The two Peters were again out on Thursday 7 September to remove some more graffiti.

The Roseville Bowling Club asked for the Club'd assistance – and the team also returned to a location at Lindfield, only cleaned a week ago (the resident is a stroke victim).

The Team had some initial problems getting the Jetblaster to operate OK – but their combined efforts eventually succeeded!
And one of the photos is of Peter Lefmann BLASTING!

MEMBERS ATTENDANCE COMPETITION

Competition No 2 Winner -

Malcolm Pilcher - For the second meeting in a row.

Result of Competition No 3

Three (3) entries with all correct solution;
Peter Lefmann, Grant Campbell and Malcolm Pilcher.

A draw from the hat will be made at the meeting on 12 September to determine the winner, who must be present to collect their prize.

BACK PAGE

At a country-club party a young man was introduced to an attractive girl.

Immediately he began paying her court and flattering her outrageously. The girl liked the young man, but she was taken a bit aback by his fast and ardent pitch.

She was amazed when after 30 minutes he seriously proposed marriage. "Look," she said. "We only met a half hour ago. How can you be so sure? We know nothing about each other."

"You're wrong," the young man declared. "For the past 5 years I've been working in the bank where your father has his account."

* * * * *

While waiting in line at the bank, a co-worker developed a very loud case of hiccups. By the time he reached the teller's window, the hiccups seemed to have worsened.

The teller took my friend's check and proceeded to run a computer verification of his account. After a minute she looked up from her terminal with a frown and said that she would be unable to cash his cheque

"Why not?" my friend asked incredulously.

"I'm sorry, sir," she replied, "but our computer indicates that you do not have sufficient funds to cover this amount. As a matter of fact," she continued, "our records show your account overdrawn in excess of \$5000."

"It can't be!" he cried. "You have to be kidding!"

"Yes, I am," she answered with a smile, counting out his cash. "But you will notice that your hiccups are gone."

* * * * *

WHO SAID THIS

I drink it when I am happy and when I am sad. Sometimes I drink it when I am alone. When I have company I consider it obligatory. I trifle with it if I'm not hungry and I drink it when I am. Otherwise I never touch it - unless I'm thirsty.

ABOUT ROTARY

Paul Harris

The world's first service club, the Rotary Club of Chicago, Illinois, USA, was formed on 23 February 1905 by Paul Harris.

Rotary is a worldwide organisation of business and professional leaders that provides humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world. More than 1.2 million Rotarians belong to over 34,100 Clubs in 210 countries and geographical areas. Rotary Club membership represents a cross-section of the community's business and professional men and women. The world's Rotary Clubs meet regularly and are non-political, non-religious, and open to all cultures, races, and creeds.

The Rotary motto is ***Service Above Self.***

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service;
- SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ADVANCE AUSTRALIA FAIR

Australians all, let us rejoice,
For we are young and free,
We've golden soil and wealth for toil
Our home is girt by sea;
Our land abounds in nature's gifts
Of beauty rich and rare;
In history's page, let every stage
Advance Australia Fair.
In joyful strains then let us sing
Advance Australia Fair.

ROTARY THANKS

For the community, friendship
and the opportunity to serve
through Rotary, we give thanks.

THE FOUR-WAY TEST

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
