PARTNERS & FRIENDS WELCOME

GUEST SPEAKER

**Dallas Booth
The Royal Commission into Financial Services**

Dallas is Chief Executive Officer at the National Insurance Brokers Association of Australia. The Association followed the Royal Commission very closely, and made a submission to the Royal Commissioner in relation to insurance broking.

The main role of the Association is to represent the interests of insurance brokers to governments, Members of Parliament, ASIC and other agencies. Dallas has been in this role for 8 years.

Prior to NIBA, Dallas ran the James Hardie asbestos compensation trust for a number of years, worked on behalf of insurance companies at the Insurance Council of Australia, and worked in the NSW Government overseeing compulsory third party insurance. Prior to that he was a policy adviser to a number of NSW Attorneys General.

Dallas is admitted as a barrister at law in NSW, although he is not a practising lawyer. He is a Fellow of the Australian Institute of Company Directors.

In the presentation, Dallas will provide an overview of the background to the Royal Commission into Misconduct in Banking and Financial Services, the key findings of the Royal Commissions, and observations on what the Royal Commission means for banks, insurance companies, and financial advisers in the future.

PRESIDENT RICHARD GREEN'S REPORT

Thank you all the members who kept the club going while I was on holidays.

At the last meeting the speaker was Marilyn Kenney, the District Chair for ROMAC. She spoke on the role that ROMAC plays in the medical services provided for children with appearance or birth defects from the Oceanic area.

The fun run was also in this period .It was very well organised and was supported by past and present members. The numbers of runners was disappointing. Unfortunately it coincided with the school holidays.

Thank you to Michael for all your efforts, especially as it coincided with a busy time at his work.

At the next meeting the speaker will be Dallas Booth, from the National Insurance Brokers Association of Australia. Dallas will be speaking about the Royal Commission into Financial Services. It would be good to have a large number at the meeting as he is a very good speaker.

We have the Father's day BBQ at Roseville Public School, and Bunnings BBQ coming up. Unfortunately the Bunnings BBQ falls on Father's Day. We also have another Bunnings BBQ allocated later in October. It is important we make a good profit from Bunnings as we will need the funds to do all the things we want to, especially the youth activities.

There is a Rotary Foundation movie night in which we may participate with another club.

The golf day organization is well on the way. Chatswood's profit will go to a dental team in East Timor. Our profit will go towards an organization that provides machines that enables disabled people to play golf. The profit will be split between the two clubs in proportion to the net sponsorship and funds from the players. We therefore need sponsors . Contact Neil Howie or David Brand if you have any questions or ideas for sponsorship.

Richard Green
President.

PETER LEFMANN PRESENTED WITH PRESIDENT'S AWARD FOR 2018/2019

ROSEVILLE PUBLIC SCHOOL - FATHER'S DAY BREAKFAST - FRIDAY 30 AUGUST 2019

Roseville Public School has requested our club again undertake the Father's Day Breakfast BBQ at the school on Friday 30 August 2019.

From the feed back from last year, the bacon and eggs was the most popular, so it is likely that the school will forgo sausages for this year.

Peter Lefmann will be liaising with the school, and is seeking members who are able to assist on the morning.

Members assisting will need to be at the school by 6.30 am to commence set up and cooking. Finish should be around 9.00 am.

Breakfast is served from 7.30 am to 8.30 am.

COMBINED DISTRICTS CONFERENCE 2020

The District Conference will be held in Wollongong at the Wollongong Entertainment Centre on **Friday 20th March to Sunday 22nd March 2020** – a wonderful venue right on the beach: what more Reasons do you need to attend?

- Turia Pitt was burnt alive during an ultra marathon, humanitarian, Interplast Ambassador.
- Kaye Green, the first Tasmanian exchange student to Japan in 1972, successful lithographer.

- Rob Edwards, entertaining and inspiring motivational speaker.

All registrants will receive an invitation to attend free workshops/training seminars prior to the Conference on the Friday afternoon. We have also arranged with Wollongong Council for Rotarians to plant a tree in the Wollongong area on the same afternoon.

A SIGN OF THINGS TO COME?

The US city of Berkeley has officially gotten rid of all of its “manholes,” “policewomen” and “firemen”. All such commonly used words in city documents are now banned and must be replaced by more gender-neutral alternatives.

As such, common words such as;

- “bondsman” will be replaced by the non-gendered term “bonds-person,”
- “manhole” becomes “maintenance hole”
- a “pregnant woman” will now be referred to as a “pregnant employee.”
- “sorority” and “fraternity” replaced with “collegiate Greek system residence,”
- “manpower” will be changed to “human effort.”
- “Firemen” or “firewomen” will be replaced with “firefighters.”
- personal pronouns — “he” or “she” — will be changed to the neutral gender like “the attorney” or “the merchant.”

HIGHLIGHTS FROM THE 8th FUN RUN 21 JULY 2019

Our Club Fun Runs commenced in 2012, and the 8th Fun Run on 21 July this year enjoyed another crisp morning and splendid sunny day.

Congratulations and appreciation to Mike Harrowell, and the assistance by Neil Howie, for the splendid job in the preparation, planning and organisation in a very well conducted event that ran without any known hitches. The pre-planning and preparation of all the signage, marshalling requirements and associated roles made for an enjoyable day, which most runners seemed to appreciate.

The number of starting participants, an overall total of 257, may have been down on that experienced in previous years, and 29 were registered but did not start.

On the following page are some statistics extracted from the Multi Sports Australia website showing various categories of participants in the 3 events, and the times they recorded.

Also following are some photos from the day, including the presentation of the female and male winners in the 3 event, by the Vice-President Greg Muldoon. Bags for security were provided free by Spotlight, Belrose, and Harris Farm and Di Jones Real Estate again provided some sponsorship.

TRAIN RIDE TO END POLIO

24 October 2019

At the Club Presidents Meeting in D9675 on Friday night and D9685 on Saturday morning details of this major World Polio Day event were presented.

The major outcomes are that this is an opportunity for you to achieve one of your goals for the Rotary citation: **Hold an event to raise funds for, or to increase awareness of Rotary's work toward polio eradication.**

By your participation in this event your Club will assist in the following:

Public Image: Help build awareness that this is the Number One Priority for Rotary.

Fundraising: We ask that, as a Club, that your Club contribution is \$1950 (\$10 per station) and that you encourage your members to personally support this fundraiser by contribution \$195 (\$1 per station).

Rotarian Engagement: Based on last year's event this is a great opportunity for all members to ride together on the train for a time of their own determination as a fellowship activity and mix with Rotarians from other Clubs in the Greater Sydney area. We will also have representatives from two Districts in New Zealand riding with us for the whole event.

SOME RATHER UNIMPORTANT INFORMATION

AYERS ROCK/ULURU. Given this official dual name in 1993. The Rock was originally named by William Gosse on 19 July 1873, after the Chief Secretary of South Australia, Sir Henry Ayers. Gosse was the first European to climb the Rock, accompanied by an Afghan camel driver.

KINANYI/ MOUNT WELLINGTON. Given this official dual naming in 2013. The Mountain was previously named Mt Wellington in honour of the Duke of Wellington (but had many names before that). The name "KINANYI" has recently been trademarked by at least 3 firms for hundreds of products ranging from whisky & beer to clothes, bags, stationery, and stubby holders.

KATI THANDA/LAKE AYRE. Named in 1840 in honour of Edward John Ayre, the first European to see it. In December 2012 it was officially changed to the combined name of Kati Thanda/Lake Ayre.

BETOOTA, In south-west Queensland, is Australia's smallest ghost town with a current population of zero.

The Betoota Hotel still stands, as does its petrol pump and phone box. In 1953 Simon Remeinko bought the Betoota Hotel and for most of the next 50 years until his death in 2004 he was the town's only resident.

LAST MEETING - 16 JULY. GUEST SPEAKER - MARILYN KENNEY ; ROMAC

Marilyn Kenney, a member of Springwood Rotary Club, and District chair for ROMAC (Rotary Oceania Medical Aid for Children) gave an interesting presentation on the operation and functioning of ROMAC.

ROMAC offers children disadvantaged in appearance by birth defects or accidents, life changing opportunities for corrective surgeries by arranging travel to Australia for these major surgeries.

Some facts presented by Marilyn were;

- Over 500 children have been treated in Australia and New Zealand since 1998
- Children are aged 15 or younger
- 40-50 children are treated each year
- ROMAC is managed and operated by Rotarians and Volunteers
- Doctors and medical support staff provide their services Pro-bono.

Giving to the Rotary Foundation in the 2018-19 Rotary year.

(Summary of David Rand's Report)

Overall we donated \$US 542,048 to the Rotary Foundation this year. Clubs and individual Rotarians have given \$A 764,000 in this last Rotary year. This figure was helped hugely by your generous support for the End Polio campaign, including a very generous bequest of \$100,000 through Belrose Rotary, the contribution from Ride the Train organised by Mark and Dave Anderson from Rotary Beecroft, 5 screenings across the district of the Movie Bohemian Rhapsody in November. Our End Polio giving this last year was \$A 244,000 against \$A 80,000 in the previous year

Unfortunately, our Annual Fund giving, which is fundamental to our ability to support club projects, both here and overseas, was down; \$US 337,000 (\$A 475,000) from \$US 404,000 (\$A 529,000) in 2017-18.

Outside the Belrose bequest of \$US 74,074, the three best donating clubs are the E-Club (US\$ 67,599), Beecroft (US\$ 42,356), and Ryde (\$US 20,332). Best Annual Fund giving clubs per capita were E-Club (\$US 1458), Beecroft (\$US 860), and North Sydney (\$US 411). Thirteen of our clubs gave more than \$US200 per head. Roseville Chase total giving was \$5,674.48 (av per member \$226.98) compared to a total of \$8,616.50 for 2017/18.

A donation was received from every club in our district.

Our donations go to the engine-room of what Rotary is all about. The Rotary Foundation's funds go almost entirely into doing good in the world with a world-leading ranking in terms of effectiveness, efficiency, integrity and low cost of operation. In particular it is the vehicle through which Rotary has made a huge and on-going commitment to ridding the world of Polio.

It was also pleasing to see a growing number of clubs using Foundation funds to support their humanitarian projects using District and Global Grants. We would like more clubs to be active in applying for grants as they are a very efficient way for your club to enhance the money available to support your wonderful project work.

We look forward to all clubs continuing to give their generous support during this year ahead as PDG Bruce Lakin takes over as our District Rotary Foundation Chair. I thank our District 9685 Foundation committee for their great work around the clubs and in their specialty areas, and I know Bruce will receive the same level of support and assistance from his team.

ABOUT ROTARY

Paul Harris

The world's first service club, the Rotary Club of Chicago, Illinois, USA, was formed on 23 February 1905 by Paul Harris.

Rotary is a worldwide organisation of business and professional leaders that provides humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world. More than 1.2 million Rotarians belong to over 35,000 Clubs in 210 countries and geographical areas. Rotary Club membership represents a cross-section of the community's business and professional men and women. The world's Rotary Clubs meet regularly and are non-political, non-religious, and open to all cultures, races, and creeds.

The Rotary motto is ***Service Above Self.***

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service;
- SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ADVANCE AUSTRALIA FAIR

Australians all, let us rejoice,
For we are young and free,
We've golden soil and wealth for toil
Our home is girt by sea;
Our land abounds in nature's gifts
Of beauty rich and rare;
In history's page, let every stage
Advance Australia Fair.
In joyful strains then let us sing
Advance Australia Fair.

ROTARY THANKS

For the community, friendship, and the opportunity to serve through Rotary, we give thanks.

THE FOUR-WAY TEST

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
