MEETING on 14 May (6.00 pm for 6.30 pm start)

WELCOME TO TONIGHT'S MEETING **PARTNERS NIGHT, and** **Visit by Chatswood Rotary Club & PDG Pam Pritchard**

Tonight is a partners night and we will be joined by the members from the Chatswood Rotary Club for the evening.

Our Guest Speaker is Willian Chan, a Global Grants Scholar, and we will also be priveleged to have PDG Pam Pritchard joining us for the night.

William Chan is an urbanist and design strategist with a passion to create resilient and inclusive places for people. Educated in Australia and Italy, William graduated with the University Medal in Architecture and Convocation Medal from the University of Sydney.

Supported by the Rotary Foundation Global Grant, he undertook further study at the Politecnico di Milano as a Rotary Ambassadorial Scholar in 2015-2017.

His Dottore Magistrale thesis was unanimously awarded cum laude.

William has worked on sustainable urban development projects for Arup Foresight, Hassell, Cox Architecture and the Australian Government Department of the Environment. With architecture and design experience in both the private and public sector, William is a World Economic Forum Global Shaper and Fellow in sustainable cities with the UN Sustainable Development Solutions Network (SDSN).

He is a Research Affiliate with the Centre for Sustainable Urban Development (CSUD) at Columbia University's Earth Institute in New York. He was most recently a Fellow in innovation and executive education with the Qatar Foundation's World Innovation Summit for Education.....(Continued page 5)

PRESIDENT RICHARD GREEN'S REPORT

It is over a month since the last bulletin and a number of things have happened since then.

The meeting on the 9 April was a youth night and we heard from our RYLA and RIC students. Unfortunately our summer science student was unable to attend.

The meeting on the 29 April, our ANZAC meeting, was held at the new extension to the Hyde Park War Memorial. It was very good to be in the building by ourselves and we were lucky they agreed to open it, especially at night, for us. Unfortunately when we change the meeting to Monday the number of members attending dropped off. There were 13 members and 8 partners. The visit was followed by a meal at a Thai restaurant arranged by Sue Ward.

We had a Bunnings barbecue on 27 April and the profit was \$1000. We need to work out whether the profit is down due to reduced sales or the increased cost of our goods.

On 3 May we did a barbecue for the mothers at Roseville Public School. We served 400 people with eggs and bacon rolls. We had help from Nick Brooke and John Hammond. The school presented us with a small gift for each of the helpers.

The next meeting, 14 May, is a Foundation night with PDG Pam Pritchard attending representing The Foundation. I have made it a partners night so we have good attendance. We will also be giving our annual donation to the Foundation and Polio Plus. The AG, Fiona Jenkins, will also be in attendance.

We are going to have to start thinking about the fun run as it is less than 3 months before the event. Michael Harrowell will look after the organization on the day, but if we want sponsors we need to start thinking about that now.

The Entertainment Books are now available from Peter Lefmann.

The club has to decide if the extent of the fund raising for next year will be only the fun run and Bunnings. We have been asked to have a joint golf day with Chatswood Rotary in October. The funds will go to a project in East Timor.

Richard Green
President.

APOLOGIES AND GUESTS

Advise Attendance Officer, **Avis Manoukian**, on **0418 411 404** or email him at **avis@amcomms.com.au** **before 10.00am SATURDAY before the meeting.** You must pay for your meal if you are absent without an apology by the deadline. **Special dietary requirements you or Guests? please also advise Avis.**

GRAMMAR LESSON: DIFFERENCE; “COMPLETE” AND “FINISHED”

No English dictionary has been able to adequately explain the difference between these two words. In a recent linguistic competition held in London and attended by, supposedly, the best in the world, Samdar Balgobin, a Guyanese man, was the clear winner with a standing ovation which lasted over 5 minutes.

The final question was: ‘How do you explain the difference between COMPLETE and FINISHED in a way that is easy to understand? Some people say there is no difference between COMPLETE and FINISHED. Here is Samdar’s astute answer:

“When you marry the right woman, you are COMPLETE. When you marry the wrong woman, you are FINISHED. And when the right one catches you with the wrong one, you are COMPLETELY FINISHED!”

He won a trip around the world and a case of 25 year old Scotch!

MORE INFORMATION ABOUT WILLIAM CHAN (Continued from page 1)

William has led community-building projects for the homeless, slum dwellers and refugees worldwide.

In 2009 he contributed to Global Studio in South Africa, an action-research program to improve the lives of the urban poor, and returned in 2012 as a project Associate in India.

He assisted the 2013-2015 People Building Better Cities: Participation and Inclusive Urbanization travelling exhibition, and is currently involved in the Agenda 2030 Local Projects Challenge.

He founded a plastic waste circular economy initiative that educates youth in design-thinking, circular economy and STEM skills, which was presented at the 2018 UN General Assembly High Level Meeting on Social Business, Youth and Technology.

William has been named one of Australia's top 100 Brightest Young Minds, an inaugural Australian Government Creative Young Star and UNICEF Young Ambassador.

Recipient of an Australian Achievement in Architecture Award from the Royal Australian Institute of Architects (RAIA), Order of Australia Association Medallion for leadership and service to the community.

William's involvement in Rotary began at the age of 12, where he completed a community service award program through his local club.

Throughout high school, he contributed to Interact and was elected President as a Year 11 student. He has since participated in RYLA.

In his spare time William volunteers as a surf lifesaver at Tamarama Beach.

GUEST SPEAKER - MAY 28. MENTAL HEALTH; JACQUI JONES

Jacqui Jones - A programme for Primary Schools. Greatfulness is a 6 week program that focuses on self-leadership and developing mental 'fitness'. The program is linked to the current PDHPE syllabus and aims to develop children's social and emotional learning, resilience, wellbeing and leadership through topics such as: developing a growth mindset; identifying values and understanding behaviours that help/hinder progress; recognising thoughts and emotions and developing emotional regulation; using imaginations and exploring creativity; having an 'Attitude of Gratitude'; enhancing communication skills and the power of body language.

LAST MEETING - 29 APRIL

VISIT TO WAR MEMORIAL, HYDE PARK

Last Monday, 13 members and 8 partners enjoyed a conducted visit and tour, led by Sgt James Grey (from the War Memorial) through the 2018 extensions to the War Memorial in Hyde Park, with 19 afterwards gathering at the nearby Thai Restaurant for dinner.

Below are a few relevant facts about the War Memorial and the 2018 extensions;

- The Anzac Memorial Centenary Extension, completed on 20 October 2018.
- The \$40m capital redevelopment is the centrepiece of NSW's Centenary of Anzac commemorations. It's also the 100th anniversary of the ending of the First World War.
- This Centenary Extension realises architect Bruce Dellit's original concept for the 84-year-old Memorial.
- Now a contemporary interpretation of the water cascade on the southern side of the Memorial completes the original 1930's concept design.
- As the State's principal Memorial, the Centenary Extension enhances the Memorial's founding role to support and provide services for veterans and their families who have suffered loss while ensuring a public and a private place of contemplation, remembrance, education and reflection.
- The Anzac Memorial attracts nearly 200,000 visitors annually.
- Dellit had originally envisioned two water features running on a north-south axis to the Memorial, but due to the impact of the Great Depression only the Pool of Reflection north of the Memorial was ever built.
- A walkway through the cascade allows Memorial visitors to enter the new Hall of Service, exhibition galleries and education facilities, providing a contemporary understanding of the history and impact of conflict.
- The Hall of Service, pays tribute to those across NSW who served in the Great War; featuring 1,701 soil samples from each NSW town, suburb and district given as a place of address by First World War enlistees.
- Soil has also been collected from 100 battle sites of significance to NSW military history - from 19th Century battles through to modern-day Australian peacekeeping missions to honour more than a century of service.
- Eight glass urns, each hand-etched by Fiona Hall with an image of a different plant species associated with Australia's service in the First World War are showcased at the entrances to the Hall of Service.
- The extension also houses the Royal United Services Institute for Defence and Security Studies NSW Library, a military history research collection assessed to be of national significance.
- The Dome is covered with approximately 120,000 stars - a symbolic representation of the men and women from New South Wales who embarked for overseas service during the Great War.

- Architectural firm Johnson Pilton Walker designed the Centenary Extension in collaboration with the NSW Government Architect.
- The builder of the extensions was Built.

Right; Looking towards the Memorial from Liverpool Street.

Below left; Hall of Service with Wall of 1701 soils and floor of 100 combat areas.

Below right; Walk of cascade waters from Liverpool Street to Hall of Service.

The above photos are from the promotion material of the Memorial, and are a bit more “professional” than our photos, but nevertheless I have included some of our photos on the following page as a personal touch.

All who attended the visit agree that it was a most interesting, sometimes sobering, and reflective tour and informative presentation from James Grey.

Even without a guided tour, anyone would find the visit to the Memorial most interesting and informative.

Many thanks to Richard Green for organising the visit, and Sue Ward for the excellent organisation of the dinner afterwards.

The Auditorium with its marvellous timbered floor and walls.

Rotary club members and partners in the Hall of Service.

Members and Partners enjoying the Thai Restaruant dinner.

The Hall of Service, featuring artwork by Australian artist Fiona Hall, pays tribute to those across NSW who served in the Great War; featuring 1,701 soil samples from each NSW town, suburb and district given as a place of address by First World War enlistees. . Memorial visitors are able to view the collection of soils in all their different textures and array of colours alongside each listed location.

[illegible]

A photograph of the interior of the National Theatre in London. The view is from the audience, looking towards the stage. The large, circular auditorium features a prominent balcony with a dark railing. The stage area is visible at the bottom, with a large screen and a complex set design. The walls are covered in a dense, dark, textured material, possibly a wall of names or a large-scale artwork. The lighting is warm and focused on the stage.

A view from the Hall of Service through to the War Memorial, with part of the wall of soils from the NSW towns etc in the lower section of the photo.

LINDSAY MAY OAM - DISTRICT GOVERNOR 2021-2022

The District 9685 DG Nominating Committee has confirmed Lindsay May OAM of the Rotary Club of Lane Cove as District Governor for the year 2021-2022.

Lindsay brings a wealth of knowledge and experience to the role and a true passion for Rotary.

Our Club has had Lindsay as a guest speaker on more than one occasion, and we congratulate him on his election.

GRAFFITI REMOVAL DAY - 27 OCTOBER 2019

Some time away, but please diarise now.

The following message has been received from the Deputy Project Manager - Graffiti Removal Day 2019.

"I am excited to advise you that once again we will be running Graffiti Removal Day on Sunday 27th October 2019.

We will very shortly start the process of commencing our social media campaign to bring awareness of the day, but in the interim can you diarise the date and start the conversation with your friends and neighbours.

If for some reason you are not available this year, please let me know so I can either pause you for a year or remove you from our database.

Looking forward to a great year, we are winning the fight against Graffiti, but we must stay on top of it and always be vigilant. I will advise you when we are taking site nominations as we get closer.

All the best and thank you for being part of this community driven cause.

Barry Antees
Deputy Project Manager/Volunteer Manager
Graffiti Removal Day
Phone: 1300 665310
Fax: 02 8080 8110
Mobile: 0413 880 267
Website: www.graffitiremovalday.org.au

Some additional information concerning the day is included on the following page.

Graffiti Removal Day Sunday 27 October 2019

Did you know?

Graffiti vandalism costs property owners in NSW more than \$300 million each year.

What is GRD?

Established by the NSW Government, Graffiti Removal Day is an annual event which encourages people to get involved in the removal and prevention of graffiti.

Does it make a difference?

In 2017 volunteers removed over 30,000m² of graffiti saving our community \$2.1 million in clean-up costs!

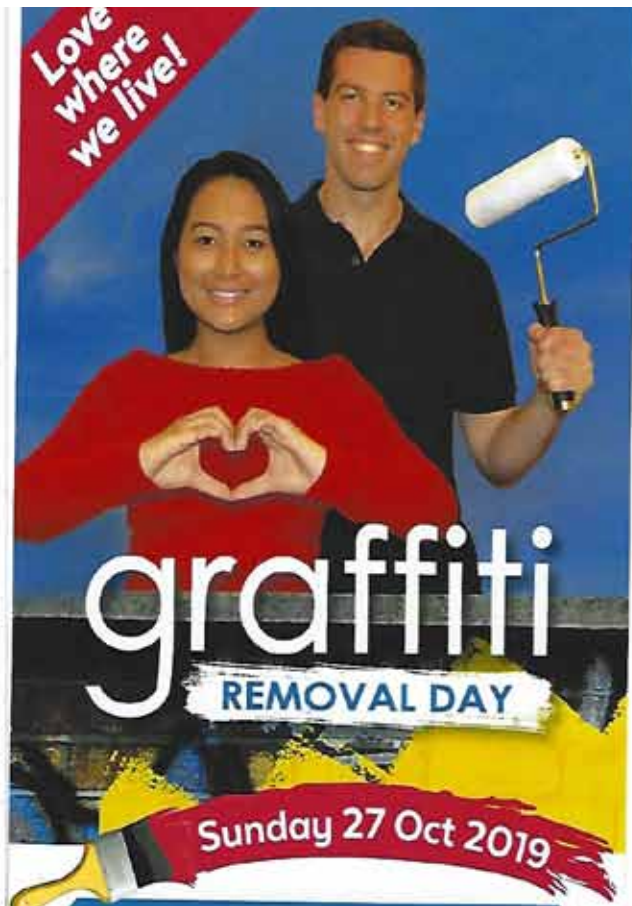

How can you support your community?

- ✓ Volunteer to help on the day
- ✓ Nominate a clean up site
- ✓ Promote the day

HAVE YOU SEEN THESE STRANGE ROAD SIGNS

carevanblacktown@gmail.com

Mr Richard Green
Roseville Rotary Club
C/- Roseville Golf Club
4 Links Ave
Roseville NSW 2069

Dear Richard and the Roseville Rotary Club,

On behalf of the Carevan Blacktown Committee, volunteers and community recipients, we would like extend our heartfelt thanks to yourself and to Roseville Rotary Club, for the incredibly generous donation of \$1,000 towards our charity, Carevan Blacktown and for your efforts is assisting us to secure a local government grant.

Carevan serves those battling homelessness, financial hardship and loneliness, sadly an ever-present need, and increasingly reflected in growing numbers in the community. We quite simply could not manage without the support and generosity of the community towards shouldering the costs of meeting this need.

Carevan Blacktown operates entirely on the services of our dedicated volunteers and the generosity of a small number of community groups and Roseville Rotary Club is now principal among these. Meeting the costs of running a charity is a difficult task in a time where every dollar is valued and the charitable organisations requiring of this support are numerous, all worthy recipients of a finite resource, so Roseville Rotary's acknowledgement and support is even more appreciated in this context.

At the end of 2018 Carevan were fortunate enough to be the recipient of a local government grant, in the amount of \$10,000. This would not have been possible without the kind and perfectly timed guidance and suggestion from yourself Richard, that Carevan might be a worthy candidate for this grant and it eventuated that we were. Without your 'heads up' however we may never have known about it let alone thought to apply for the grant.

In addition to the windfall of this grant, we have been lucky enough to receive further financial support from Roseville Rotary Club, in the amount of \$1000 and a further \$1000 from your fellow club, Richmond Rotary club.

Along with these most generous donations and with some monies saved for this eventuality, Carevan have now been able to replace our much loved, but unregistrable, iconic old van, thereby ensuring the work that Carevan does can continue. We have been able to register, insure and are now looking to brand the new van to move into a new period of service, all costs able to met though the support of Rotary and your club in particular.

Carevan are incredibly grateful, as are the community we serve, for your support and advice Richard, for the Roseville Rotary Club's donation and for the faith invested in Carevan thereby, to serve the community on your behalf and look forward to serving together the Carevan family into the future.

With gratitude and thanks,

Andrew Scott
Chief Executive Officer
Carevan Blacktown

WINE AND CHEESE TASTING NIGHT

The wine and cheese tasting night was a very successful and enjoyable night, with over 90 people attending and a profit of \$4,050 plus for the night.

Special thanks and appreciation to Neil Howie for his exceptional organisational and promotional efforts for the night.

Many thanks also to all those who assisted with the cheese and food arrangements, and for set up and tidy up, of the event.

ROSEVILLE PUBLIC SCHOOL MOTHERS DAY BBQ

Many thanks to the 11 members and John Hammond (Friend of Rotary) who assisted with the Mother's Day breakfast at the Roseville Public School on Friday 3 May.

A hectic morning for the food dispensers who managed capably with the multi-coloured beads offered by the mothers and students, which indicated whether it was "Bread Roll with Bacon", "Bread Roll with Egg", "Bread Roll with Bacon and Egg", or something else. Over 400 people were served.

The "egg-cookers" managed to produce soft, hard, "somewhat scrambled" and sunny-side up eggs for the mothers and students, to enjoy with the bacon.

Some photos follow;

Peter Lefmann, Ian Fraser and Sue Ward, collecting the "beads" and issuing the bread rolls to the mothers and students.

Left;
Neil Howie and his delicate touch serving out the eggs.

AND below left, what masterpieces Neil had to deal with.

Below right; No thats not Greg's cooking up his breakfast. There was plenty of bacon for sharing

Part of the 400 plus Roseville Public School, mothers and students who attended the Mothers Day breakfast on 3rd May.

ABOUT ROTARY

Paul Harris

The world's first service club, the Rotary Club of Chicago, Illinois, USA, was formed on 23 February 1905 by Paul Harris.

Rotary is a worldwide organisation of business and professional leaders that provides humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world. More than 1.2 million Rotarians belong to over 34,100 Clubs in 210 countries and geographical areas. Rotary Club membership represents a cross-section of the community's business and professional men and women. The world's Rotary Clubs meet regularly and are non-political, non-religious, and open to all cultures, races, and creeds.

The Rotary motto is ***Service Above Self.***

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service;
- SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ADVANCE AUSTRALIA FAIR

Australians all, let us rejoice,
For we are young and free,
We've golden soil and wealth for toil
Our home is girt by sea;
Our land abounds in nature's gifts
Of beauty rich and rare;
In history's page, let every stage
Advance Australia Fair.
In joyful strains then let us sing
Advance Australia Fair.

ROTARY THANKS

For the community, friendship, and the opportunity to serve through Rotary, we give thanks.

THE FOUR-WAY TEST

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
