The criteria for this Award is aimed at an all-round student who has contributed to the life of the School both inside and outside the classroom not only academically but also through their role in fields such as sporting, performing arts and with the community.

## **Castle Cove Awards**

Report from Ted Anderson - Youth Director

Yesterday I had the honour of presenting the "best all rounder" award to Eloise Boys at Castle Cove school where my own kids attended whilst we lived in our first house on the cnr of Kendall Rd and Holly St (made famous by Norm Gibson who also lived there.)

Our old house is now enjoyed by Hamish McDonald an impressive young lad who is the current male Captain and who his female counterpart acted as MCs for the entire presentations lasting over 3 hours.

Sitting next to me on stage was P&C President Claire Dunstan who has kindly agreed to promote a Rotary membership drive through her newsletter next year.

But there is more, amongst some wonderful teachers was Bonnie Willis whose family previously owned Willis Castle which is still used as a family home but no longer a Willis relative.

The final kicker was the coincidence that our awardee Eloise is David Brand's partner Di's granddaughter.

Thanks to Ian Fraser for his meticulous planning and preparation of these awards and the fellow Rotarians who presented them.

Ted Anderson  
Youth Director

**Some photos of the Castle Cove presentations follow on the next page.**

## **Roseville College & Cromehurst School**

Following on from Ted's visits on Wednesday, 6 December, I attended both Roseville College and Cromehurst School.

What a complete difference in ceremonies.

Roseville College was all pomp and ceremony, with the Head Girl starting the proceedings by asking all to stand while the Official Party enter and took their seats. All the staff walked down the aisle in their regalia of gowns and academic hoods. A large portion were female teachers.

The Principal, Ms Deb Magill is an outstanding person, highly qualified and an inspiration for the College that influences the wider community with demonstrable Christian values.

The Roseville Chase Rotary Award was presented to Louisa Ritchens for Design & Technology, English Standard. Madeleine Beard was awarded the School Captain's Prize for Academic Excellence. All the awards will be in our next Bulletin.

Being a softy, I had tears in my eyes.

Cromehurst at the Roseville Golf Club, was less formal and to witness the intellectually handicapped children was very moving. The Principal, Tahni Edris and her staff are just amazing in caring for these children and the patience of staff and parents is incredible. The Rotary Club of Roseville Chase Award went to Scott Hanson for All Round Performance and the School Service/School Captain Nancy Wang.

In the future we should look at helping Cromehurst in any way we can.

Ian Fraser did an outstanding job in arranging the whole program from making contact with all the schools, arranging the Awards and his spread sheets of Times & Dates, contacts, Principals, and Recipients. You are to be congratulated Ian.

President Peter Mckeown

## NEWS FROM BRAZIL - CAROLINE VIOTTO

Dear Rotarians,

How have you all been? I hope really well. It seems like a long time ago since I last saw you all. Almost three years have passed since I was in Australia living the best year I could ever imagine, I don't think I ever thought I was gonna miss it so much like I do right now. I probably will never forget all those amazing moments I had in your country, which is kinda of mine since 2014 as well, I just wasn't born on the down under, but I love it so much that I feel like I belong to Australia as much as I belong to Brazil.

Well, a few things have changed since I came back. As I think you may now I started Medicine school on 2016 and I am going to the third year on 2018, more four to go! I want to apologize myself for not being as "present" as I would like to be, writing emails and reading all those bulletins I still get on my email (which I love, I still feel like part of it). This year has been one of the craziest ones in my life so far, how come I became an adult so fast?! Uni takes a big part of my energy, exams got even harder this year and the teachers were expecting a lot from us, and they still are. We are a number of 150 students on my class (yes that's a lot of people), and they divide us in three groups of 50, so it makes a lot easier to have classes, even though sometimes we have classes all together (it's funny cause I doesn't get noisy).

So this year we finished the basic subjects, we learned about how the human body works in a health people, a few things about some diseases, medicines, how to interact with the patient... next year we are going to start consulting real patients with the help of the teachers, it will probably be really nice and I am looking forward to it, because we are going to start doing the actual medicine, even though we will still have lots of classes about diseases and everything.

Except uni, I didn't do much this year, so I don't have anything really new to tell you. We sometimes have uni parties which is nice, so we cant get some uni time off, otherwise we would get crazy!

Me and my parents have an exchange student living with us now, he is from Mexico and his name is Victor. He is only 16 and stay at my parents house (cause I live 2 hours away from home, where my uni is located). My parents really like him and they enjoy having a young boy at home, I think they use to feel lonely staying by themselves and I am happy they got someone, even tho he is staying with us only until the end of the year, after that he is going to move host families, but still live in our city until the end of June 2018.

My holidays started on December 5th and they finish on February 15th , as Brazilian country people usually do, we are going to the beach (me, my parents and Victor) for a week, we will drive about 8 hours to get there, I know, so far! You are not used to that, taking all that time to go to the beach, but it is normal for us. Before that we will stay in Curitiba (the capital of my state, Paraná) for 2 days, just to visit some nice places over there. When we come back I have no idea what I am going to do, it is a small town over here so there isn't much, and it usually gets boring by the middle of January! I am trying to go to a hospital with a doctor that I have known for years on January, so I can watch all those cool surgeries, it is a bit complicated but I am hoping I can make it.

Well, I am writing because I want to let you know that me and my family wish a wonderful Christmas to all of you. I hope it will be even more special this year and you get to spend it around people you love. I know how cool Christmas is in Australia and I am sure you are going to have an awesome one this year. And we also want to wish you an amazing 2018, I hope it brings happiness, truth, love, hope and a lot of health to us all.

I miss Australia and I miss you all so much. I miss going to the meetings on the golf club and talking to you people, and of course, having dinner! I feel something weird (that I can't describe in English because I don't know the word!!) in my heart everytime I think about my exchange year, something weird but good. I just wish I could go back in time to live all of that again, what a big adventure it was, and I am thankful to you all for having me for a whole year. I will never forget it.

I hope we can meet again sooner than I expect. You people gotta come over, me and my family are waiting for you.

Well, that's it.

Merry Christmas and Happy New Year!

God bless you all.

With heaps of love,

Carol, the exchange student from Brazil – 2014.

## GUEST SPEAKER 23 JANUARY 2018

### **DR DAVID HANCOCK - ROYAL FLYING DOCTOR OUTBACK ORAL HEALTH (TOOTH) PROGRAM.**

A program for indigenous and non-indigenous children and adults in outback NSW.

The service operates out of Bourke and Dubbo to those communities which do not have an airstrip. David, who is a Dentist in Newcastle, with his wife Jenny works one week a year as volunteers to drive a purpose built dental van long distances from Dubbo to provide clinics for the communities. The RFDS currently funds the cost of the mobile service but there is a dire need for funding of the cost of dental supplies and fuel if the service is to continue.

The Board approved a donation \$5,000 in December 2017 which will be presented to David on the night.

## ABOUT ROTARY

*Paul Harris*

The world's first service club, the Rotary Club of Chicago, Illinois, USA, was formed on 23 February 1905 by Paul Harris.

Rotary is a worldwide organisation of business and professional leaders that provides humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world. More than 1.2 million Rotarians belong to over 34,100 Clubs in 210 countries and geographical areas. Rotary Club membership represents a cross-section of the community's business and professional men and women. The world's Rotary Clubs meet regularly and are non-political, non-religious, and open to all cultures, races, and creeds.

The Rotary motto is ***Service Above Self.***

## ***OBJECT OF ROTARY***

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service;
- SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## ***ADVANCE AUSTRALIA FAIR***

Australians all, let us rejoice,  
For we are young and free,  
We've golden soil and wealth for toil  
Our home is girt by sea;  
Our land abounds in nature's gifts  
Of beauty rich and rare;  
In history's page, let every stage  
Advance Australia Fair.  
In joyful strains then let us sing  
Advance Australia Fair.

## ***ROTARY THANKS***

For the community, friendship  
and the opportunity to serve  
through Rotary, we give thanks.

## ***THE FOUR-WAY TEST***

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
