## **MEETING on 22 May 2018 (6.30 pm)**

**GUEST SPEAKER - PP STUART FRITH**

### **ELECTRICITY GENERATION - TODAY'S CHALLENGES**

“There is nothing more challenging to Australian industry, commerce and everyday Australians than the current ongoing debate around the future direction of our electricity supply in respect to reliability and cost. The introduction of renewables into the generation mix has proved to be a difficult issue for government and consumers. Tonight one of our members, Stuart Frith will discuss the topic “Electricity Generation – Today’s Challenges”

Stuart has spent his entire professional career in the electricity industry. He spent the early part of this career involved in the design of major power plants with Pacific Power (previously the Electricity Commission of NSW). As part of, and leading various design teams he was involved in the design of Munmorah, Liddell, Wallerawang C, Vales Point B, Eraring, Bayswater and Mt Piper power stations in the NSW system. In 1996 he was General Manager Trading and Marketing at Pacific Power and he then left Pacific Power to join BHP as Manager for Operations for BHP Power. After the sale of BHP Power to a major US energy utility (Duke Energy) he joined Duke Energy International as General Manager Project Development. In 2002, following the sale of Duke’s Australian assets to Alinta he then joined Alinta as their General Manager Project Development. He retired from Alinta in 2007 and then formed his own consulting company providing advice in the area of power matters.

Stuart holds a Bachelor of Science and Bachelor of Engineering from the University of New South Wales (UNSW) , a post graduate degree, Master of Engineering Science from UNSW and a Master of Business Administration from the University of Sydney.

## PRESIDENT'S REPORT

Firstly, I will be an apology for this evening as we are off to Armidale. My son did a tree change prior to Christmas and I haven't even seen the lovely new home set on an acreage. As well it's his Birthday and I have 3 grandsons I haven't seen for 12 months.

Many thanks go to Ross and Ro for the organising of the 4 Villages Walk in the Central Coast. About 12 of us had beautiful weather and a pleasant days outing. (What more would you expect on the Central Coast). Thanks again Ross & Ro.

Our last meeting was at the invitation of the Chatswood Club at the Roseville RSL and was highly successful. The guest speaker just about convinced me in a republic provided it is in the form he was pushing. Chatswood Club is a very compatible club with Roseville Chase and a nice lot of members.

Some dates to remember are;-

Ku-ring-gai Club's Film night at Roseville 30th May

District Changeover 7th July

Our changeover 10th July

The Fun Run 29th July

Chatswood Sunrise Trivia night 25th August

Thanks to those members and friends, namely David and William Brand Ted Anderson, Leslie Farkash, Stuart Frith, Cliff Garrett and Pat Fisher, who represented our club at the Chatswood Club's golf day, I hope you brought the Trophy home.

### **District Change-over Night**

This night will be held on Saturday 7 July at the Hornsby RSL Club, 6.00 pm for a 6.30 pm start.

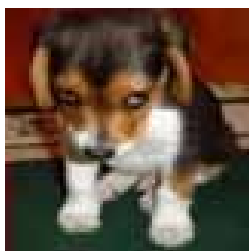

Full details are shown on page 12 of this Bulletin.

In previous years, the club has had attendance at the night, and it would be good if the club could again support the change-over.

President Peter

## APOLOGIES AND GUESTS

## LAST MEETING 9 MAY 2018 - GUESTS AT CHATSWOOD ROTARY CLUB MEETING

12 members of our club attended the meeting of the Chatswood Rotary Club at the Roseville Memorial Club, and enjoyed a very convivial and friendly evening with the members of Chatswood. The Chatswood sergeant, Wayne Kearns, certainly knows how to extract fines from members and visitors.

This meeting returned the hospitality that Roseville Chase Rotary Club extended to the Chatswood Club members on 27th March 2018.

Our thanks to the Chatswood Club for the enjoyable evening.

Guest speaker was Tony Hockey from the Australian Republican Movement who provided an enthusiastic oration on the reasons for Australia to become a republic, and when his organisation believes that may occur.

## 2018/19 BOARD MEETING - 19 JUNE 2018

President-Elect, Richard Green, wishes to hold a meeting of next years Board Members on **TUESDAY 19 JUNE 2018.**

## SCIENCE AND ENGINEERING CHALLENGE 8 MAY 2018

On Tuesday 8 May, Stuart Frith, David Brand, Peter Lewis, Neil Howie, Cliff Garrett, Richard Green and Ted Anderson supervised this years STEM interschool challenge comprising 8 schools, public and private.

The challenge was held at Galstaun College at Ingleside.

Teams were required to complete many projects of increasing complexity within the day all based on science, technology, engineering and mathematics.

This youth program is designed for year 10 intelligent and highly motivated students.

Some photos from the day are on the following page.

## KU-RING-GAI ROTARY CLUB - CINEMA NIGHT

**Ku-ring-gai Rotary Club has written about their upcoming Cinema Night.**

### **“The Bookshop - Cinema Night Wednesday 30 May, 2018**

“Bill Nighy, Emily Mortimer and Patricia Clarkson star in Isabel Coixet’s adaption of Penelope Fitzgerald’s 1978 novel about a women’s struggles to bring a bit of literary culture to an East Anglia English village. A town that badly needs it.

A stereotypical English film, with subversive undercurrents embodied in the fine performances of these actors makes it a really interesting film.

As romances go this is so exquisitely restrained that it makes ‘Brief Encounter’ look like ‘Debbie Does Dallas.’

Once again, we are planning an exciting cinema evening with ‘The Bookshop’ for Wednesday 30th May 2018.

In partnership with the Roseville Cinema – we would love you to join us, and support our community projects.

#### **Tickets are \$25 Adults.**

Book and pay by Credit Card online or EFT and register your names in the link at <https://www.kuringgairotary.org.au/index.php/members/roseville-cinema-booking>

or direct enquiries to Ross Egan on 0417 225 612

Tickets will be sent to you by e-mail or collect at the Rotary table, in the lobby, opposite the box-office,

Look forward to seeing you there!

- 8.00pm film start, and 113 minutes.
- we have the theatre lobby & upstairs lounge/bar from 7.00pm
- Raffle/lucky seat prize.
- Nibbles & wine-tasting”

## **SOCIAL OUTING - 4 VILLAGES WALK.** **Sponsored by Kincumber Rotary Club**

On Sunday 6 May 2018 President Peter McKeown and Jannette, Allan and Lori Farrar, Richard and Anna Green, John and Kay Hartley, Ted and Meg Anderson and Ross and Ro Symons, enjoyed the 4 Villages Walk conducted by the Kincumber Rotary Club. The walk commenced at Kincumber and concluded at Davistown. Some interesting exhibits of vintage motors, African dance exhibition, buskers and Youth in Performing Arts, along with a fine sunny warm day followed by a relaxing lunch by the group at the Dart & Feather Restaurant..

And to top the day off, Ross Symons won a ticket for 2 for a history ferry tour on either Broken Bay/Lower Hawkesbury or Brisbane Water/Gosford.

## DONATELIFE WEEK; 29 JULY - 5 AUGUST 2018

On the following page is a very interesting story, from the May 2018 issue of Rotary Down Under (pages 32 & 33) of a kidney organ donation to the grandson of Maurie and De Stack, from Taree.

Maurie, a lawyer by profession, is a colleague of Neil Howie ( and maybe the other lawyers in our Club) and I also know Maurie as he was a Councillor on the Greater Taree Council, when I was Town Clerk at that Council in the mid 1980's.

Maurie, a former District Governor in Rotary, is seeking to mobilise all Rotary Clubs in Australia to urge families to register and discuss their organ and tissue donation decisions to help save more lives.

We will endeavour to get a guest speaker for our meeting, hopefull before the DonateLife week, and explore other ways our Club can encourage people to join the Australian Organ Donor Register.

# THE GIFT OF LIFE

Maurie Stack and his family know the trauma of an infant life hanging in the balance while clinging to the hope of an organ donor arriving to bring renewed life.

Roughly three-quarters of the way through a liver transplant procedure, Professor Bob Jones overlooks his surgical team as they continue the process of attaching the new donor liver to the recipient.

**MAURIE** is a past governor of District 9650, and the world changed for him, his wife De and their family in March 2013, when they received news from their daughter Tammy that her new baby son, Jack, was in intensive care and appeared to have a serious problem with his kidneys.

Two testing years followed as Jack's condition was carefully nurtured until he was able to receive a donor kidney from his father, Clinton Wilson.

The good news is that Jack made a miraculous recovery and was even featured on the cover of *Rotary Down Under* in his Superman costume in August 2015.

In fact, the family recently enjoyed

a skiing holiday in Japan – the first time Tammy has been prepared to take Jack out of the country. Even then, he was subject to constant care and scrutiny, with his family watchful for signs of kidney rejection and administering anti-rejection medication morning and night.

So, it is no surprise that Maurie Stack is now dedicated to an ongoing campaign to promote DonatLife Week – July 31 to August 7, 2018 – and to use his considerable Rotary influence to persuade members, clubs and districts around Australia to recognise and support this vital humanitarian cause.

The goal is to convince 1100 Rotary clubs across Australia to partner with the

national DonatLife Week campaign and urge families to register and discuss their organ and tissue donation decisions to help save more lives.

"More than 1500 Australians are currently waiting for life-saving treatment," Maurie said. "During DonatLife Week, we're asking people to join the Australian Organ Donor Register online at [donatlife.gov.au](http://donatlife.gov.au)."

"Transplantation is the only treatment that is going to give a desperately sick person with liver failure or other organ failure the chance of survival," Professor Simone Strasser from Royal Prince Alfred Hospital in Sydney said. "To have the opportunity to return to a healthy and productive life is extraordinary. Every day I am astounded by the amazing impact that a life-saving transplant has on our patients and their families.

"The whole Australian community must work together to deliver this life-saving treatment. I urge people to visit [www.donatlife.gov.au](http://www.donatlife.gov.au) for further information." •

In New Zealand, Organ Donation NZ is responsible for all deceased organ donations ([www.donor.co.nz](http://www.donor.co.nz) / 0800 436 667). Live kidney donations are facilitated by the Transplant Units in Auckland, Wellington and Christchurch Hospitals.

## **ROTARY FOUNDATION – ANNUAL CENTURION GIVING**

Each year not only does our Club make a donation to the Foundation's Annual Fund but our members are also "encouraged" to make an annual personal contribution of A\$ 100.

Last year only 13 members contributed. A few members elected to use the Centurion Tower to put aside \$2 each week but members indicated generally that they would prefer to simply pay the amount of \$ 100.

This year, to date, only 3 members have contributed. We have also received a Centurion contribution from Jim Baillie (a friend of Peter Lewis).

It is important that the donation be paid by the meeting of 15 June to ensure that each member and the Club is credited before the end of the 2017-2018 Rotary year.

Please pay the amount to me and I will send a Group Donation list. Cheques should be made out to the Australian Rotary Foundation Trust which provides a tax deductible receipt.

The Rotary Foundation is our Rotary Charity!

Our District receives more back in Grants each year than it donates to the Annual Fund because of its very efficient management of its Grant funding but it needs to show that it also is one of the strongest contributors.

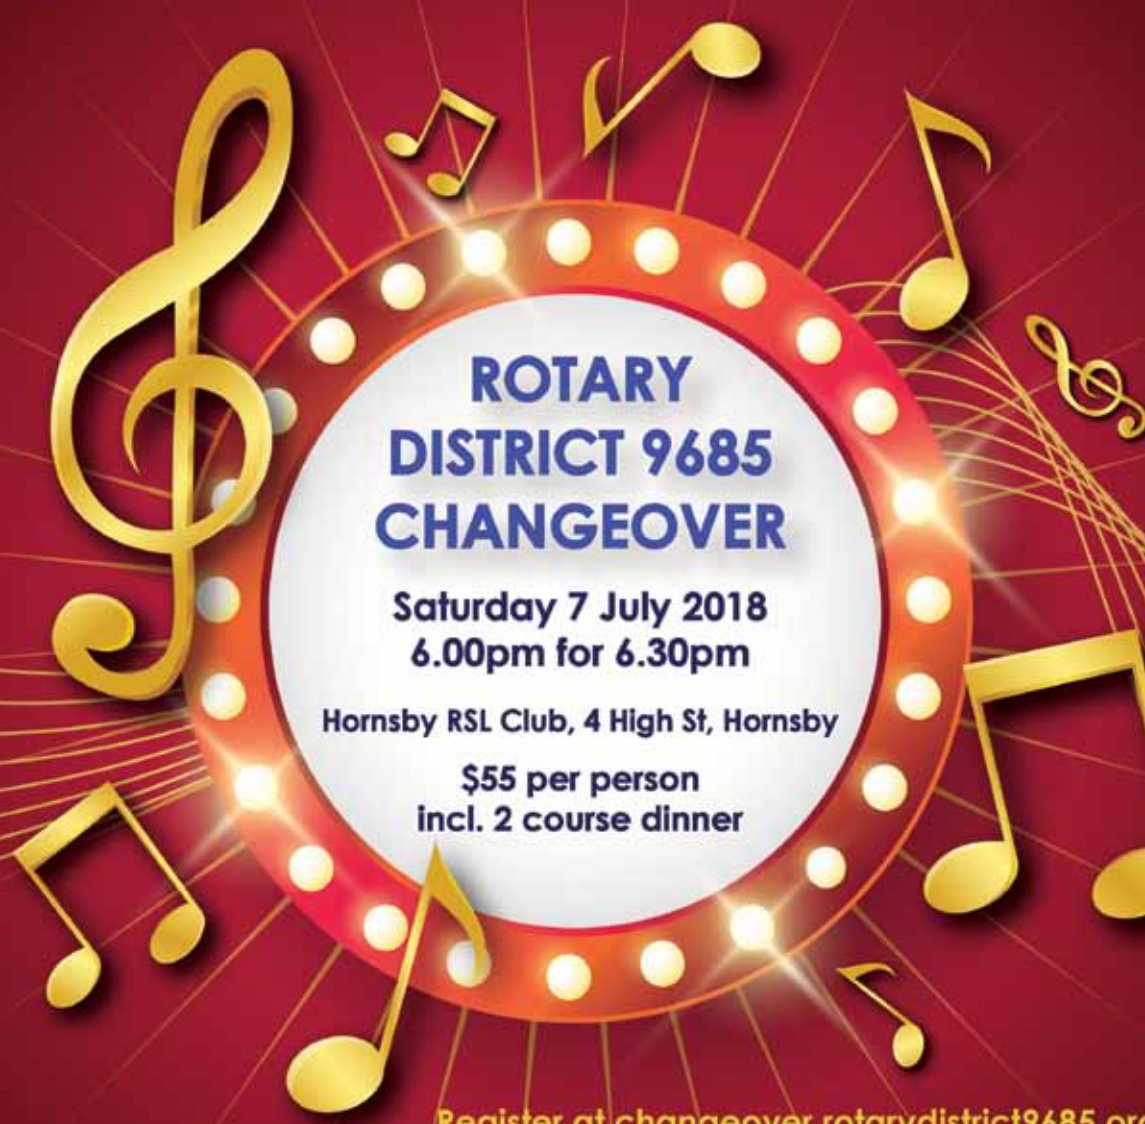

Neil Howie

Foundation Director

ROTARY AUSTRALIA  
WORLD COMMUNITY  
SERVICE

ROTARIANS  
AGAINST MALARIA

# 1st Malaria World Congress

**1-5 July, 2018**

25 years ago Rotarians in Australia commenced their work to eliminate malaria. David Pearson, National Manager for Rotarians Against Malaria (RAM) is involved in bringing the inaugural Malaria World Congress to Melbourne and invites all Rotarians and friends to attend.

In addition to the estimated 1,000 delegates there will be representatives of the Australian and US Governments, the Gates Foundation, World Health Organisation and the Global fund to fight AIDS, TB and malaria as well as many United Nations agencies, representatives from Non-Governmental Organisations and senior Rotarians.

To Register go to:

**[www.malariaworldcongress.org](http://www.malariaworldcongress.org)**

The Australian Government is pleased to support the Inaugural Malaria World Congress. We are committed to the goal of achieving the elimination of malaria in our region by 2030. The Malaria World Congress will bring together the global malaria community for the first time to share ideas, innovate and agree on global action to achieve this goal.

Minister for Foreign Affairs and member of the End Malaria Council

## INCREASES IN R I DUES OVER 3 YEARS; 2017/18, 2018/19 and 2019/20

### Letter from 2017/18 RI President Ian Riseley.

Dear Rotary Leaders,

At our last Council on Legislation, your Council members approved an increase in Rotary International dues of US \$4 per year in the 2017-18, 2018-19, and 2019-20 Rotary years. As a result of that decision, the yearly per capita dues that clubs pay to RI for each member is now US \$60, increasing to \$64 next year and \$68 the year after that.

Historically, Rotary International has been very reluctant to institute increases to RI dues, and the dues increases have been extremely small. Rotary's first dues were set in 1910 at the rate of \$1 per member per year — the equivalent of about \$26.90 today. Even at that time, then-Secretary Ches Perry protested that the amount was insufficient to cover expenses of office rent, stenography, telephone, postage, and the occasional purchase of a necessary item such as a typewriter.

Today, of course, our far larger organization, engaged in much more complex activities in a far more complex world, requires a vastly larger budget to run. Our global staff supports 1.2 million members around the world. It is largely thanks to the good work of that staff that we are able to carry on with the service that we do, on the level that we do it — fully supplied with the materials, club services, training events, international meetings, language services, IT, Foundation support, leadership support, and everything else we have come to expect as Rotary members.

In recent years, it became clear that the services RI was able to provide to Rotarians with the available budget were no longer in line with what Rotarians needed and expected. Nine out of 10 Rotarians wanted Rotary to provide more services, but given Rotary's current and projected income, the rate of global inflation, and the ongoing volatility of world financial markets, we had only two fiscally prudent options: either cut back RI services, or increase dues. Essentially, we had to decide whether or not we wanted Rotary to continue to grow and thrive.

As an accountant, I take fiscal responsibility and long-term financial planning extremely seriously. It was and remains abundantly clear that a modest increase in dues was our only viable path forward. Our five-year forecast at the time of the Council on Legislation projected that a dues increase of just \$1 would have resulted in only a 1.8 percent increase in revenues—far below the 2.5 percent impact of global inflation. A \$2 increase would have resulted in reserve levels

falling below the Board target by 2019, and a \$3 increase would have resulted in reserve levels only marginally above the target by 2018. None of those options would have allowed us to do what our members wanted: increase and improve our services, to allow Rotary to increase and improve its service.

I am pleased to report that, as a result of the still modest dues increases that were approved in 2016, Rotary is now not only on a firm financial footing, but able to invest in our future. I would like to let you know how RI is spending your dues this year, and what we have planned for the years ahead.

Your membership dues are our organization's largest single source of revenue, accounting for about \$74 million out of a \$103 million budget in 2017-18. Of the \$60 you currently pay in dues, \$32.58 goes directly to member support, in the form of RI events, online training, and digital tools such as the recently improved rotary.org website and updated Rotary Club Central, along with Rotary Ideas, Rotary Showcase, and RI's social media feeds.

Rotary's operations extend to 220 countries and territories worldwide, using 29 different currencies. This year, RI is applying \$14.43 of your \$60 toward administration and compliance. That money pays for staff and services at the Secretariat and regional offices, who provide translations, support Rotarians on a regional level, and ensure that we are keeping pace with global security and privacy regulations.

We all know that enhancing Rotary's image in the world is vital to our future success. RI is earmarking \$12.99 of your RI dues this year for resources to help promote Rotary in your community, and beyond. This includes not only the postcards, brochures, and other materials available on your Brand Center, but also our People of Action campaign, external relations, and our ongoing outreach and public relations work around the end of polio.

Within the next year, look for news about an improved technology infrastructure for your data, streamlined online giving, more timely online club reporting resources, and a more user-friendly My Rotary — all funded by the dues each of us pays. For more information on RI's budget and the value of your RI membership, I invite you to watch this presentation on Your Dues at Work.

For all of us, Rotary is an investment — not only of money, but of time, energy, and effort. As with any good investment, the more we put in, the greater our returns. None of it would be possible without the international association that unites us, and which we all support. I thank you all for that support, and for the good work each of you do, as you make a difference in our world.

Yours in Rotary,

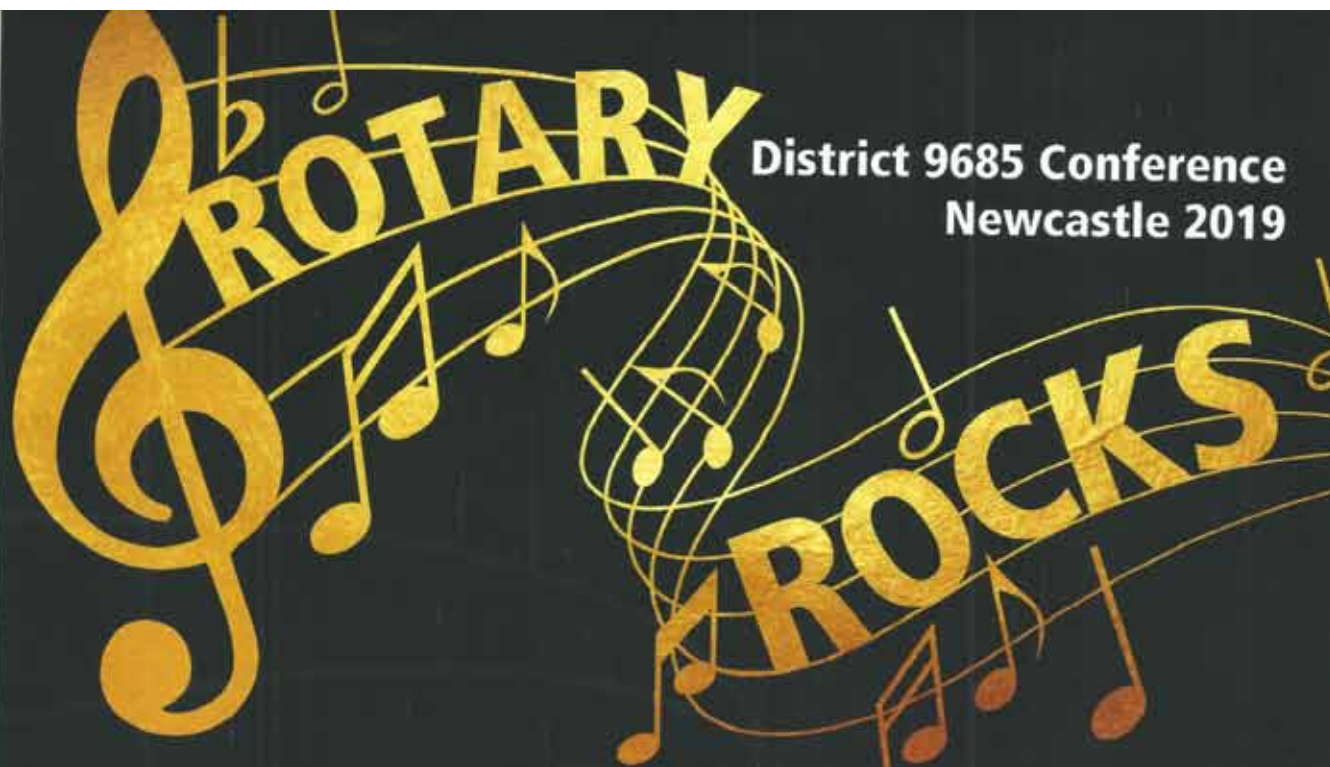

Ian Riseley

## AUSTRALIAN NATIONAL ANTHEM

At a recent club meeting, the rendition of the Australian National Anthem, Advance Australia Fair, especially the second verse, fell quite a bit short of what should be expected.

The first verse of the Anthem is on the back page of this Bulletin, but for your benefit, here are the complete official lyrics to the current Australian National Anthem, since adoption in 1984.

### **Advance Australia Fair**

*Australians all let us rejoice,  
For we are young and free;  
We've golden soil and wealth for toil;  
Our home is girt by sea;  
Our land abounds in nature's gifts  
Of beauty rich and rare;  
In history's page, let every stage  
Advance Australia Fair.*

*In joyful strains then let us sing,  
Advance Australia Fair.*

*Beneath our radiant Southern Cross  
We'll toil with hearts and hands;  
To make this Commonwealth of ours  
Renowned of all the lands;  
For those who've come across the seas  
We've boundless plains to share;  
With courage let us all combine  
To Advance Australia Fair.*

*In joyful strains then let us sing,  
Advance Australia Fair.*

## ABOUT ROTARY

*Paul Harris*

The world's first service club, the Rotary Club of Chicago, Illinois, USA, was formed on 23 February 1905 by Paul Harris.

Rotary is a worldwide organisation of business and professional leaders that provides humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world. More than 1.2 million Rotarians belong to over 34,100 Clubs in 210 countries and geographical areas. Rotary Club membership represents a cross-section of the community's business and professional men and women. The world's Rotary Clubs meet regularly and are non-political, non-religious, and open to all cultures, races, and creeds.

The Rotary motto is ***Service Above Self.***

## ***OBJECT OF ROTARY***

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service;
- SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## ***ADVANCE AUSTRALIA FAIR***

Australians all, let us rejoice,  
For we are young and free,  
We've golden soil and wealth for toil  
Our home is girt by sea;  
Our land abounds in nature's gifts  
Of beauty rich and rare;  
In history's page, let every stage  
Advance Australia Fair.  
In joyful strains then let us sing  
Advance Australia Fair.

## ***ROTARY THANKS***

For the community, friendship  
and the opportunity to serve  
through Rotary, we give thanks.

## ***THE FOUR-WAY TEST***

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
