**JOHN LANSER
and THE OPEN AIR SCHOOL**

The Open Air School

The disappearance of Harold Holt in December 1967 briefly revived memories of a long-forgotten North Shore school he briefly attended ... Abbotsholme College in Greengate Road, Killara, opposite the Greengate Hotel.

Better known, from its classes conducted on exposed verandahs, as **The Open Air School**, it was the only school to be exempted from closure during the Spanish influenza epidemic of 1919.

Privately owned, it did not long survive the death of its benefactor principal, John FitzMaurice, but alumni from its 17 year existence included two future prime ministers, a Reserve Bank deputy governor, the head of Woolworths, and the artist Cedric Emanuel.

John Lanser

Born in Waverley (Sydney), educated at Gordon Public School and Barker College, graduate of Sydney, New South Wales and London Universities, retired solicitor, part time university lecturer and member of the RAAF Specialist Legal Reserve, former chairman of the NSW AFL Disciplinary Tribunal, past president of the Australasian Pioneers' Club, member of Royal Prince Alfred Yacht Club, the National Trust, the Royal Australian Historical Society and the Australian Cinematographers Society.

In addition it is also understood that John taught Allan Farrar Economics when he attended Grammar!!

PRESIDENT RICHARD GREEN'S REPORT

We have only a few meetings left before Christmas.

This includes two important meetings.

The AGM on the 10 December and the Christmas meeting on the 17 December.

I want to issue the programme/roster for the next six months to July 2020. We just need to fix a few special meetings.

The members who have not organised a speaker to date have been allocated a meeting in the next 6 months.

The golfdays are coming up. We will need a few helpers on the day. If you want to play golf you can still register. See details to register later in the Bulletin.

Bunnings last weekend made a profit of just over \$1000. Unfortunately there were not many customers until 10 am and late in the afternoon. Thank you all the people who helped on the day.

Norm has organised tonight's speaker.

Again the speaker was involved in Allan's early life. We are learning a lot about Allan's life.

NOTE THAT THE ATTENDANCE OFFICER FOR THIS MEETING IS AVIS.

The speaker after that is talking about the Western Sydney Stadium. As the golf club is not available the meeting will be held at Roseville Memorial Club on the Pacific Highway. Everything else about the meeting will be the same. Chatswood club will be joining us.

Richard.

APOLOGIES AND GUESTS

Advise Attendance Officer, **Avis Manoukian**, on
0418 411 404 or email **Avis** at **avis@amcomms.com.au**
before 8.00 am SATURDAY before the meeting.
Any special dietary requirements, you or your guests, also advise Avis.

Don NAPPER

Cockatoo Island

Don gave a most interesting and informative address on the history of Cockatoo Island, and the many and varied activities and purposes which have occurred on the Island over the past 2 centuries.

His recollection for dates on which specific occurrences happened was staggering and “off the cuff”, with no guiding notes to assist him.

RYLA (Rotary Youth Leadership Awards) is on again from **5 –11 January 2020**.

While this seems a long way off, we need to find suitable candidates NOW as the deadline for submitting applications is the end of next month.

Before then, we need to find suitable candidates, brief them, then conduct interviews before submitting an application. So this does not leave us much time.

I attached a pdf outlining everything you need to know about RYLA 2020, to my email of 3 October which I sent to all members

Most importantly, applicants **MUST**:

- Be at least 18 years and under 27 years of age at 1 January 2020
- Have left school for at least one year
- Be a permanent resident of Australia, residing in New South Wales
- Be in attendance during the whole week. Leaving the venue is not permitted.

I seek your assistance in helping to find the right candidates for RYLA 2020. If you know of someone, I am happy to make the contact if you prefer. Just let me know.

Please don't hesitate to contact me if you have any questions.

Yours in Rotary,

Greg Muldoon

Environmental Citizen of the Year

**Nominations close
Friday 15 November 2019**

Peter Lewis, Peter Lefmann and John Hammond have volunteered their time for the removal day. If anyone is interested in helping, you should contact either of the Peters. The team will probably start at 9:00 or 10:00 on the Sunday morning (27th) – but they haven't finalised a time yet.

Please contact either Peter if you wants to participate for location meeting place and the finalised time.

Community groups across NSW are being challenged to brush up their creative skills for this year's Graffiti Removal Day by creating murals.

Graffiti Removal Day chairman Bob Aitken AM said preventing graffiti is the focus for this year's event on Sunday, 27 October.

"Graffiti vandalism costs our community over \$300 million each year," Mr Aitken said. "Since the event started in 2012 volunteers have removed more than 141,000sqm of graffiti, saving the community \$10.4 million.

"This year, as well as removing graffiti we want to see ugly tags with no artistic merit covered by colourful murals to help stop graffiti from occurring in the first place."

To help inspire people we are running a competition to find the best mural in the state with a \$1000 first prize.

Find out more about the mural competition or nominate a clean-up site by going to the website www.graffitiremovalday.org.au.

ABOUT ROTARY

Paul Harris

The world's first service club, the Rotary Club of Chicago, Illinois, USA, was formed on 23 February 1905 by Paul Harris.

Rotary is a worldwide organisation of business and professional leaders that provides humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world. More than 1.2 million Rotarians belong to over 35,000 Clubs in 210 countries and geographical areas. Rotary Club membership represents a cross-section of the community's business and professional men and women. The world's Rotary Clubs meet regularly and are non-political, non-religious, and open to all cultures, races, and creeds.

The Rotary motto is ***Service Above Self.***

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service;
- SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ADVANCE AUSTRALIA FAIR

Australians all, let us rejoice,
For we are young and free,
We've golden soil and wealth for toil
Our home is girt by sea;
Our land abounds in nature's gifts
Of beauty rich and rare;
In history's page, let every stage
Advance Australia Fair.
In joyful strains then let us sing
Advance Australia Fair.

ROTARY THANKS

For the community, friendship, and the opportunity to serve through Rotary, we give thanks.

THE FOUR-WAY TEST

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
