## PROPOSED AMENDMENTS TO CLUB BY-LAWS - TO BE CONSIDERED BY BOARD ON 23 OCTOBER 2018

A review of our by-laws was instigated by President Richard Green with the intention of making the composition and functioning of the Board more flexible, less prescriptive, and allowing the President more freedom in determining the functions of different portfolios.

President Richard, together with Greg Muldoon and Ross Symons discussed a number of changes to achieve the above objectives. The review concentrated on By-laws Part 2 Board of Director and the election of Officers and Directors, Part 5 Club meeting cycle, and Part 8 concerning the Committees.

The proposed changes are to be considered by the Board at its meeting on 23 October 2018.

The main changes proposed are;

- 1 The Board is classified as Mandatory (President, President-Elect, Secretary and Treasurer) and Optional (Directors of Committees) responsible for the 8 Rotary functions and club activities.namely; Membership, Public Relations, Club Administration, Community Service, International Service, Vocational Service,The Rotary Foundation and Youth Service.
2. The current President-Elect, prior to the AGM, must nominate how many Committees their term of President will have, and the functions of those Committees selected from the 8 Rotary functions and activities. This will determine the number of Directors to be elected at the AGM.
3. President-elect is not automatically the Vice-President
4. President to nominate up to 2 Vice-Presidents from all the Directors, to assist with the responsibilities/workload of the President.
5. Amend meeting by-laws to reflect current twice monthly meeting cycle.
6. Simplify current description of what each of the 8 Rotary functions are responsible for.
7. Allows the President to allocate any of the Club Administration responsibilities to another Director.

The Board will consider the proposal and make a decision and recommendation on the proposal. That will need to be considered by the Club as its general meeting on 13th or 27th November 2018, so any amendments are in place for the AGM on the 4 December 2018.

## IMPORTANT INFORMATION REGARDING APOLOGIES

### Apologies, Attendance by Guests and Dietary requirements

- 1 The Golf Club demands from Attendance Officer, AVIS, final attendance figures and any special dietary needs, of **ALL attending** at our meetings, by **11.00 am on Saturday** before the meeting - the number of meals prepared and served, and the table settings, may be based on this number by the Club

Its embarrassing to AVIS in his catering discussions with the Club, if he has not been advised that invited guests will be attending and the number, as potentially there may be no meals available for them.

- 2 **The deadline for apologies, advice of your guests and any dietary needs to Attendance Officer Avis Manoukian, is therefore before 10.00 am on Saturday before the meeting.**

# ROTARY YOUTH LEADERSHIP AWARDS (RYLA) CALL FOR NOMINATIONS

Its time to think about young people who may be suitable to, and benefit from, attendance at RYLA in January next year.

RYLA is an award that a Rotary Club gives to celebrate and reward the outstanding contribution of one or more young persons aged between 21 and 27 in the local community.

RYLA is a week-long, live-in “life changing” experience for 90+ young adults who are in the early stages of their career - sponsored by District 9685 Rotary Clubs.

This week-long RYLA experience is an intensive time of nonstop activity and interaction.

RYLA is held in January each year. Applicants need to be prepared to research current issues and seek solutions through debate and planning. This is a rewarding week of teamwork that can be taxing for some.

Applicants are nominated, interviewed and sponsored by the Roseville Chase Rotary Club.

How to apply? Applications are available online or you can download a copy from the website: [www.d9685ryla.org.au](http://www.d9685ryla.org.au)

More information is available at [www.RYLA.rotarydistrict9685.org.au](http://www.RYLA.rotarydistrict9685.org.au)

Every member is encouraged to think about any one they consider may be an appropriate nomination for this Award.

**Please advise David Brand with the name of anyone who you consider could benefit from attendance at RYLA 2019, so that he can follow up with contact, and interview of them, to determine if they would be a suitable nomination from this Club.**

## THE GREAT TRAIN RIDE HAS BEEN RIDDEN “END POLIO NOW”

### MESSAGE FROM THE ORGANISERS;

We are getting a number of inquiries as to the outcomes of the train ride. As of today the tally is at A\$245k so we are just \$5k short. If there are any Clubs out there that can find it within their bank accounts to contribute and get the tally to \$250k, we think this would be outstanding.

The train ride for Dave and myself was a great opportunity to help get the Polio message to a larger audience and a big THANK YOU to all the Clubs that turned out to present cheques, to ride the train, and to promote the brand. We did have a lot of red “End Polio Now” shirts visible on the day. At the end of this month we will have a final tally and there will be a story in RDU November edition.

## ABOUT ROTARY

*Paul Harris*

The world's first service club, the Rotary Club of Chicago, Illinois, USA, was formed on 23 February 1905 by Paul Harris.

Rotary is a worldwide organisation of business and professional leaders that provides humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world. More than 1.2 million Rotarians belong to over 34,100 Clubs in 210 countries and geographical areas. Rotary Club membership represents a cross-section of the community's business and professional men and women. The world's Rotary Clubs meet regularly and are non-political, non-religious, and open to all cultures, races, and creeds.

The Rotary motto is ***Service Above Self.***

## ***OBJECT OF ROTARY***

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service;
- SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

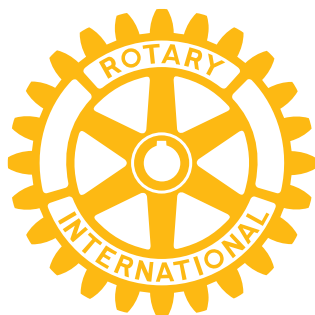

## ***ADVANCE AUSTRALIA FAIR***

Australians all, let us rejoice,  
For we are young and free,  
We've golden soil and wealth for toil  
Our home is girt by sea;  
Our land abounds in nature's gifts  
Of beauty rich and rare;  
In history's page, let every stage  
Advance Australia Fair.  
In joyful strains then let us sing  
Advance Australia Fair.

## ***ROTARY THANKS***

For the community, friendship, and the opportunity to serve through Rotary, we give thanks.

## ***THE FOUR-WAY TEST***

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
