PRESIDENT'S REPORT

Today's BBQ was not a success, probably the less said the better.

The numbers of attendees was very low and not the sort of people to eat sausage sandwiches .

The Art Centre provided food and we sold very few sausage sandwiches. In future we won't do this type again if they are providing food.

Many thanks to John Hartley, Peter Lefmann, Malcolm Pilcher, Ian Fraser, Di Wilkinson, and Peter Lewis for helping with the event.

PLEASE ALSO SEE THE ITEM ON PAGE 5 ABOUT THE THEATRE NIGHT AND THE SCREENING OF "MURDER ON THE ORIENT EXPRESS".

President Peter.

DG PETER WARD **Official Club Visit**

This will be the Official Visit to our Club by the District Governor Peter Ward.

Peter Ward joined the Rotary Club of The Entrance in 2004. The attraction at the time was the people he would be associating with and this still is the case.

Peter has served as Club President first in 2007-8, again in 2011-12 and most recently in 2014-15.

In 2015-16, Peter served as the Assistant Governor for the Central Coast.

Highlights for Peter have been the variety of successful projects he has led ranging from fund raising to the refurbishment of Rotary Park to community engagement days. a common element has been partnering with the local council, community groups or another Rotary club.

Peter held the office of Treasurer in 2005- 6, 2006-7, 2009-10 and 2010-11 and Vice President in 2008-9 and 2012-13.

Peter has been Youth Director in 2010-11, 2013-14 and in 2014-15 and has supported RYPEN, RYLA, MUNA and RYDA (successfully obtaining funding for RYDA from the local council). in addition Peter has held chairs for membership in 2013-14 and Foundation 2005-06 and 2008-09. Peter is a centurion and a Paul Harris Fellow.

Peter continues to work in information technology with a career spread across Australian and multinational companies having held local and Asia Pacific responsibilities for sales, operations and the occasional project.

Peter sees his greatest challenge as preserving what makes our District great while meeting the needs of our beneficiaries, partners and newest members.

Married to Anne, they have two adult sons, two cats, and together they have toured much of Australia. When time permits a quick trip into a national park or to a beach recharges their batteries.

If Peter wasn't actively "making a difference" via Rotary, he would rather be sailing.

MURDER ON THE ORIENT EXPRESS

Hoyts have offered the Preview night of the new production “Murder on the Orient Express” (ie The night before general release) to all Rotary clubs for a fund raiser for End Polio Now.

The release date is the 9th November but Roseville Theatre can't do it before the **20th November**. Ku-ring-gai Rotary have booked this date and are happy for us to assist in the organisation. (basically putting 'bums on seats').

The ticket costs will be \$20.00 which includes sherry and nibbles being offered prior to the commencement of the Movie.

Members are encouraged to invite family and friends along. We need to get more than 200 people.

The Rotary Foundation

In 2013-14 the Rotary Foundation raised US\$117 million, which was raised primarily by Rotarians, Rotary Clubs and Friends of Rotary. 92% of the annual expenditure goes towards projects and programs aimed at "doing good in the World" 2% is administration and 6% promotion. The Rotary Foundation has been awarded a four star rating by the Charity Navigator for eight consecutive years.

Let's Celebrate! The Rotary Foundation Rotarians in Sydney Districts 9685 and 9675 are proud of their Foundation and the work that is done throughout the world. We are also proud of the contributions made to our Foundation by the Rotarians, and Rotary clubs in the Sydney Districts and our annual dinner is a time to celebrate the good works of The Rotary Foundation and the excellent support from the members and clubs.

Recognition

To recognize the contributions made by individual Rotarians and Friends of Rotary, we have several recognition levels.

- Centurian: members A\$100 annually
- Paul Harris Fellow US\$1,000
- Paul Harris Society Members US\$1000 annually
- Major Donor Level 1: \$10,000, Level 2: \$25,000 Level 3: \$50,000, Level 4: \$100,000 (USD)
- Arch Klumph Society US\$250,000

We thank all Rotarians and Friends of Rotary for their generous support.

END POLIO NOW

The Rotary Foundation's universally best known program is Polio Plus — the eradication of Polio — which began in 1985 and is now hopelessly in the final stages. Not so long ago, the world was paralyzed by the fear of polio. More than 125 countries were polio-endemic and thousands of families watched in anguish as the disease killed or crippled 1000 people a day, most of them children.

For 30 years now, Rotary and its partners such as the World Health Organization, UNICEF and the US Centres for Disease Control, have worked tirelessly to rid the world of polio. So far Rotarians have raised over US\$1.3 billion to help fund this program.

Since 1985, more than two billion children have received the polio vaccine, and five million children destined to be polio victims are walking today because of global immunisation. Reported cases have dropped 99.8% and only two countries Afghanistan and Pakistan remain endemic.

The final challenge

In 2011, India, which has been one of the most endemic countries, went one full year without a single case and has now been removed from the endemic countries list. This year Africa, the continent, has now also achieved one year polio free, including Nigeria which was one of the 3 endemic countries. However, the virus knows no borders and can quickly spread from endemic countries into polio-free countries.

Polio Cases

Jan - Aug 2017	2016	1996
9	37	1000 per day

The greatest battle now is financial. The World Vaccine Summit in Geneva, estimated that Polio can be eradicated within the next 3 years and that the cost will be US\$5.3 billion. Fortunately, world governments and other agencies have committed \$4.4 billion leaving a short fall of \$1.3 billion which is another fund raising challenge for Rotary in conjunction with the Gates Foundation. Rotary has now sent out the call for Rotarians to raise \$33 million per annum which will be matched by the Gates Foundation 2:1.

DISTRICT RESOLUTIONS FOR AGM

10 TIPS TO ATTRACT AND RETAIN QUALITY MEMBERS

By Tom Gump, president of the Rotary Club of Edina Morningside, Minnesota,

Since 1 July, 2016, my Rotary club has recruited and brought in 31 new members. Eleven of these new members are women and eight of them are under 40 years of age. The club has gone from being classified as a “medium” sized club in our district to being classified as a “large” club in just over nine months. How did this happen? **Here’s our tips:**

1. Know your club’s strengths. If you meet in the morning, you will probably be a good fit for a 9 to 5 employee. But if you meet at noon, you’re more likely to appeal to retirees or parents of school-age children. If someone doesn’t fit your format, recommend them to another club. They won’t forget you and may send you someone another day. Let all the clubs in your area know you are looking for members, and they may send you some that better fit your format than their own.

2. Keep a list of potential recruits. It doesn’t matter if it’s a paper list or if it’s kept on the desktop of your computer – it just makes you think about those people and others that may be a fit for your club.

3. Make recruiting the top priority in your club. You can’t do everything as a club president, and knowing that will give you some freedom to focus on the most important thing. Having new members – with new energy – will help you have more people to raise money for The Rotary Foundation, serve on your committees, and invite additional members/more smiling faces to your meetings and fun event. Let your members know this is the top priority so they can all help.

4. Create a letter that lists all the great things about your club. List your star members, the advantages of where your club meets, how many members it has, etc. Make sure to tailor the email/letter to the wants of any potential new member.

5. List potential areas of responsibilities. Potential members will want to know how they can fit in and what opportunities there are for serving.

6. Be persistent. There will be times that it takes literally a dozen requests to get someone to a meeting. Keep asking. They may come to a meeting, or tell you they can't join now because they are too busy, or they aren't interested in joining at the moment. These are all fine answers as long as you keep track of them and keep in touch. How many times did you have to be asked? (It was over a course of two years for me)

7. Talk about Rotary wherever you go. At church, temple, work, neighborhood gatherings, family gatherings, parties, etc. You'll be amazed how easy it is after you practice for a while. Getting a lot of "no" answers built my confidence because it didn't hurt as bad as I thought and most people were actually happy I asked, even if they responded negatively. It's always a good time to recruit.

8. Celebrate when you get a new member. This gets the club excited about getting more members. Our club makes a poster of the individuals after they've been voted in and we put it in the front of the room at our next meeting. We do the same thing when we induct a new member.

9. Realize there is no finish-line. Even if you are at the size that your club wants to be, there are always reasons people leave. And new insights always benefit a club. You're either growing or you're dying.

10. Be vibrant. Wear a turkey suit before Thanksgiving (it's only your dignity you stand to lose), wear a lanyard with lots of "flair"/Rotary pins (it gets people talking to you), make outrageous centerpieces for your meeting tables (it gets people talking to each other), greet people outside the building you are meeting in and hold the door open for them (it lets people know you care).

These really work. Try them out.

ABOUT ROTARY

Paul Harris

The world's first service club, the Rotary Club of Chicago, Illinois, USA, was formed on 23 February 1905 by Paul Harris.

Rotary is a worldwide organisation of business and professional leaders that provides humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world. More than 1.2 million Rotarians belong to over 34,100 Clubs in 210 countries and geographical areas. Rotary Club membership represents a cross-section of the community's business and professional men and women. The world's Rotary Clubs meet regularly and are non-political, non-religious, and open to all cultures, races, and creeds.

The Rotary motto is ***Service Above Self.***

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service;
- SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ADVANCE AUSTRALIA FAIR

Australians all, let us rejoice,
For we are young and free,
We've golden soil and wealth for toil
Our home is girt by sea;
Our land abounds in nature's gifts
Of beauty rich and rare;
In history's page, let every stage
Advance Australia Fair.
In joyful strains then let us sing
Advance Australia Fair.

ROTARY THANKS

For the community, friendship
and the opportunity to serve
through Rotary, we give thanks.

THE FOUR-WAY TEST

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
