MEETING on 24 SEPTEMBER (6.00 pm for 6.30 pm)

GUEST SPEAKER - GEORGE AYOUB RUGBY TECHNICAL MATCH OFFICIAL

George Ayoub is our special guest speaker at tonight's (just after Australia's first Pool game against Fiji on 21 September in the second week of the World Cup and just before their most important game against Wales on 29 September).

George is one of the most senior professional referees in World Rugby. He is currently a member of the Super Rugby panel for Technical Match Officials (known as TMO). **However he will not be a TMO at this year's World Cup, in Japan.**

Born in Sydney, George trained as a teacher and took up refereeing in 1990 when he was a schoolmaster at St Patrick's College, Strathfield. By 1995 he was refereeing senior rugby in Sydney and he was selected on the Australian referees panel in 1996. He made his Super Rugby debut in May 2000, refereeing a Super 12 match between the Sharks and Chiefs in Durban.

George was appointed to his first Test in May 2002 between Japan and Tonga, and went on to referee 3 Tests and 17 Super Rugby matches before he retired at the end of 2007. In 2008 he returned to international rugby as a TMO. He has been the TMO for a number of games at the World Cup. He has also officiated as the TMO in Test Matches including the recent 2017 drawn series in New Zealand against the British Lions.

More information about the World Cup is on page 16.

PS. On the Willoughby Living FB page;

If anyone is interested, a friend of mine bought a ticket for the World Cup Rugby finals in Japan without realizing the date for the Wallabies v All Blacks match coincided with his own wedding date!

Please, if you know anyone who is free and wants to go in his place, it's at St. George's Cathedral, Bankstown on 19 October 2019 and the bride's name is Caroline.

PRESIDENT RICHARD GREEN'S REPORT

John Cutler, a former Rotarian, and introduced by the sartorially presented Allan Farrar modelling his latest J. H. Cutler tailored coat, entertained our meeting with the history of his forebears, bespoke tailoring and some amusing stories about some of his clients and their commissioning of the family tailoring service. Pity there is no one in the family who want to carry the business on, although there is one tailor who will.

Tonight George Ayoub is our guest speaker. George is one of the most senior professional referees in World Rugby. He is currently a member of the Super Rugby panel for Technical Match Officials (known as TMO). On the topic of rugby, on 12 November we have Al Baxter, an architect, to talk on the new Paramatta Stadium. I understand he is also a well know player and has represented Australia.

Our next Club BBQ at Bunnings Chatswood, is on Sunday 13 October 2019. Grant Campbell and Peter Lefmann will be seeking volunteers for all sessions.

The Annual **Rotary Foundation Dinner** is coming up on Monday 11 November at Waterview at Homebush. It will be a celebration of the work of the Foundation and will feature PRIP Ravi Ravindran as guest speaker. There always has to be a Raffle with maximum appeal to the ladies. Booking for the dinner will open shortly and more details on the raffle prize will be revealed next month.

Our golfing day with Chatswood Rotary on Monday 28 October, is progressing, but we still need to obtain more sponsors to boost the projected success of the day. We also need more playing teams of 4, but even if you can't gather a team together and have 1 or 2 interested players wanting a spot in a team, please let Neil Howie know, there are already some players wanting to be placed in a team.

Dont forget to indicate to Neil Howie if you are interested in going to East Timor in March/April next year. It should be an interesting trip (See Page 6 for details).

Currently all our meeting night guest speakers until December have been organised. I will soon be distributing a roster for the first half of next year of who is responsible for different meetings.

Richard Green
President.

NEXT MEETING - 8 OCTOBER 2019 EMERITUS/PROFESSOR DON NAPPER COCKATOO ISLAND COLONIAL HISTORY and SHIP BUILDING INDUSTRY

Emeritus Professor Don Napper will be our guest speaker for 8th October. He will speak on the story of Cockatoo Island.

The Island was a prison for 70 years and a Naval dockyard for 80 years.

The Island's use as a prison began in 1839 under Governor Gipps with convict labour. The Ship building began in 1913.

Since decommissioning the island has been transformed by Sydney Harbour Trust into a major cultural precinct.

Don is a Rotarian from North Sydney Sunrise Club. His background is very different. Educated at Sydney and Cambridge Universities in Molecular Chemistry, returning to Sydney Uni as a Professor of Chemistry and Head of School. He retired from the University in 2003 when he was Pro-Vice-Chancellor (Sciences and Technology) and was appointed an Emeritus Professor.

CONGRATULATIONS PDG HAROLD SHARP Incoming ROMAC Chair

On 20 September this year, PDG Harold Sharp will take over as Chair of ROMAC.

Harold currently serves on the ROMAC Board as Fundraising Director, and contributed greatly as a planner and adviser. Harold is one of the most experienced Rotarians and will use his extensive Rotary knowledge and his network of Rotary contacts to garner wide support.

Congratulations from the Roseville Chase Rotary Club members on your appointment Harold.

LAST MEETING - 10 SEPTEMBER 2019

JOHN CUTLER

3rd GENERATION BESPOKE TAILOR

John Cutler, a former Rotarian, entertained our meeting with the story of his forebears, bespoke tailoring and some amusing stories about some of his clients and their commissioning of the family tailoring service.

“Bespoke” (which has the current meaning of “made to order”) tailoring is under extreme pressure from the “machine manufactured” garments. John will be the last of his generations with the craftsmanship of producing hand made tailoring with none of his children following the family tradition.

John has made coats from VICUNA , a product of Peru known as the world's most expensive wool fabric for some clients. He also fulfilled another commission of 75 suits ordered by an elderly gentleman, has tailored suits for some Australian Prime Ministers and Australian businessmen, as well as several overseas dignitaries and clients.

Currently, when at home, John uses his wooden topped billiard table as his cutting table. Today his preference for fabric is made from Australian fine merino wool especially from Tasmania and the New England area of NSW.

What's ahead? Could these fine merino sheep fleeces become woven fabric for one of John Cutler's famous suits?

AND A FEW JOKES FOR YOU

An elderly farmer in the Northern Territory had a large pond down by his fruit orchard. One evening he decided to go down to the pond and took a ten litre bucket to pick some fruit.

As he neared the pond, he heard female voices shouting and laughing with glee. As he came closer he saw a bunch of young women skinny-dipping in the pond.

He made the women aware of his presence and they all went to the deep end. One of the women shouted to him, 'We're not coming out until you leave!'

The old man thought for a second and said, 'I didn't come down here to watch you ladies swim or to make you get out of the pond naked.'
Holding the bucket up he said, 'I'm here to feed the crocodile!'

Moral: Old men can still think fast.

I feel like my body has gotten totally out of shape tought this lady. So I got my doctor's permission to join a fitness club and start exercising.

I decided to take an aerobics class for seniors.

I bent, twisted, gyrated, jumped up and down, and perspired for an hour. But, by the time I got my leotards on, the class was over.

An elderly couple has dinner at another couple's house, and after eating, the wives leave the table and go into the kitchen.

The two gentlemen were talking, and one says, 'Last night we went out to a new restaurant and it was really great. I would recommend it very highly.'

The other man asks, 'What is the name of the restaurant?'

The first man thinks and thinks and finally asks, 'What is the name of that flower you give to someone you love? You know... The one that's red and has thorns.'

'Do you mean a rose?'

'Yes, that's the one,' replied the man. He then turns towards the kitchen and yells, 'Rose, what's the name of that restaurant we went to last night?'

When were you last inspired by a woman and what was so extraordinary about their inspiration?

These and many more answers will be revealed at the NSW Rotary Inspirational Women's Awards 2019

These awards recognise service to the community across all sectors. It is about commitment, dedication, perseverance and proactivity in improving the lives of others across NSW and the ACT. Often women, especially in country and regional NSW and ACT are the "quiet achievers" whose actions inspire others and make a difference in their communities.

The Awards cover 2 key categories inclusive of Rural and City Urban for each category:

- Young Inspirational Woman of the Year for the 18-30 years
- Inspirational Woman of the Year for the 30+ years

Finalists are selected from each category, resulting in 2 overall winners:

- Young Inspirational Woman of the Year
- Inspirational Woman of the Year

An exemplary number of applications ensured the panel of independent judges from Rotary Districts were challenged as they assessed the three key criteria:

- Community service which best exemplifies Rotary's motto of Service Above Self
- Achievements
- Personal attributes

Ticket purchases and proceeds will support an Australian Rotary Health

Scholarship for a young female GP in a rural practice for 12 months.

When does the Rugby World Cup start?

Running from September 20 all the way through to the final in Yokohama on November 2.

What is the format of this year's competition?

While other global tournaments continue to add teams to the main draw, for the sixth straight time there will be 20 nations competing in rugby's showpiece event.

They are split up into four pools of five, with the teams in each group playing each other once before the top two qualify for the quarter-finals. From there, the format is as follows:

Quarter-final format:

- QF 1: Winner of Pool C v Runner-up in Pool D
- QF 2: Winner of Pool B v Runner-up in Pool A
- QF 3: Winner of Pool D v Runner-up in Pool C
- QF 4: Winner of Pool A v Runner-up in Pool B

The winner of quarter-final 1 then meets the winner of quarter-final 2 in a semi-final, with the winners of quarter-final 3 and 4 facing off, to determine this finalists.

How are the groups made up?

Rugby World Cup pools 2019. Who faces who first.

POOL A	POOL B	POOL C	POOL D
Ireland	New Zealand ***	England *	Australia **
Scotland	South Africa **	France	Wales
Japan	Italy	Argentina	Fiji
Russia	Namibia	USA	Georgia
Samoa	Canada	Tonga	Uruguay

* Number of World Cups won

Where are matches being held?

Tokyo, Sapporo, Yokohama, Osaka, Saitama, Toyota City, Fukuoka, Kobe City and Kamaishi City are all hosting matches this year.

The Australians are based in Sapporo for their pool matches, with the quarter-finals split between Tokyo and Oita, while Yokohama hosts both semi-finals.

Tokyo Stadium hosts the bronze medal play-off before Yokohama stage the final.

Who are the favourites?

They may have lost the world No.1 ranking to Ireland, but New Zealand are short-priced favourites to collect their fourth World Cup title in Japan. It would also be their third on the trot.

England and 2019 Rugby Championship winners South Africa are considered the next most likely victor with bookmakers, ahead of Ireland and Wales.

The Wallabies, in a reflection of their current ranking, are outright sixth and the only other team given a realistic chance of leaving with the Williams Webb Ellis Trophy. France, Scotland and Argentina are considered outsiders, ahead of Japan, who are roughly 250-1 with most agencies on home soil.

Change to Entertainment Books subscriptions

Entertainment Books has advised that for 2020/2021, membership will be available via the digital app only.

In terms of the members of our club that did want to purchase the digital edition, this can be done through the online order page.

<https://www.entertainmentbook.com.au/orderbooks/20769y3>

The process is very easy to purchase through the order page, the customer simply needing to input their details and email address. Once the payment is processed via the customers credit card, they will receive an order confirmation via their nominated email address. This will give them instructions on how to download the app and their log in details.

The money our club will raise through these online orders is collated onto our account (eg – 1x \$70 membership @ 20% = \$14)

Our club then receives our fundraising dollars as a lump sum at the end of the fundraising season via direct deposit to whichever nominated bank account details our Club provides.

A team from Penrith High School won the National Model United Nations Assembly debating competition in Canberra in August.

The annual competition was conducted at the Museum of Australian Democracy (Old Parliament House) and the all male Penrith team triumphed after a gruelling two days of debating the challenges of world peace, climate change, health, education, living standards and a variety of other topics.

Our team from SHORE performed admirably but were not able to take out the National Title.

ABOUT ROTARY

Paul Harris

The world's first service club, the Rotary Club of Chicago, Illinois, USA, was formed on 23 February 1905 by Paul Harris.

Rotary is a worldwide organisation of business and professional leaders that provides humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world. More than 1.2 million Rotarians belong to over 35,000 Clubs in 210 countries and geographical areas. Rotary Club

membership represents a cross-section of the community's business and professional men and women. The world's Rotary Clubs meet regularly and are non-political, non-religious, and open to all cultures, races, and creeds.

The Rotary motto is ***Service Above Self.***

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service;
- SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ADVANCE AUSTRALIA FAIR

Australians all, let us rejoice,
For we are young and free,
We've golden soil and wealth for toil
Our home is girt by sea;
Our land abounds in nature's gifts
Of beauty rich and rare;
In history's page, let every stage
Advance Australia Fair.
In joyful strains then let us sing
Advance Australia Fair.

ROTARY THANKS

For the community, friendship, and the opportunity to serve through Rotary, we give thanks.

THE FOUR-WAY TEST

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
