Tonight will be the briefing for the 2017 Fun Run.

Mike Harrowell will be advising of the duties which have been allocated to participating members, partners and Friends of Rotary, and running through the finer points associated with the Fun Run.

It will also be the last chance for any one to advise if, for some reason, they will no longer be able to assist on the Sunday, and others to offer to assist if not previously committed.

**THIS IS AN IMPORTANT MEETING AND ALL MEMBERS ARE ENCOURAGED TO ATTEND SO THAT THIS MAJOR FUND RAISING EVENT GOES ACCORDING TO PLAN.**

# President Peter's Report

On Tuesday the 11th we heard from Patricia Garcia who is our District Peace fellow who for decades lived and worked in war zones. (you can read a full text further on in this Bulletin).

The Bunnings BBQ on Sunday the 15th raised \$1,204.95 and many thanks go to the members who helped, and special thanks to Pam Campbell, Janette Kay, Cliff Garrett, Nick Brooke and two students Bella and Jesse Merhi.

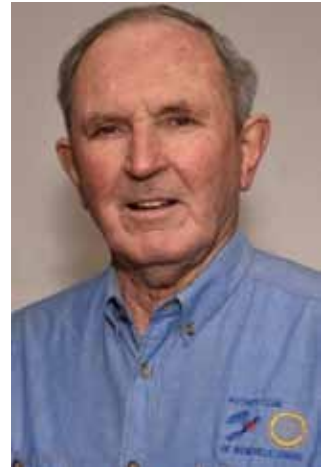

Last Saturday morning I attended the first of our District President's meeting chaired by DG Peter Ward. Many interesting Projects were introduced and discussed including the Presidential Peacebuilding Conference, The Rotary International Grotrees Project, End Trachoma, The Hippo Roller and Art for Freedom.

Grotrees is an interesting project which is a partnership between the club and Landcare and with some variation on this idea is something we could introduce. Back in 1935 Paul Harris left several permanent reminders of this visit to Australian Rotary clubs, including the planting of trees in Australia.

On a sad note International President Elect Sam Otori of Uganda passed away due to complications from surgery. A much respected Rotarian of 38 years.

Regards

President Peter

## **AUSTRALIAN NATIONAL MARITIME MUSEUM**

### **Vanessa Weedon**

Australians have always had close links with the sea. In 1975 a museums inquiry commissioned by the Australian Government recommended that ‘...priority be given to a national maritime museum in Sydney’. In 1984 an ambitious Darling Harbour redevelopment program was unveiled. The museum would stand adjacent to the historic 1903 Pyrmont Bridge, now a pedestrian link to the city.

Prominent Australian architect Philip Cox AO designed the museum building and construction started in 1986. Prime Minister Bob Hawke opened the Australian National Maritime Museum on 29 November 1991. US President George Bush, with Australia’s new Prime Minister Paul Keating, dedicated the museum’s USA Gallery on 1 January 1992. HM Queen Elizabeth visited the museum in February 1992.

### **“Does, Don’ts & Reminders” from last Meeting”**

Last meeting saw s few changes and the need for some reminders about, and during, our meetings.

- ENSURE all seats at the President’s table are filled first - WELL DONE
- DON”T forget to turn OFF/SILENT your MOBILE PHONES - its quite distracting to guest speakers to be interrupted by a phone
- DON”T foregt we now stand at the start of the meeting for ROTARY THANKS - so you will have to wait a little longer to tuck into your breadroll
- Do STAND and announce yourself when addressing a question to the guest speaker, as it enable the speaker to address you personally, and helps in commanding order and decorum during this meeting section.
- 
- LAPTOP AND PROJECTOR- Some time ago PP Norm Gibson suggested we upgrade the projector to enable the guest speakers to do justice to the time they have spent in preparing their presentation. Maybe we should also be looking to replace the laptop, as its embarrassing to us and the Guest Speaker to arrive with their USB presentation only to face difficulties/unreliable data equipment. Is anyone upgrading their own laptop and looking for a good home for a still functioning good laptop.
- After a no-show by Directors, PP Arthur Marshall suggests that the event in the monthly Calendar named “Board Meeting” be changed to “BORED MEETING”- apparently he was the only board member to show up on 11 July, and had spent plenty of time on a Treasurer’s report.

## **LAST WEEK'S GUEST SPEAKER**

### **2016 -17 Peace Fellow - Patricia Garcia OAM**

Patricia, is our District's Peace Fellow for 2016-17 having been nominated by the Lane Cove Club. As a respected humanitarian and human rights advocate, she was ideally qualified to undertake the program and to represent Rotary. In addition to her Order of Australia award, Patricia was one of four finalists for the 2016 New South Wales State Nomination for Australian of the Year. Her citation stated:-

*For decades, Patricia Garcia has lived and worked in war zones. From Afghanistan to Sudan, Bosnia to Burma, Patricia has managed humanitarian relief and recovery programs in some of the world's longest running conflicts. Witnessing first-hand the violence and brutal exploitation of women and girls in armed conflicts, Patricia has broken the silence so that women's voices can be heard. While in Sudan, she brought attention to the problem of female genital mutilation. In Bosnia, she collected the personal testimonies of female survivors in the landmark case at the International Criminal Tribunal which found rape in war a crime against humanity. In Afghanistan, she fought the entrenched system of violence against women. Closer to home, she's supported refugees making a new start in Australia and has designed the human rights course for the Masters of Peace and Conflict Studies at the University of Sydney. Through Patricia's courageous efforts, the world is finally listening to the stories and suffering of women in war.*

Patricia spoke to us about the benefits of her three months of study at the Peace Centre at Chulalongkorn University in Bangkok and, in particular, field studies in northern Sri Lanka in the aftermath of the Tamil conflict.

With her background of many years of, at times, harsh experience in war zones, she gave a passionate account of the escalating need for a global educative approach to conflict resolution and the treatment of refugees exemplified by the Rotary Peace Fellows program.

Patricia's demonstrated commitment and dedication to humanitarian work over many decades, at considerable personal risk and impact, is very compelling and truly inspirational.

Rotary is indeed fortunate to have her participation in its Peace Fellows program. Details of the program follow.

Neil Howie  
Foundation Director

## President Peter's Traffic Obsession

President Peters recent communications with State MPs and what seems to be an obsession with North Shore traffic matters, appears to be gaining some community support e.g.

1. Another letter in the North Shore Times (6 July 2017) concerning the Pacific Highway and Boundary Street intersection and road works from E. Robert V Smith of Roseville Chase;

2. His "clearway" suggestion for the Pacific Highway through Gordon ("roads are for cars not parking") is already under consideration for Eastern Valley Way from Roseville Chase to Northbridge;

- Week days; Clearway 6.00am to 7.00 pm both directions
  - Weekends; Clearway 9.00 am to 6.00 pm both directions.
- Maybe he can extend this.

### Boundary Rd puzzle

SARAH Selden rightly asks (*NST*, June 22) why work at the corner of Pacific Highway and Boundary Rd is so slow. The other question is what will it achieve if it is ever finished? Boundary Rd will not be any wider, and in peak hours the number of cars that can turn right out of Boundary Rd is limited because the highway is blocked up to the lights at Roseville. It seems that the RMS is just using this area as a place where their workers can wander around eternally and achieve nothing.

## **Rotary President-elect Sam F. Owori dies**

Rotary International President-elect Sam F. Owori died unexpectedly on 13 July due to complications from surgery. Sam was a member of the Rotary Club Kampala, Uganda, for 38 years.

“Rotary has become a way of life for me – with the intrinsic value and core belief in mutual responsibility and concern for one another as a cornerstone,” Sam said when he was nominated last year. “I feel immense satisfaction knowing that through Rotary, I’ve helped someone live better.”

Sam’s term as Rotary’s 108th president would have begun on 1 July 2018. “Please remember Sam as the outstanding, hard-working Rotarian he was,” said Rotary International President Ian Riseley. “In this difficult time, I ask you to keep his wife, Norah, the Owori family and Sam’s millions of friends around the world in your thoughts.” Under Sam’s leadership, the number of clubs in Uganda swelled from nine to 89 over the course of 29 years.

Sam saw in Rotary members “an incredible passion to make a difference,” and wanted to “harness that enthusiasm and pride so that every project becomes the engine of peace and prosperity.”

Sam was the chief executive officer of the Institute of Corporate Governance of Uganda, whose mission is to promote excellence in corporate governance principles and practice in the region by 2020. Previously, he was executive director of the African Development Bank and managing director of Uganda Commercial Bank Ltd., and director of Uganda Development Bank. He has also served as corporation secretary of the Central Bank of Uganda.

He served as member and chair of several boards including FAULU (U) Ltd., (now Opportunity Bank), the Uganda Heart Institute, the Centre for African Family Studies, Mulago Hospital Complex, Mukono Theological College, and the Kampala City Council.

Sam also was the currently vice-chair of the Hospice Africa Uganda, and member of the board and chair of the Audit Committee of PACE (Programme for Accessible Health, Communication and Education) in Uganda.

“Sam was a special person in so many ways, and his unexpected death is a huge loss to Rotary, his community and the world,” Riseley said. “In addition, we are establishing details on plans to celebrate his life as they become available.”

Rotary is establishing a memorial fund in Sam’s honor and will provide further details soon.

More information follows.

*Dear fellow Rotarians,*

*There has been an outpouring of heartfelt messages since President-elect Sam's passing last week. Rotarians and members of the public have been sharing memories and recalling how Sam inspired them through his hard work as a Rotarian and as a dedicated civil servant. It is clear that his impact and legacy were felt worldwide.*

*There will be a service for Sam on Friday, 21 July, from 7 p.m. to 9 p.m., at St. Vincent's Cathedral in Bedford, Texas. Friends in the area are encouraged to visit. Funeral services in Uganda are currently being planned.*

*Memorial contributions in honor of Sam will be directed to the Sam F. Otori Memorial to Polio. This fund has been established to honor his commitment to Rotary's polio eradication efforts. Sam was a member of both the Africa Regional PolioPlus Committee and the International PolioPlus Committee. You can make online contributions to the fund [here](#).*

*The 2017-18 nominating committee will select a new president-elect, in addition to the president-nominee, during its scheduled meeting in early August. Thank you all for your continued support during this difficult time.*

Sincerely,  
Ian Riseley  
Rotary International President, 2017-18

### TRAINING YOUR BRAIN WITH THE THINKO! PUZZLEBOOK

Dementia is the second leading cause of death in Australia and there is no cure.

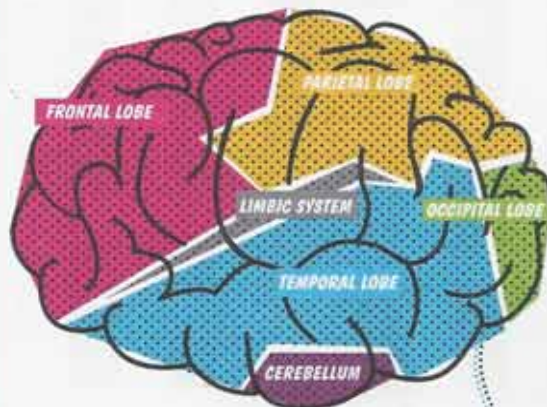

The rate of dementia in Australia is rising at an alarming rate with more than 353,800 currently estimated to have the disease, and that number is expected to increase to 400,000 in less than five years.

Being brain healthy is important at any age and research suggests that leading a brain healthy life may reduce a person's risk of developing dementia later in life.

There are no guarantees but evidence does show that people can reduce their risk of dementia and other chronic diseases by adopting healthy lifestyles – so why not try Thinko!

### SIX REASONS TO TAKE A THINKO! BREAK

Your **FRONTAL LOBE** is a natural leader – this part of the brain loves solving problems.

Your **TEMPORAL LOBE** is a listener – it processes what you hear and helps you understand.

Your **OCCIPITAL LOBE** is looking all around – it can tell when something is moving and what colour it is.

Your **PARIETAL LOBE** is busy taking it all in – it helps you pay attention, read and write.

Your **CEREBELLUM** is a mover and shaker – it helps you synchronise and harmonise your body's movements.

Your **LIMBIC SYSTEM** is a sensitive soul – it forms and processes emotion, deals with smell, learns new things and holds long-term memory.

Daily doses of Thinko! will excite your brain so it can be ready for any challenge ahead!

## ABOUT ROTARY

*Paul Harris*

The world's first service club, the Rotary Club of Chicago, Illinois, USA, was formed on 23 February 1905 by Paul Harris.

Rotary is a worldwide organisation of business and professional leaders that provides humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world. More than 1.2 million Rotarians belong to over 34,100 Clubs in 210 countries and geographical areas. Rotary Club membership represents a cross-section of the community's business and professional men and women. The world's Rotary Clubs meet regularly and are non-political, non-religious, and open to all cultures, races, and creeds.

The Rotary motto is ***Service Above Self.***

## ***OBJECT OF ROTARY***

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service;
- SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

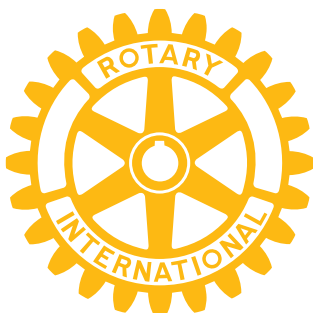

## ***ADVANCE AUSTRALIA FAIR***

Australians all, let us rejoice,  
For we are young and free,  
We've golden soil and wealth for toil  
Our home is girt by sea;  
Our land abounds in nature's gifts  
Of beauty rich and rare;  
In history's page, let every stage  
Advance Australia Fair.  
In joyful strains then let us sing  
Advance Australia Fair.

## ***ROTARY THANKS***

For the community, friendship  
and the opportunity to serve  
through Rotary, we give thanks.

## ***THE FOUR-WAY TEST***

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
