**MEETING on 26 February (6.00 pm for 6.30 pm start)**

**Guest Speaker is Peter Tonkin,  
WALSH BAY ARTS PRECINCT.**

Dr Peter Tonkin has a strong design and urban design reputation, and a wide range of experience from simple to complex buildings and site planning. Award winning projects have included the Eternity Playhouse, the National Arboretum Canberra, Glebe Town Hall Adaptive Reuse, the redevelopment of the Hyde Park Barracks Museum, the Australian War Memorial London, and Victoria Square and Riverbank Bridge in Adelaide. Peter is currently working on the upgrade of the Bondi Pavilion and the nationally-significant Walsh Bay Arts Precinct for Create NSW.

Peter has maintained an independent practice since 1981 and in 1987 he joined Brian Zulaikha to form Tonkin Zulaikha Greer Architects. He has presented papers and lectures at many conferences and universities in Australia and overseas. He is currently Adjunct Professor of Architecture at the University of Canberra, and a former Trustee of the Historic Houses Trust of NSW.

Peter Tonkin will introduce the Walsh Bay Arts Precinct, where the NSW Government is creating a thriving internationally-significant Arts Precinct. Walsh Bay's existing performing arts and cultural precinct is getting a \$200 million redevelopment that will promote a sense of community and inclusivity amongst Sydney's art creators, audiences and the public. We will explore the underdeveloped pier's refurbishment and its influence on the area, and look at the benefits and risks of transforming heritage buildings into innovative new uses.

## PRESIDENT RICHARD GREEN'S REPORT

### Carevan Blacktown

Carevan have \$20,000 to buy a van. Richmond Rotary and our club will each donate \$1,000 to cover the miscellaneous costs ,such as registration and insurance.

### Variety club speaker

The speaker will speak on the history of the bash started 35 years ago by Dick Smith . He will also talk about his experiences on many bashes

Last meeting we heard from the DG . She gave a clear summary of what has been happening in the district this year and suggested we continue to participate in district activities, in particular the foundation. PDG John gave us a gnome that we have to decorate and take to the District Conference.

Note that we have two meetings on Mondays i.e. 25 March and 29 April.

We need people for the debate against Lindfield . They do not want it to be a serious evening, but a fun night.

The visit to the Hyde Park Memorial will take about an hour and will be followed by dinner at a local restaurant.

A flier has gone to the parents of the pupils of Roseville Public School and the Scouts inviting them to come to our meeting on the 12 March. Hopefully some might enjoy themselves and become a member . We would like a good attendance on that night.

Fliers for the Wine and Cheese tasting night have gone to all members and all the schools and the Scouts. We need to get about 150 people. Note date is 6 April.

The date of the golf day has been finally settled . It is Wednesday 22 May.

Note the other activities in the bulletin.

It would be good to have a number of people at the scout function as they help us out a lot.

President Richard

## LAST MEETING - 12 FEBRUARY

### **SUSAN WAKEFIELD - DG**

District Governor Susan Wakefield and her husband, PDG John Wakefield, presented to the Club on 12th February, 2019. It was a far-ranging coverage of the Rotary activities of D9690 including some controversial topics such as the continuation /or not of Rotary Down Under and potential amalgamations.

She also challenges a few “mis-facts” such as the Rotary Foundation only sent money overseas. Examples such as Indian Rotary Club contribution to a global effort to pay for medical equipment in Sydney and some 38 Indian club in Madras, itself, paying into the Foundation to widen our re-appreciation of Rotary.

If you recall there was a fund raiser involving travelling all over the Sydney’s rail network all in one day...’insanity’, we said. It raises some \$24K that when added to their 2:1 funding from the Gates foundation saw some 3-4 times that amount go to Polio Plus...unbelievable.

Drought assistance, foreshadowing Conference highlights and John’s Grace Place project were all re-energising information.

Apology for having to stop question when we were in full swing but a second speaker was warming up and so Part 1 of the meeting came to a close.

A really informative, entertaining and challenging presentation and ...all off the cuff.

Thank you, DG and PDG John.

Ian Garrard

### **ANTHONY HAWORTH**

At our last meeting we were fortunate to have Anthony Haworth the General Manager, accompanied by his wife Jane, of Captain Cook Cruises Sydney speak to us about his past 48 years with the company.

He spoke about how the Company started and progressed to where it is today. I’m sure everyone enjoyed the presentation and we thank him for giving up his time to speak with us.

It was a dream of his father Trevor and he told us of the battles along the way to get the company to where it is today.

Trevor and Geraldine Haworth were both Paul Harris Fellows with two sapphires and would have been very proud of Anthony’s presentation – they were very community minded people who worked very hard to make their dream come true.

## PROPOSED BYLAW CHANGES.

To be considered at the Meeting on 26 February 2019.

### Explanatory Notes

A review of our bylaws was instigated by President Richard Green with the intention of making the composition and functioning of the Board more flexible, less prescriptive, and allowing the President more freedom in determining the functions of different portfolios.

A number of changes to the bylaws, to achieve Richard's objectives, have been proposed.

The review concentrated on the following bylaws with proposed changes summarised below;

- *Part 2; Bylaw 2 - Board of Director. Composition and Membership of Board and the election of Officers and Directors.*

Setting the maximum and minimum number of Directors on the Board, and the determination of Director responsibilities.

- *Part 3; Bylaw 3 - Officers and Directors of Board.*

Some quite significant changes to Section 6 are proposed, including appointments by the President or Board, of one or more of Vice Presidents (but no more than two); specifying that a President-Elect shall also be a Vice-President; the Board and President's authority to manage these appointments and what happens and how matters are dealt with in the absence of a President-Elect.

- *Part 3; Bylaw 4 - President-Elect and Vice-Presidents;*

Clarifying the role and duty of a President-Elect.

- *Part 5; Bylaw 7 - Meetings of Club Members.*

To reflect the current twice monthly meeting cycle. and specify when the AGM is held.

- *Part 8; Bylaw 13 - Committees - Standing and Special Committees.*

Simplifying and making the responsibilities of Committees less descriptive and prescriptive.

NOTE: The full text of the changes proposed to the various bylaws will be separately distributed to all members with the Dinner Notice.

# ROSEVILLE CHASE ROTARY FUND RAISING ACTIVITIES

## 6 APRIL AND 22 MAY 2019

### MESSAGE FROM FUND RAISING COMMITTEE

We have two very important fundraising events coming up:-

1. **A wine and cheese tasting evening; 6 April, Roseville School,**
2. **A Golf Day 22 May at Roseville Golf Club.**

Our ability to successfully meet our fundraising targets for 2018-2019 will largely depend on the success of these events.

**Could you please actively support these initiatives and:-**

- **put the Wine and Cheese Tasting dates in your calendars straight away;**
- **ask your friends, family or other contacts to come to the Wine and Cheese Tasting;**
- **let me or Greg have confirmation asap that you are able to come to the Wine and Cheese Tasting and email contact details for any guests that will or may be coming so that we can include them in a mailing list for the event; and**
- **let me, Cliff or Richard have any contacts that you might have who would or might be prepared to sponsor the Golf Day or a hole or provide prizes.**

### **Wine and Cheese Tasting Evening - SATURDAY 6 APRIL**

Funds raised from the evening will go to the funding of the Club's youth programs.

The evening, which will be generally conducted by Wine Selectors, will commence with a presentation on Australian wines and its regions followed by a wine tasting of 12 wines (across reds, whites, rose and sparkling) matched to 6 different cheeses with tasting notes. With a range of over 500 varieties, wine can be purchased on the evening and also ordered through the online website [www.wineselectors.com.au](http://www.wineselectors.com.au).

There will be a charge of \$40 to cover some costs and for fundraising.

**A high light of the evening will be the raffle of a brand new Mercedes provided by Mercedes Benz North Shore for a weekend from Friday to Monday! The raffle will also have as minor prizes 2 cases of wine donated by Wine Selectors**

The evening will be also promoted Rotary, Friends of Rotary, Probus, local schools, and local community groups including the Scouts.

## **Golf Day - 22 May, Roseville Golf Club**

The date and time for the event is being negotiated with Roseville Golf Club.

It is planned as an 18 hole Ambrose event with a shotgun start at 7.30am (fuelled by a bacon and egg roll). A sit down 2 course lunch at 12:00 provided.

Fundraising will include raffles / auctions.

The event will finish at around 2:30pm.

The success of the day as a fundraiser will depend on obtaining a major sponsor and minor sponsors of individual holes and of prizes.

**Sponsors are urgently needed if we are to proceed with this event. If you have any suggestions for sponsors, please let us know and we will contact them.**

Fundraising will go to the the Pink Ladies at Royal North Shore Hospital for the new MRI Head Coil.

**Neil Howie Fundraising Chairman**

## **GRAFFITI BUSTERS AT WORK**

The RCRC Graffiti Busters Team were out on patrol again on Thursday 7th February – despite the 30 degrees and high humidity,

Peter Lefmann and Peter Lewis hit about 10 sites and eliminated approx. 10 sq metres of graffiti, over the 3 hour period.

They visited Echo point (and can report that our picnic areas look in good shape and are graffiti and litter free!), Roseville shops area and a couple of sites in Lindfield – including the Cromehurst School wall.

A few before/after photos – including how our roving trailer helps to spread good PR.

## POSSIBLE COMBINED SYDNEY DISTRICT

The following communication has been received from DG Susan Wakefield OAM.

*New District 9675/9685*

*At District 9685's December Presidents Meeting the following videos were shown to all in attendance.*

[https://youtu.be/dW1\\_5jPhNKU](https://youtu.be/dW1_5jPhNKU)

<https://youtu.be/MiXR2pqEdmU>

*The Power point Video has been created by the Steering Committee made up of Rotarians from both Sydney Districts and covers the topic of our two districts joining together to create one larger Sydney District.*

*Please be aware that at this time, we are not in danger of being forced to merge/redistrict. The magic number from Rotary International is District membership below 1,000. This is an opportunity for the two Sydney Districts to have a discussion.*

*At the Presidents Meeting I asked all present to please arrange for this to be shown at a regular club meeting . Once the presentation has been shown and your club has discussed the Pros and Cons of such a move, we ask that you conduct a vote within the club to be forwarded to District at a date to be announced.*

*The vote will be:*

*Yes to continue the discussion*

*or*

*No, not to continue the discussions at this time.*

*If after showing the presentation your members have questions you are not comfortable to answer please contact me and I will arrange for either an Assistant Governor, a member of the Steering Committee or the G-Train to assist you. Please consider this presentation carefully.*

*Thanks,*

*Susan Wakefield OAM*

**Note; President Richard has scheduled a display of the videos and a discussion of the proposal for this meeting on 26 February 2019.**

## MEETING ON 25 MARCH DEBATE AT LINDFIELD ROTARY - 7. 00 PM

**Monday 25 March**, we are visiting the Lindfield Rotary Club for a resumption of the debates that we used to have against that club some years ago.

The composition of our team is being kept under tight raps in case there is any attempt by the Lindfield members ( or even our own members) to indulge in a little side wagering to sway the result.

Our Zone Assistant DG Fiona Jenkins has accepted an invitation to be adjudicator and she is not accepteing any “brown paper bags” either.

## KILLARA HIGH SCHOOL MOCK INTERVIEWS

The following communications has been received from the Careers Adviser at the Killara High School, seeking our clubs member’s assistance again this year.

*Thank you for participating in the Killara High School Mock interviews in previous years. We value your contribution to our careers program highly and therefore extend the invitation for you to partake in the program again. The Mock interviews will be conducted this year on **Wednesday 10th of April**.*

*If you are able to contribute please advise by return email by the 26th of February, ensuring to provide the following details:*

- 1. Contact number (if changed):*
- 2. Career background (if changed):*
- 3. Your preferred session time on the 10th of April: 9-11am or 12- 2pm*

*Should you have any questions please do not hesitate to contact the undersigned.*

*Thank you in advance for your assistance.*

Youth Director David Brand will be seeking volunteers from Club members to participate in these sessions.

Please advise Davd if you are able to assist.

## CLEAN UP AUSTRALIA DAY, SUNDAY MARCH 3

Our Rotary Club has registered again to take part in Clean Up Australia Day (CUAD).

The date for your calendar is SUNDAY MARCH 3. All volunteers are welcome! Volunteers please advise me early – so that we can plan our attack.

Our plan will be to have a few hours (as needed) on the Sunday morning. (time to be arranged – but probably

08:00 start or maybe 09:00 given it is a Sunday)

Our designated site is the Echo Point Park, Roseville Chase. (We usually also cover the area down Babbage Road and under Roseville Bridge).

The local scouts will be joining us. The scouts are considering launching some canoes to help access the waterways, foreshores etc.

We also have a Church group with LOTS of members also registering to join us. Potentially the extra (church group) hands will be far more than we need (depending on RCRC response) – so I am asking for suggestions of nearby sites that we can get them to address.

The sites need to be in the nearby area so that we have a joint, co-ordinated approach. The proposed site(s) also need to have some litter/rubbish pollution so that the volunteers have some worthwhile work to reward their efforts. Nothing more un-rewarding than to spend time on CUAD at a location that is pristine and requires no clean-up!!!

**LET ME KNOW ASAP IF YOU WILL BE JOINING US – AND – ANY OTHER SITES IN THE NEARBY (CLOSE) AREA THAT ARE BEGGING TO BE LOVED !**

**Peter Lewis**

We welcome all past and present members and supporters to  
join us at Kalloona to celebrate

**The 8th Bobbo is being organised by  
the Rotary Clubs of St Ives,  
Ku-ring-gai, Turramurra and

It is the premier cycling event in Sydney.

Some key statistics from the 2018 event.

- 2,500 cyclists participated and raised \$200,000 of which 50% was donated to our charity partner, Lifeline.
- The other 50 % was donated to the charities supported by the Rotary clubs organising the event. These charities are: Cromehurst Foundation, Eagle RAPS, The Hornsby Women's Shelter, Bo Hospital, PLC Shore Sony Foundation, Hornsby Connect and KYDS.
- Over 500 volunteers were involved to ensure the safety of the cyclists.

There are 4 ride distances being 27km, 57km, 80km and 104km. The cost to participate varies with each ride.

Please see the website for full details: [\*\*www.bobbo.com.au\*\*](http://www.bobbo.com.au)

The committee is looking for additional cyclists especially more younger riders and more female riders.

We would appreciate if members will ask their friends to ride in the event or to volunteer as marshals.

## ON A COWBOYS TOMBSTONE- COOLEST HEADSTONE CONTEST

Here are the Five Rules for Men to Follow for a Happy Life that Russell J. Larsen had inscribed on his headstone in Logan , Utah.

He died not knowing that he would win the 'Coolest Headstone' contest.

**FIVE RULES FOR MEN TO FOLLOW FOR A HAPPY LIFE:**

1. It's important to have a woman who helps at home, cooks from time to time, cleans up, and has a job.
2. It's important to have a woman who can make you laugh.
3. It's important to have a woman who you can trust, and doesn't lie to you.
4. It's important to have a woman who is good in bed, and likes to be with you.
5. It's very, very important that these four women do not know each other or you could end up dead like me.

## ABOUT ROTARY

*Paul Harris*

The world's first service club, the Rotary Club of Chicago, Illinois, USA, was formed on 23 February 1905 by Paul Harris.

Rotary is a worldwide organisation of business and professional leaders that provides humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world. More than 1.2 million Rotarians belong to over 34,100 Clubs in 210 countries and geographical areas. Rotary Club membership represents a cross-section of the community's business and professional men and women. The world's Rotary Clubs meet regularly and are non-political, non-religious, and open to all cultures, races, and creeds.

The Rotary motto is ***Service Above Self.***

## ***OBJECT OF ROTARY***

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service;
- SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## ***ADVANCE AUSTRALIA FAIR***

Australians all, let us rejoice,  
For we are young and free,  
We've golden soil and wealth for toil  
Our home is girt by sea;  
Our land abounds in nature's gifts  
Of beauty rich and rare;  
In history's page, let every stage  
Advance Australia Fair.  
In joyful strains then let us sing  
Advance Australia Fair.

## ***ROTARY THANKS***

For the community, friendship, and the opportunity to serve through Rotary, we give thanks.

## ***THE FOUR-WAY TEST***

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
