MEETING on 26 NOVEMBER (6.00 pm for 6.30 pm)

ANDY MUNNS **Sydney Heritage Fleet**

At one stage in the early 1960's the State Government decided to get rid of the Steamship Lady Hopetoun, which was built and commissioned as a special High Dignitary Vessel for an event to be held in Sydney Harbour in 1902.

When it was made known that this vessel was to be demolished, there were 10 people who wanted to save the vessel for historical purposes, Andy was one of those people, They formed a group who all put in \$100.00 dollars each to buy the vessel from the State Government, This group then evolved to form Lady Hopetoun and Port Jackson Marine Steam Museum.

In 1965 the Museum formed a trading name for the Museum which was SYDNEY HERITAGE FLEET. This museum would now have the largest number of operational vessels probably in the world.

A significant part of the Museum was the rescue of a Tall Ship which was known as James Craig. This vessel was sunk in Recherche Bay in the bottom end of Tasmania, and the storey of the subsequent rescue and tow to Sydney for the restoration of the vessel makes interesting reading.

PRESIDENT RICHARD GREEN'S REPORT

It was good to have some of the members of Chatswood Rotary Club at our last meeting at their venue. I think all will agree that Al Baxter made an excellent presentation including answering some curly questions about the future of rugby.

Our next speaker will be from the Sydney Heritage Fleet where Grant Campbell and Malcolm Pilcher do a lot of volunteering.

The golf day resulted in our club getting \$10,000 for our charity account. A good result.

I hope you have all looked at the meeting roster for the first six months next year. The first meeting is the fourth Tuesday in January. Allan Farrar has some speakers if you are having trouble arranging one.

Lori Farrar is well on the way with the organisation of the Christmas Cocktail party. We hope to have a few surprises. Don't forget the Tree of Joy . Ross has sent out the invitations.

You will remember Carevan. They are arranging to have the rotary wheel and the names of the two clubs put on the van.

We will help with Clean Up Australia on 1 March. We will be helped by the scouts.

Greg has arranged an attendee at RLYA and three at RYPEN. The regular school presentations will take place . We will go to 6 schools.

For all the keen cyclists the Bobbin Head Cycle Classic will be on 29 March. They hope to raise 1 million dollars.

Note we return to our regular venue, Roseville Golf Club, for all future meetings.

Richard Green.
President.

NEXT MEETING - 10 DECEMBER 2019 ANNUAL GENERAL MEETING

At this meeting the important business will be the elections for the year 2020/2021, of the President, the Office bearers being the Secretary and Treasurer, and the Board of Directors.

Any other Special Resolutions will also be listed to be considered by the Club at this meeting.

The attendance of all members is important.

So its time to start thinking about any of the roles you may be interested in for next year, and consider nominating for those for the AGM.

Other normal annual items for consideration will be the club subscription dues for 2020/21, appointment of an honorary auditor for 2019/20, consideration of the financial statements for 2018/19, etc.

LAST MEETING - 12 NOVEMBER 2019 AL BAXTER - BANKWEST STADIUM

Al Baxter, a partner and practicing Architect with Populous Sydney, outlined the background to the design and construction of the new Stadium at Parramatta, know as BankWest Stadium.

He detailed the factors taken into account in the integration of the Stadium into the surrounding park area, and the aspects introduced to give the stadium an open public space feeling, and focal point for visitors to the area. The design drew on some experiences from overseas in making the spectators feel part of the playing arena with the players entering the playing field through the public space.

We also enjoyed the company of 14 members of the Chatswood Rotary Club.

You can either have this sent to you, for forwarding onto me as Dinner Bulletin Editor, or ask that they send the information directly to me.

The next Bulletin issued will be for the AGM on 10 December 2019, and following that the Bulletins will resume in mid January for the resumption of club meetings on 28 January 2020.

If members rostered as above, find difficulty in securing a guest speaker for their allocated meeting, or you find a good guest speaker but they can not make the meeting allocated to you, it may be possible to swap with another member to place your guest speaker into the program at a different date,

Off-site visitations to industries, businesses, commercial activities and attractions are also a welcome variation to our regular meeting routine, and some of our visits to external locations such as the TAFE Catering Schools as an example, have proven to be very popular in the past.

VISIT TO TIMOR LESTE SANITATION PROJECT

At a recent meeting Rotarian Barry Anderson from Northbridge Rotary gave an outline of the proposed visit in March/April next year to Timor Leste to inspect the sanitation project being undertaken by the Northbridge Rotary Club, in conjunction with our Club.

The visiting group would leave on a Monday and return on the Friday.

The estimated cost is \$2,700 including air fares and accommodation.

The visit will include a trip to Balimo where the 5 Australian journalists were murdered. There is also a very good museum in Deli and staying in good accommodation.

It is possible that a visit could also include an inspection of the Timor Leste Dental Program which is being supported by the Chatswood Rotary Club.

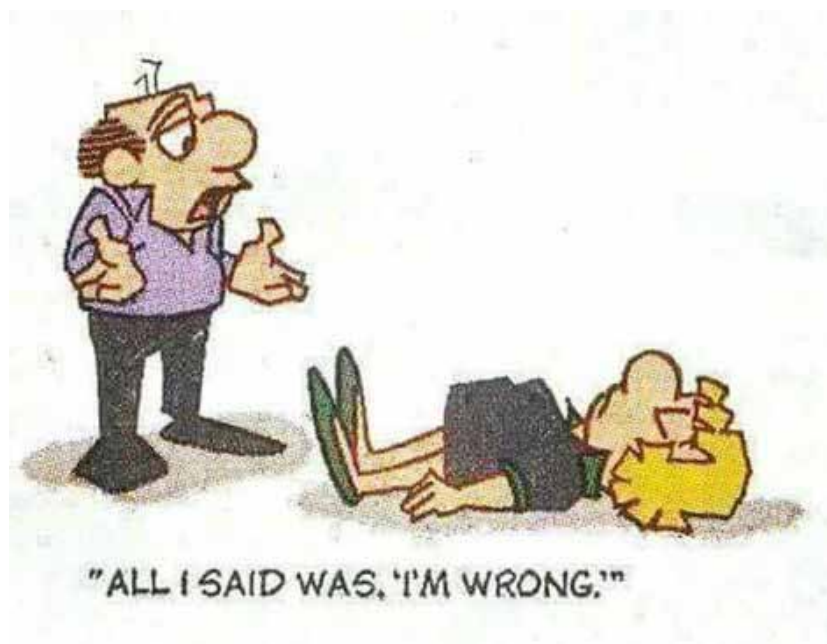

If any members are interested in participating in the visit, please let Neil Howie or President Richard know.

CLEAN UP AUSTRALIA - SUNDAY 1 MARCH 2020

GRAFFITI REMOVAL DAY RECEPTION

Peter Lefmann and Peter Lewis attended a Reception at NSW Parliament House on Wednesday, 20th November – to recognise the volunteers who contributed to a very successful Graffiti Removal Day on Sunday 27th October. The groups who participated included scouts, councils, police and of course many Rotary Clubs. Our small team contributed by cleaning 23 individual sites and 47 square metres of graffiti – plus notifying AUSGRID of 6 additional locations that their team clears.

Key speakers at the Reception and presentations included the NSW Attorney General Mark Speakman, the NSW Minister for Local Government Shelley Hancock, and our own local Graffiti Removal Champion, Roger Norman of Turramurra Rotary.

NOMINATIONS INVITED FOR DISTRICT GOVERNOR for 2022-2023.

Message from PDG Peter Ward, Chair, DG 2022-2023 Nominating Committee.

- Rotary needs YOU.
- Rotarians need YOU.
- Communities need YOU.

Who are you?

- You are a Rotarian.
- You are a leader.
- You are a potential District Governor.

This email is a prompt to encourage you to start envisioning the role you could play in our future. Or if not you, who might you recommend or encourage to apply?

Each year Rotary Clubs have the privilege and honour of suggesting candidates for District Governor from their membership. District 9685 has a great history of Rotarians, supported by their Clubs, who have stepped up to the role.

Applicants must be a current member of good standing of a Club in District 9685 with at least 5 years of Rotary membership as at June 2020, as well as having served as president of a Rotary Club for a full term.

Speaking from experience – the District Governor role is a challenging and rewarding appointment with a structured and exciting two-year training and preparation period prior to assuming the position. It is your opportunity to lead and inspire Rotarians in Clubs across the District.

As an initial expression of Interest, please contact me, PDG Peter Ward, Chairman of the Nominating Committee, via email at pwardmail@gmail.com or mobile phone 0414 321 773. I can provide information about the role and the selection procedure.

I am planning an interest meeting on 23 February 2020, a time for you to hear more about the role and to ask questions.

Other key dates are closing date for applications 13 March 2020 and selection interviews on 5 April 2020.

I encourage you to consider the opportunity.

With fires on top of drought, our northern neighbours are really struggling. If you and/or your club are in a position to support, there have now been a number of RAWCS accounts set up to manage your donations:

The projects are:

- Queensland Bushfire Relief Appeal donations rawcs.com.au/19-2019-20
- NSW Bushfire Farmers in Need Appeal donations rawcs.com.au/22-2019-20
- Taree & Mid Coast NSW Bushfire Appeal donations rawcs.com.au/41-2019-20.

Please talk to Community Service Director Peter Kirkwood if you have any plans to support our bush cousins so that a coordinated approach can be taken. And thank you all so much for what you have already provided to so many across our state.

In case you are wondering if Shelterbox can or are supporting this disaster, ROWLEY TOMPSETT, Chair, ShelterBox Australia provides the following input to your questions:

“It’s been devastating to see the rapid spread of bushfires in Australia. Thousands have been forced to evacuate their homes, and the country is bracing itself for ‘the most dangerous bushfire week ever seen’. Our thoughts are with all those affected, including our colleagues at ShelterBox Australia.

At this time, we’re not sending a team to provide shelter aid. We’re monitoring the situation closely and will provide an update if anything changes.

- While New South Wales and Queensland have both declared a state of emergency, the Australian Government has not made an international request for emergency shelter. Core infrastructure, like power, communications, roads, hospitals and schools, is likely to be repaired quickly compared to other countries.
- Our core items – including tents, tools and tarpaulins – are unlikely to be an acceptable solution for Australian families, particularly with temperatures of 40C expected.
- Local teams already have good capacity to respond and start the recovery process. This is due to the high-quality infrastructure, social support, availability of resources, and the preparedness activities of Government teams.”

ROSEVILLE CHASE / CHATSWOOD GOLF DAY

Report on Golf Day by PP Neil Howie

Funds raised.

The Golf Day very successfully raised significant funds of \$25,872 for the charities supported by Roseville Chase and Chatswood Rotary Clubs.

Roseville Chase RC's share of \$10,000 for Empower Golf will be banked to our No.2 Charities Account this week. Chatswood RC's share is the balance held by it of \$15,872.

The sharing was primarily based on a split of income and expenses calculated on which Club was the source of income from sponsors, teams of players, auction items, fundraising holes and donations. An equal split was applied to all other joint income and expenses.

A very successful Golf Day.

The funds raised will provide significant financial support for the nominated charities Empower Golf (Roseville Chase RC), The Timor L'Este Dental Project (Chatswood RC) and other charities supported by Chatswood RC.

The success of the joint Golf Day augers well for future years as illustrated by :-

- gross income of over \$36,000 before expenses (incurred primarily with the host Pymble Golf Club);
- 99 players in 25 teams using 18 carts participating in the Shot Gun Ambrose event;
- 109 players and helpers attending the BBQ and Fundraising Lunch;
- Gold, Silver and Hole sponsors contributing from \$1,500 up to \$5,000 for a gross income of \$16,500;
- other sponsors providing at no cost 4 Live Auction items and 14 Silent Auction items raising \$7,540 as well as providing other items for prizes;
- players on course spending a total of \$1,970 on the Betting Hole and the Empower Golf First Hit Hole; and
- other income from donations totalling \$2,019.

Cont. P 18

Empower Golf.

Our nominated charity, Empower Golf was an enthusiastic participant in the events of the day :-

- playing a team of 4 golfers- James Gribble (Founder and CEO), Nick Taylor, Greg Milson and Lachy Foulsham demonstrating two Paragolfer units;
- Chester Bendall taking the first shot all morning at the 9th hole from a Paragolfer for most of the teams and raising \$1,270;
- James, Lachy, Nick, Greg and Chester joining the other golfers and helpers at the lunch; and
- James speaking powerfully at the lunch about the work of Empower Golf, his own inspirational story establishing Empower Golf and in doing so finding a passion and opportunity to help change the lives of others.

James has sent the following email to the Golf Day Committee.

“Just reflecting on an amazingly well-run and heavily supported golf day last week. My team thoroughly enjoyed the day and we are incredibly thankful that you chose Empower as one of your designated charities. Long may it continue:)”

As you know, we rely largely on donations and philanthropic support to be able to continue our work changing Australians living with disabilities’ lives through golf.

On behalf of all our clients, their carers, families and friends we thank you for the opportunity to be part of the day.

I know Rotary has a very rich and distinguished history but obviously the organisation would be nothing without the dynamic men and women who continue to selflessly donate their time, energy and know-how to help those in need in our communities.

Please extend our best wishes to all the members of Roseville Chase and Chatswood Rotary Clubs and congratulations on 33 years of golf days.

We wish you great success with all your ongoing initiatives.

Kind regards

James and Lachy

Fore!!!”

James will provide our Club with some specific options for using the funds from Roseville Chase RC to purchase a Paragolfer and to support other programs.

BOBBIN HEAD CYCLE CLASSIC (BOBBO) 29 MARCH 2020

Hello Richard

I'm helping to drive registrations for (one of) Sydney's best charity rides - The Bobbin Head Cycle Classic (the Bobbo), which will be held on Sunday 29 March 2020, and I'd like to invite you and your club to help us by spreading the word, recruiting riders and supporting their fundraising.

The Bobbo is owned and managed by the Rotary Clubs of Turramurra, Kuring gai, Wahroonga and St Ives. Since the first event 9 years ago this unique partnership of Rotary Clubs has raised over \$800,000 for our charity partner Lifeline and other selected charities.

The Bobbo has a great reputation within the cycling community. There are four different routes which riders can select according to their abilities. Serious cyclists return year after year to challenge themselves on the longest rides, while social cyclists will enjoy the shorter routes.

All the routes go through some of the most stunning bushland and waterfront scenery in the Greater Sydney region. Some 2,500 riders are supported by around 450 enthusiastic volunteers who, along with the Police, SES and St Johns, make it one of the best-organised and safest events on the cycling calendar.

We'd really appreciate any help you can give us to provide maximum publicity for the Bobbo. You will find **attached a flyer** which can easily be included with your Club's newsletter. Please also consider entering a team from your Club. Teams of five or more who raise over \$1500 are eligible to access the Corporate Hospitality Marquee for free refreshments, snacks, beer and massage.

The funds raised by this terrific event helps Lifeline year after year to save lives through their Crisis support counselling. Please lend us your support for 2020 as we try to break through the \$1 million fundraising milestone!

We look forward to your support and if you have any questions please give me a call. See too www.bobbo.com.au

ABOUT ROTARY

Paul Harris

The world's first service club, the Rotary Club of Chicago, Illinois, USA, was formed on 23 February 1905 by Paul Harris.

Rotary is a worldwide organisation of business and professional leaders that provides humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world. More than 1.2 million Rotarians belong to over 35,000 Clubs in 210 countries and geographical areas. Rotary Club membership represents a cross-section of the community's business and professional men and women. The world's Rotary Clubs meet regularly and are non-political, non-religious, and open to all cultures, races, and creeds.

The Rotary motto is ***Service Above Self.***

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service;
- SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ADVANCE AUSTRALIA FAIR

Australians all, let us rejoice,
For we are young and free,
We've golden soil and wealth for toil
Our home is girt by sea;
Our land abounds in nature's gifts
Of beauty rich and rare;
In history's page, let every stage
Advance Australia Fair.
In joyful strains then let us sing
Advance Australia Fair.

ROTARY THANKS

For the community, friendship, and
the opportunity to serve through Rotary,
we give thanks.

THE FOUR-WAY TEST

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
