PARTNERS WELCOME

OFFICIAL CLUB VISIT BY DISTRICT GOVERNOR KALMA McLELLAN

Kalma joined the Rotary Club of Ryde in 2010.

She has served on the Board as PR Director, Club Service Director, Membership Director, Club President (2014-15) and is Treasurer 2017/18. She has also been the newsletter (The Hub) editor, is currently the Child Protection Officer and has been an active member of many project teams.

She also serves on the District Child Protection committee to ensure D9685 has and delivers a clear message on its WWC obligations and legal requirements.

Kalma has been a member of the Paul Harris Society since 2014.

Kalma has a heritage in Rotary, following in the footsteps of her father (Blacktown club) and grandfather (Manly club). She was a Mosman Rotaractor in the 1970s, where she met her husband and where most of her closest friends still remain. She served as President elect in the year legendary Les Whitcroft was Rotary DG and Mosman hosted the Rotaract DRR.

Professionally, Kalma works in the vocational education sector through Western Sydney University, overseeing leadership and management training to corporate clients. This follows a career which started in it and moved into it training before training in broader vocational leadership areas took over.

MUNA PRESENTATION

The Club sponsored 2 teams from SHORE School to attend the annual MUNA weekend. One team comprising Finn McCredie, Tom Munns and Olivier Daish-Gorge, and representing USA, was declared the winners.

The team went onto the National MUNA in Canberra in August.

The second team from SHORE comprised Jeffery Chin, Caleb Hwang and Lachlan Ward.

PRESIDENT RICHARD GREEN'S REPORT

Last meeting we heard an excellent speaker, Dallas Booth, who gave us a clear summary of the banking enquiry.

This week we have DG Kalma McLellan visiting and also the MUNA teams from SHORE.

The MUNA who won the District MUNA , will have just returned from competing in the national competition in Canberra. Reports are that they performed very well but were not successful in taking first place.

This week is a busy week with Father's Day breakfast at Roseville Public School on Friday 30 August, and Bunnings on Sunday 1st September.

Of course our main priority is the golf day. We are looking for players in teams of four (4).

Sponsors are most important as our share of the profits depends on how many sponsors we get. This should be a good day on a good golf course.

We decided not to proceed with the film night for the foundation as Roseville Cinema's costs were too high.

The speakers roster is complete until the end of September. So for those responsible for speakers in October don't forget to start organising them now . It is not always straight forward.

We have been asked if we would sponsor yet another probus club at the Roseville Uniting Church. Our involvement, is anyone interested in doing this. The interest meeting is on Monday 16 September . We will discuss this next meeting.

JOHN CUTLER - 3RD GENERATION
BESPOKE TAILOR

JOHN CUTLER

John had first joined the company J H Cutler, in 1965. Other than a couple of years spent in London learning the business and studying at the Tailor and Cutter Academy, he had worked in the family firm all his adult life.

He assumed the responsibility for cutting in 1972, which evolved into Business Principal, Designer and Cutter in 1976. With over 50 years experience of high-end bespoke tailoring it is a position he still holds to this day.

The **story of J.H. Cutler** began in the mid 1800s, when the Cutler family, originally from the English Midlands, emigrated to Australia. Joseph Handel Cutler, an engineer by trade, found work in Ballarat during the time of the Victorian Gold Rush.

At that time his eldest son, also named Joseph Handel Cutler, was only six years old. His mother Matilda was an accomplished dressmaker having owned and run a successful business in Staffordshire, employing and building a solid clientele.

It was at her feet that young Joseph learnt his design and cutting skills. He moved to Sydney and in 1884 established his first J H Cutler shop at 70 King Street in the heart of the city.

John was featured in Leo Scofields column in the NST 4 issues back.

PS. I remember the advice given often by former member, the late Bob Clarke, "Measure twice and cut once". No doubt something John also abides by.

LAST MEETING - 13 AUGUST 2019

DALLAS BOOTH - ROYAL COMMISSION INTO FINANCIAL SERVICES

Dallas Booth gave one of the most interesting and informative addresses we have had for some time, and presented in a clear way, the procedures of the Royal Commission, what promoted it, how the 2 QC's assisting undertook their tasks (poking and poking a witness until they cut off their head), what areas of the financial industry the Commission examined, and its conclusions.

Dallas commented that the Commission was into the "Misconduct", and disappointingly did not look at the "Good things" of the financial industry.

The Commission concluded that there were 6 norms of conduct;

- Obey the law
- Do not mislead or deceive
- Act fairly
- Promote services that are fit for purpose
- Deliver services with reasonable care and skill; and
- When acting for another, act in the best interests of that other.

These norms are all reflected in existing laws.

If you are interested in getting a short overview of the Commission work and its conclusions go to the following website'

<https://financialservices.royalcommission.gov.au>

Select "REPORTS" tab, then "FINAL REPORT", and after the first 34 pages (xxxiv) about content etc, the next 20 pages of the summary is worth reading. Whilst the Commission identified 6 norms of conduct, its uncanny how Rotary has already captured those same norms in its four-way-test.

ROSEVILLE PUBLIC SCHOOL - FATHER'S DAY BREAKFAST - FRIDAY 30 AUGUST 2019

DONT FORGET.

If you are assisting with the BBQ THIS FRIDAY, you will need to be at the school by 6.30 am to commence set up and cooking. Finish should be around 9.00 am.

Breakfast is served from 7.30 am to 8.30 am.

If you indicated to Peter Lefmann that you could assist, and now can not, please advise Peter ASAP, so that he can ensure we have enough helpers for the morning. It can get quite hectic when the 400 plus people arrive and need serving

**24 SEPTEMBER 2019

A NIGHT NOT TO BE MISSED

George Ayoub will be our special guest speaker at our regular meeting on **Tuesday 24 September** (just after Australia's first Pool game against Fiji on 21 September in the second week of the World Cup and just before their most important game against Wales on 29 September).

George is one of the most senior professional referees in World Rugby. He is currently a member of the Super Rugby panel for Technical Match Officials (known as TMO). **However he will not be an TMO at this years World Cup, in Japan.**

Born in Sydney, George trained as a teacher and took up refereeing in 1990 when he was a schoolmaster at St Patrick's College, Strathfield. By 1995 he was refereeing senior rugby in Sydney and he was selected on the Australian referees panel in 1996. He made his Super Rugby debut in May 2000, refereeing a Super 12 match between the Sharks and Chiefs in Durban.

DICK AND PIP SMITH DONATE \$1MILLION - AGAIN

On December 7th 2016, Dick and Pip Smith visited the Rotary Club of Wahroonga. Dick was introduced to the club by Rob Ferguson, they had both been at school together at the Roseville Primary school. The major surprise of the morning came when Dick produced a cheque and donated \$1 million to Rotary.

The money was used to set up Rotary Australia Compassionate Grants (RACG) with the aim to aid disadvantaged members of the Australian community irrespective of their location within Australia. Since then, RACG has received matching grants and as a result over \$2 million has delivered numerous projects that have benefited local individuals and communities.

Last Wednesday, the 7th August, John Cameron and I (DG Kalma) attended another event with Dick and Pip Smith. Once again Dick produced a cheque for \$1 million and donated it to Rotary.

Here are Pip and Dick Smith with John Cameron, Lindsay May and Doug Reid

After the event, as we travelled back north on the train John Cameron and I reflected that we were possible two of only seven people who have witnessed Dick and Pip handing over \$2 million to Rotary, with Dick and Pip being two of the seven!

Another inspirational day at the Rotary office.

ALDI SHOPPERS BEWARE - WARN EVERYBODY

A 'heads up' warning for all men who may be regular Aldi customers. Over the last month I became a victim of a clever scam while out shopping. Simply going out to get supplies has turned out to be traumatic. Don't be naive enough to think it couldn't happen to you.

Here's how the scam works:

Two very hot 20/21 year-old girls come over to your car as you are packing your shopping into the trunk. They both start wiping your windshield with a rag and Windex, in their skimpy T-shirts. It is impossible not to look.

When you thank them and offer them a tip, they say 'No' and instead ask you for a ride to another Aldi.

You agree and they get in the backseat.

On the way, they start undressing. Then one of them climbs over into the front seat and starts crawling all over you, while the other one steals your wallet.

I had my wallet stolen July 4th, 9th, 10th, twice on the 15th, 17th, 20th, & 24th 29th. Also August 1st, 4th, twice on the 8th, three times last Saturday and very likely again this weekend.

P.S. Aldi has wallets on sale \$2.99 each.

WHAT IS PROBUS

In President Richards message, he mentioned an approach about forming another Roseville Probus Club. It therefor maybe appropriate that some history and facts behind Probus are known to the members.

PROBUS is a local, national, and international association of retired people who come together in non-political, non-sectarian, non-profit, autonomous clubs which provide regular opportunities for members to meet others in similar circumstances, with similar levels of interest, make new friends, and maintain and expand their interests. Probus Clubs can be made up of men, women or be mixed (men and women) clubs. It is normal for the spouses of club members and widows of former members to be encouraged to participate in the social activities.

By 2018, there were over 400,000 members in approximately 4,000 Probus clubs worldwide.

The Probus Club movement was formed in the United Kingdom in 1965. The Probus movement had its beginnings in two clubs, both created by members of Rotary Club. The Rotary Club president arranged the first meeting and 45 men attended. This club was known as 'The Campus Club', the name deriving from the fact that the meeting place was facing the centre of town,

The Probus club was conceived by three businessmen travelling to London by train. The three were reaching the point of retirement and realized they had a need for fellowship. In May 1966 a Committee was formed with Harold Blanchard as chairman, who is seen as one of the 'Father Figures' of Probus along with James Raper.

The name "Probus" was suggested by a member who took the first three letters from 'PROfessional and BUSiness'. It had the advantage that it was a Latin word from which 'probity' is derived. The Probus Club of Caterham was met with success, and became known among other Rotary Clubs with new clubs being founded.

In 1974, Probus expanded into New Zealand and by 1976 the idea had spread to Australia.

Although Probus membership has its greatest concentrations in the United Kingdom, Australia and New Zealand, clubs today exist in many parts of the world, including the United States, Belgium, India, South Africa and several other countries in Africa and Asia.

ABOUT ROTARY

Paul Harris

The world's first service club, the Rotary Club of Chicago, Illinois, USA, was formed on 23 February 1905 by Paul Harris.

Rotary is a worldwide organisation of business and professional leaders that provides humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world. More than 1.2 million Rotarians belong to over 35,000 Clubs in 210 countries and geographical areas. Rotary Club membership represents a cross-section of the community's business and professional men and women. The world's Rotary Clubs meet regularly and are non-political, non-religious, and open to all cultures, races, and creeds.

The Rotary motto is ***Service Above Self.***

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service;
- SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ADVANCE AUSTRALIA FAIR

Australians all, let us rejoice,
For we are young and free,
We've golden soil and wealth for toil
Our home is girt by sea;
Our land abounds in nature's gifts
Of beauty rich and rare;
In history's page, let every stage
Advance Australia Fair.
In joyful strains then let us sing
Advance Australia Fair.

ROTARY THANKS

For the community, friendship, and
the opportunity to serve through Rotary,
we give thanks.

THE FOUR-WAY TEST

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
