MEETING on 27 FEBRUARY 2018 (6.30 pm)

PARTNERS WELCOME

An initiative of Willoughby City Council, The Concourse is the cultural home of the North Shore. It is one of Sydney's leading entertainment venues, home to a dynamic range of live arts and entertainment.

The Concourse incorporates a Concert Hall and Theatre, as well as Rehearsal Centre, Art Space and a multi-purpose function space. It also provides conferencing facilities, venues for hire and the preferred accommodation partner, Silkari Suites, on-site.

The precinct is also home to Chatswood Library which provides over 5,000 square metres of books, resources and reference material, entertainment and information.

The outdoor Urban Screen is programmed full of free public entertainment including digital art, open air cinema, live sporting events, news and national events and live broadcasts of sold out performances.

The stunningly designed precinct includes two open green spaces, restaurants, cafés and retail stores, making The Concourse the perfect meeting place for all occasions.

SEE PAGE 4 FOR TIME, DINNER ARRANGEMENTS AND OTHER INFORMATION.

PRESIDENT'S REPORT

Our last guest speaker Duncan Lapsley was one of the most interesting speaker we have had for a long time. Speaking on the construction of Barangaroo.

Emma Humphries and Ramiz Khan our RYLA attendees updated us on their recent camp and what they gain from attending RYLA.

This week we will be meeting at the Concourse at Chatswood to see what goes on behind the scenes and following we will have a meal at a Chinese Restaurant in Westfield.

Tuesday morning 27th Richard Green, Ted Anderson, Sue Ward and myself held a meeting with a Task Force from Chatswood Rotary club to discuss the possibilities of an amalgamation.

Chatswood are facing the same problems as us in falling membership numbers, an ageing membership, difficulties in attracting new members and reduced enthusiasm of members in participation in club activities.

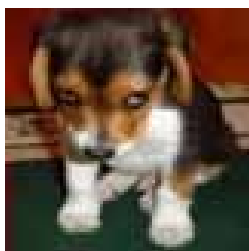

Dates to remember;

- Bunnings BBQ on the 4th March,
- District Convention 10th and 11th March
- and the Theatre night to see Seniors Moments at the Concourse on the 3rd March. I will have the balance of tickets to hand out on Tuesday night, 27th February. I am holding tickets for Richard Green, David Brand, Ted Anderson and Grant Campbell.

President Peter.

FUN RUN MEETING; 6 MARCH 2018 INVITE FROM NORM GIBSON

“Mike Harrowell has suggested that we liaise with the local schools in an effort to increase the participants in our fun run. Let us get behind him and give it a go. NOW!!!

At last week's meeting it was agreed to “form a committee” . Sir Humphry often advised the Minister, Jim Hacker, to do that to make the problem go away but that will not happen with this idea.

I mentioned that I have two family members with children currently attending local schools and we should ask for their suggestions. Both of them have agreed and we will be meeting at the home of one of them to initiate our plans.

PLEASE REFER TO NORM'S EMAIL OF 20 FEBRUARY TO ALL MEMBERS, FOR MEETING LOCATION INFORMATION

Other details are;

DATE; Tuesday 6th March

TIME; 7.30 pm

A few of our members put up their hand to join the committee (but no one took down their names).

However I would like to see a large enthusiastic group attend the first meeting and not just those who indicated they were prepared to help.

If it is agreed to make a personal approach to many of the teachers we will need as many people as possible to help.

Please phone me and confirm that you will be attending. Do not leave it to others.

Regards

Norm

SCIENCE AND ENGINEERING CHALLENGE 8th MAY 2018

8 MAY 2018 - VOLUNTEERS REQUIRED

Rotarians across Sydney are needed to support this exciting youth program. Year 10 students compete in teams to solve science and engineering puzzles. Your role would be to supervise them as they work. A science/technology background is useful but not vital. More important is a willingness to engage with intelligent and highly motivated students.

Full details and further information on the following page.

SCIENCE AND ENGINEERING CHALLENGE

GALSTAUN COLLEGE, INGLESIDE

8 MAY 2018

Youth Service Director Ted Anderson is seeking volunteers from the Club to again participate in this program

Thank you for your contribution to the success of the Science and Engineering Challenge in 2017. This valuable event simply cannot proceed without your involvement .

So I am being bold and asking if you are able to take part again this year. The event is on **8 May** so you have a bit more warning than I gave you last year. Still, a quick response from you will help me. It is again at Galstaun College at Ingleside. Email me at this address. david@davidellyard.com

If you are able to help out again, I will do my best to allocate you to the same challenge as last year, unless you specifically ask me to give you something new. The challenges being offered do vary a little from year to year.

Beyond that, you know the drill. You need to be on site from 0800 to about 1430. You will be fed lunch. Parking is available. You will be sent all the necessary briefing materials.

Can I ask you to spread the word around your own Clubs and encourage others to take part. I am attaching a flyer that you could get your bulletin editor to include.

It is fun day. You will have a good time.
I look forward to hearing from you.
Cheers

David Ellyard

DISTRICT CONFERENCE ATTENDANCE

John HARTLEY Co-ordinating

REGISTRATION CLOSES - 2 MARCH

On the following pages are details about the District Conference.

John Hartley is co-ordinating the attendance of members from our Club.
Following is a message from John;

Fellow RCRC members,

You may recall I made an offer to hire and drive a mini bus for club members to be transported to and from the conference in March.

We would have needed about 10 members or 20 couples to make this transport method viable and all attendees going by mini bus would have had to registered for the 2 day event with accommodation booked for a 2 night stay.

A few members indicated to me that they would attend the 2 days but the number were insufficient for bus hire so that was ruled out.

Some members are registered for Saturday only and are are avoiding accommodation charges. i.e. travelling up and back in the one day.

PE Richard Green advised me that accommodation at the Fairmont is no longer available i.e. booked out.

If you intend to attend and have booked alternate accommodation, Richard may wish to join those who have booked elsewhere.

Would those members who are going to the conference please respond by email to me, with the following...

- **Are you attending with your partner ?**
- **Is your conference booking for 1 or 2 days ?**
- **Are you staying overnight for 1 or 2 days (or longer) ?**
- **Where will your stay be (Fairmont or other accommodation) ?**

From the information I receive I will prepare a list so those attending will know details as to the movements of fellow members during the conference.

Regards,

John Hartley

ABOUT ROTARY

Paul Harris

The world's first service club, the Rotary Club of Chicago, Illinois, USA, was formed on 23 February 1905 by Paul Harris.

Rotary is a worldwide organisation of business and professional leaders that provides humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world. More than 1.2 million Rotarians belong to over 34,100 Clubs in 210 countries and geographical areas. Rotary Club membership represents a cross-section of the community's business and professional men and women. The world's Rotary Clubs meet regularly and are non-political, non-religious, and open to all cultures, races, and creeds.

The Rotary motto is ***Service Above Self.***

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service;
- SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ADVANCE AUSTRALIA FAIR

Australians all, let us rejoice,
For we are young and free,
We've golden soil and wealth for toil
Our home is girt by sea;
Our land abounds in nature's gifts
Of beauty rich and rare;
In history's page, let every stage
Advance Australia Fair.
In joyful strains then let us sing
Advance Australia Fair.

ROTARY THANKS

For the community, friendship
and the opportunity to serve
through Rotary, we give thanks.

THE FOUR-WAY TEST

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
