## Bulletin Volume; 29 Issue No; 10 27 November 2018

## **MEETING on 27 November (6.00 pm for 6.30 pm start)**

## FATHER CHRISTOPHER GARDINER

Retired Franciscan priest who will be talking about his posting to St. Petersburg, Russia for 7 years. His talk is something different.

Father Gardiner was born in Paddington, spent his primary education in West Wyalong and Bowral, before attending secondary education at Waverley College.

Father Christopher Gardiner studied at Waverley College with Norm Gibson but their occupations went in opposite directions after they finished the Leaving Certificate and left school. Christopher became a Franciscan priest. Norm ????? (no prizes for the best answer).

Christopher studied a variety of subjects at the University of Queensland, James Cook University of North Queensland at Townsville and the University of South Australia, obtained a B.A. degree and became registered as a Psychologist in South Australia, New South Wales and Victoria.

He has had various interesting Australian and international postings during his career as a priest including 5 years in the Holy Land, Israel and 2 years in Rome.

At our meeting this Tuesday, he will speak about his 7 years as a priest with the Franciscan Foundation in St. Petersburg, Russia. He arrived alone on 28 November 2008, in a communist country with its harsh weather, speaking and writing virtually no Russian and knowing no one. Certainly a challenging start.

In 2016 Father Gardiner returned to Australia.

## **PRESIDENT RICHARD GREEN'S REPORT**

At the last meeting we had a speaker from Northbridge Rotary club speaking about the Timor Leste water projects in the villages of Lete-Foho and Ermera. We will be involved with them in a water project . We were given full details of the project and the progress to date .He also told of the success of the teacher's college we were involved in and another water project they have completed.

The last Bunnings was a success in spite of the short notice, We had a full compliment and made a profit of \$1,300. There are other Bunnings on 7 and 29

December. They have offered us a number of Fridays. The profit on Fridays is half that on the weekends .The club will have to decide if we want to take up this offer.

Peter Lefmann has invited nominations for the board for the 2019/2020 year. The critical positions are president, secretary, treasurer, youth, community and club administration (programmes, social, sergeant-at-arms). It is also essential for the election of a President-Elect, who will become President for 2020/2021.

The board has agreed to changes to the bylaws and they will be issued to the club before the AGM and will be voted on in February 2019. The main changes are simplifying them and making them more flexible and the introduction of up to 2 Vice-Presidents. The Vice Presidents will be members of the board and will assist the president.

In the second half of the year we will concentrate on membership and fund raising.We hope to have some fund raising suggestions at the next meeting.

The speaker at the next meeting will be a friend of Norm Gibsons who is a retired Franciscan priest who has held positions all over the world .He will mainly talk about his period in St Petersburg. Apparently he knows a bit about vodka. It could be a very interesting evening.

Don't forget the AGM on 4th December and the Christmas party on 11 December.

Richard Green President.

## **Christmas Cocktail Party this Year**

Please note that;

## There is no Kris Kringle this year.

Instead St Nicholis will hand out sweets to the members, partners and guests, as he did 2,000 years ago.

Its Christmas time so everyone is invited to wear something colourful, bright and Christmassy.

The tradition in many European countries is that Saint Nicholas comes on the night of 5 December and leaves presents for the good children. Saint Nicholas was a real person and he was heavily involved in the Catholic Church.

He was born in Greece into a rich family.He had a reputation as a generous person and gave money to the needy . He was also for saving sailors in desires. Thus he is the patron saint of children and sailors.

Initially he arrived on the 5 December and gave money, later gifts, to good children and nothing to those who had misbehaved.

In later years in Eastern Europe he was accompanied by a black monster whose job it was to punish the bad children and Saint Nicholas became the good guy.

In the Low Countries he was accompanied by Schwarz Pete, Black Peter. They both came from Spain. Black Peter is a black skinned person with curly hair. It is not sure where the tradition of Black Peter came from but one theory is at the time the Moors, a dark skinned people who lived in Spain, were known to capture Europeans and take them back to Spain. Hence he is meant to punish bad children and threaten to take them off to Spain.

The tradition of Black Peter still exists in the Low Countries even now some people say it is racist. You can find many publication in the English papers saying the Dutch are racist because they continue the tradition.

As a Rotary Club we have decided to be politically correct and have not invited Black Peter to our function.

## **TREE OF JOY**

Our Tree of Joy is located in the Foyer of the Roseville Golf Club. There are cards on the Tree for families and children of ages from 4 to 12, who are not as fortunate as most and who may not be able to enjoy Christmas as many will do. Some cards have suggestions of a suitable gift.

Please take a card from the Tree and purchase a gift suitable for that child or family and leave it under the tree next time you are in the Golf Club.

Alternatively, if you prefer and not able to get into the Club to take a Card, you can purchase a gift and place it under the Tree with a suggested child's age group or for a family.

### IT IS PREFERRED THAT THE GIFT BE WRAPPED IN CLEAR CELLOPHANE OR NOT WRAPPED AT ALL.

ALL GIFTS SHOULD BE PLACED UNDER THE TREE BY 18 DECEMBER TO ALLOW TIME FOR DISTRIBUTION TO THE FAMILIES AND CHILDREN.

THANK YOU FOR YOUR KIND DONATIONS.

## LAST MEETING 13 November-BARRY ANDERSON NORTHBRIDGE ROTARY - TIMOR LESTE PROJECT

Left: Timor Leste. Dili is 90 minutes flying from Darwin. Right: The district of Ermera showing the villages of Lete-Foho and Ermera – the sites of the projects. Below are some photos of the project and the local children.

At our last meeting we were delighted to welcome fellow Rotarian, and long-term member of the Rotary Club of Northbridge, Barry Anderson. Barry has been a member of Northbridge Rotary for 34 years and is clearly an active, dedicated and highly committed Rotarian. Clearly a role model for all Rotarians.

Barry gave a very interesting talk and presentation on the Rotary involvement with local communities in East Timor. The Bulletin Introduction in the last Bulletin (29/9 13th November) gave a good summary of the work that Barry and the Northbridge Team have been involved in – so I won't repeat that here. Barry talked enthusiastically about previous projects and then about the latest water supply and sanitation project in the Ermera area. The Rotary Club of Roseville Chase is proud to join with Northbridge in helping to fund this, and other valuable projects to support to the people of East Timor.

Even without running water, the children are very well dressed

Left: Senior school stud-ents with Rotary visitors.

Left: Villagers preparing the site for tanks at the spring – the Lete-Foho project water source.

Right: The tanks installed

Left: The 5 kW 3 phase pump being installed by local villagers. Right: The pump installed with its security fence and weather protection The pump is powered by the electricity system which covers much of the country – but primarily for public buildings and systems.

This project was the first water project in Timor Leste by Northbridge Rotary. It was completed in July 2017. Earlier projects include a teacher resource centre which has been operating there for 10 years and, at the time of Interfet, the supply of a complete container load of school needs.

## **GRAFFITI BUSTERS**

The Roseville Chase Rotary Club 'Graffiti Busters Team' were out with the trailer again on Thursday 15th November, continuing the campaign to keep our beautiful area free of the ugly scourge of graffiti.

It would seem that the end of HSC Exams and the start of school holidays are a typical trigger that causes some youthful brains to implode and think it is OK to vandalize other people's property! Incomprehensible! We 'hit' about 10 sites, including the ones below

The photos, on the following page, are of our trailer and A-frame sign on the Pacific Highway, Roseville, a mail storage box at junction Clanville Road and Hill Street, and one of a number of walls at the Roseville Cinema and nearby properties.

We are in communication with the owner of Roseville Cinema and following our advice that we had painted over the graffiti, we received the following excellent message.

"Thanks so much Peter I greatly appreciate it. Also we got one of the faces of the 2 boys on our CCTV system and have given a copy to Chatswood police. Many thanks Emma"

Hopefully we will have further success in combating this mindless criminal activity.

We would also like to commend **PP and Rotary Friend John Hammond** for his 'Graffiti Busting' activities in his local Roseville Chase area. Although he retired from our Rotary Club, John continues to be a tireless pursuer and remover of graffiti in the area.

We would also like to thank **Storage King, Chatswood** for their continuing valuable support. They have provided us with a storage unit to store the trailer – free of charge — for the past 8-9 years. Thank you Storage King!

Graffiti Busters – Peter Lewis and Peter Lefmann

The response across Australia to the drought on the east coast has been very humbling for all involved. Companies big and small, donors like you with small and large personal donations has meant we've been able to provide assistance like never before.

This year alone...

- Over 4500 farmers have registered for various types of assistance
- 2000 farmers have received hay, currently growing at 30 a week
- 1000's of hampers, water trucks, fuel cards and vouchers

Since 1 July 2018 we have:-

- Employed 11 mental health counsellors with committed funding of \$5.5m over 3 years
- More than \$20m in total cash donations has been accepted by Rural Aid
- Over 2200 counselling telephone one-on-one calls or face to face visits to farmers in 4 months
- \$3m paid for hay distributed to farmers in need
- \$2.3m paid in freight to deliver the hay
- \$6m for bill relief for farmers
- Forward commitment to purchase \$11m of hay and transport for next 6 months.
- More than \$1.2m provided to farmers in the form of gift cards which can be spent locally
- Expanded our team by 7 people so that we can respond to enquiries and provide help faster to those most in need.

In the last two weeks we've moved 76 and 88 trailers respective, almost 3500 tonnes of hay in two weeks which was delivered to over 300 farmers. This is amazing work by our hay team, truckies and hay producers who are all pulling together an amazing support effort. We've now added SA farmers into our list receiving assistance just last weekend.

Farmers like Derani B from NSW write

"I am writing to say a heartfelt thank you to your organisation and volunteers for the gift cards we received recently. The generosity of the Australian Public has been touching and while we still wait for rain, it is comforting to know that we are supported by wonderful people like yourselves."

## The Country Card is Here.

We're introducing a new plastic card into rural communities which will help us support all rural businesses, not just those with their own gift card programs as well as saving us thousands of dollars on the purchase and distribution of prepaid Visa cards.

The Country card is 100% fee free to the card holder and all businesses, no transaction fees, no monthly fees, no annual fess, NO Fees. Business can sign up to accept the card for free as well and we hope to have hundreds maybe thousands of rural businesses accepting the card by Christmas.

Purchase a Buy a Bale 2019 Calendar. Includes Postage. Photographs by Di Watson Photography.

If you wish the order to be delivered to an address that is not yours please enter the address in the order notes field.

Calendars will be posted out from early October. Deliveries could take up to 2 weeks from dispatch date due to Australia Post delivery processes.

Hi All,

As you know we collected \$36,650 to support the farmers. \$20,000 has already been spent IGA vouchers including \$10.000 from Northbridge leaving \$16,650 in our benevolent account.

Money has been pouring in from the various charity groups such as Channel 9, Rotary Aust.World Community and the National Farmers Federation.

Channel 7 appeal has already raised over \$8 million which has been distributed to about 20 organisations including 7 Rotary Districts.

Buy-a- Bale is the other organisation which we are supporting through the green collection bins.

Both Alan and I have had extensive discussions with our contact at the Rural Financial Counselling Service to establish how best this money can be spent. Without any hesitation he informed us that they are in desperate need for people to administer the financial allocation of funds and to assist farmers with the paperwork involved.

The Rotary Club of Forbes is already supporting this request. This process will go on for months and the sooner it is done the sooner the farmers will get the benefit.

Our \$16,650 will allow a person to be employed on a 3 day per week basis for 6 to 9 months.

Your committee would therefore recommend that this proposal be accepted and be endorsed accordingly.

The money to be sent to the RFCS Dubbo for the attention of the CEO Jeff Caldeck.

Yours in Rotary P/P Bruce Carfrae Convenor.

## ROTARY YOUTH LEADERSHIP AWARDS (RYLA) CALL FOR NOMINATIONS

## URGENT URGENT

Its time to think about young people who may be suitable to, and benefit from, attendance at RYLA in January next year.

RYLA is an award that a Rotary Club gives to celebrate and reward the outstanding contribution of one or more young persons aged between 21 and 27 in the local community.

RYLA is a week-long, live-in "life changing" experience for 90+ young adults who are in the early stages of their career - sponsored by District 9685 Rotary Clubs.

This week-long RYLA experience is an intensive time of nonstop activity and interaction.

RYLA is held in January each year. Applicants need to be prepared to research current issues and seek solutions through debate and planning. This is a rewarding week of teamwork that can be taxing for some. Applicants are nominated, interviewed and sponsored by the Roseville Chase Rotary Club.

How to apply? Applications are available online or you can download a copy from the website: www.d9685ryla.org.au

More information is available at www.RYLA.rotarydistrict9685.org.au

Every member is encouraged to think about any one they consider may be an appropriate nomination for this Award.

Please advise David Brand with the name of anyone who you consider could benefit from attendance at RYLA 2019, so that he can follow up with contact, and interview of them, to determine if they would be a suitable nomination from this Club.

# ABOUT ROTARY

Paul Harris

The world's first service club, the Rotary Club of Chicago, Illinois, USA, was formed on 23 February 1905 by Paul Harris.

Rotary is a worldwide organisation of business and professional leaders that provides humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world. More than

1.2 million Rotarians belong to over 34,100 Clubs in 210

countries and geographical areas. Rotary Club membership represents a cross-section of the community's business and professional men and women. The world's Rotary Clubs meet regularly and are non-political, non-religious, and open to all cultures, races, and creeds.

The Rotary motto is Service Above Self.

# **OBJECT OF ROTARY**

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service;
- SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

# ADVANCE AUSTRALIA FAIR

Australians all, let us rejoice, For we are young and free, We've golden soil and wealth for toil Our home is girt by sea; Our land abounds in nature's gifts Of beauty rich and rare; In history's page, let every stage Advance Australia Fair. In joyful strains then let us sing Advance Australia Fair.

# **ROTARY THANKS**

For the community, friendship, and the opportunity to serve through Rotary, we give thanks.

# THE FOUR-WAY TEST

- 1. Is it the TRUTH?
- 2. Is it FAIR to all concerned?
- 3. Will it build GOODWILL and BETTER FRIENDSHIPS?
- 4. Will it be BENEFICIAL to all concerned?
