PRESIDENT RICHARD GREEN'S REPORT

We are starting to prepare for next year.

The DG is coming for the “change over” on 9 July and also visiting the club on the 27 August.

Some people have responded to the roster for the speakers. Alan Farrer has agreed to manage the roster. Remember if you cannot do your allocated day you need to change with another member, but you must let Allan know. I think we will put an up to date roster in every Bulletin.

The last meeting was a Foundation night organised by Neil. This was a great success. A number of District officers were present to see Neil receive his Sapphire pin to his Paul Harris Fellow. Thank you David, Pam and Fiona for coming. Also thank you to the 14 members of Chatswood club who also attended and the partners of our members.

We need to organise the fun run. Michael and Greg have the electronic side of things with the Facebook and webpage up and running. We now need to get some sponsors. Let Neil know if you have any ideas.

Chatswood club asked us if we would like to help with a golf day. The club will have to decide at the next meeting if they want to do it. It will be held in late October at either Roseville or Pymble golf club. Stephen Goldring has agreed to be one of the two Roseville people on the organising committee.

We are donating \$2,500 to buy a water tank for Trundle Central School. (See page 8 for more details.)

This year our charity activities used approximately \$12,000 from funds raised in past years. Youth activities require about \$10,000 per annum to run. Soon we will have to decide how much fund raising we will do next year and the extent of the charity donations, including the youth activities we undertake. Greg is interviewing possible candidates for the summer science school.

I will organise the 2019/2010 committees soon, but Ross will be the Bulletin Editor, Peter McKeown will be attendance officer and Ian Garrard will be lead fines master.

LAST MEETING - 14 MAY

COMBINED MEETING WITH CHATSWOOD ROTARY

The Night

Last meeting was quite packed with a number of notable events and fellowship.

Our **Guest Speaker, William Chan**, gave a very illuminating and informative address about his experiences and learning through the Rotary Foundation Global Grants Scholar he undertook at the Politecnico di Milano. Williams visionary views on numerous matters including recycling, architectural design to manage water resources effectively, and his innovative approach to resources demonstrated why this exceptional young man was awarded the Global Scholarship. He is certainly a person of the future and his address demonstrated why he was named one of Australia's top 100 brightest Young Minds.

We were joined by 6 of our partners and 14 members from the **Chatswood Rotary Club** who all thoroughly enjoyed William's address, and the fellowship and involvement in our meeting.

We were also privileged to have PDG David Rands, District Chairman of the Rotary Foundation; PDG Pam Pritchard, District Foundation Scholarships Sub Committee Chair, and Fiona Jenkins A/G North Shore, attend our meeting.

Our Club highlight was the recognition of **PP and PHF Neil Howie with a Paul Harris Fellow Sapphire pin** to acknowledge and appreciate Neil's 6 years as our Club Rotary Foundation Director and his 4 years as a Zone representative for the City North Zone. Congratulations Neil - so well deserved.

Below is a message from PDG David Rands expressing his appreciation and thanks for the fellowship of the night. Some photo's from the night also follow.

Message from PDG and Rotary Foundation District Chairman David Rands
Hi Richard and Neil,

I am glad I was able to join you last night. a nice atmosphere and a wonderful program. William spoke well, and all the other contributors made it a great night. In particular a Sapphire pin for you Neil was a much deserved recognition of your service to the Foundation and your club. Congratulations!

Thanks for the advice on the donations to both the Annual Fund and the Polio Fund. Both will be well used as you know and are much appreciated. I will keep an eye out for their registering in the My Rotary reports.

Best wishes to all.
David.

TRUNDLE CENTRAL SCHOOL - WATER TANK DONATION

Our Club has agreed to contribute \$2,530 to purchase a 22,500 litre water tank for the Trundle Central School. The tank will be plumbed in and installed by local volunteers in the next few weeks.

Below is an extract from the School newsletter, giving some idea of the location of Trundle, the school and its involvement with the community.

TRUNDLE CENTRAL SCHOOL

Croft St, Trundle NSW 2875

A school that provides a professional, stimulating and challenging learning environment

Monday 20th May 2019

Trundle Central School Profile

Trundle Central School is located in the township of Trundle approximately 65 Km west of the larger townships of Forbes and Parkes. Like many towns in the region structural employment change in agriculture, reduced farm incomes and the competition from overseas markets has caused rural decline. In the last twenty years our town has lost two licenced clubs, supermarket, service station, saw mill, car yard, butcher, bakery and café and many good families have moved away. Then along comes this devastating drought to further place strain on our community both financially and emotionally.

Our school has reached out to larger communities, schools and service clubs such as Rotary. The response has truly reinforced to our students and community the strength and quality of human compassion across this great country. Youth mental help is under the greatest pressure when young people feel isolated.

Our school will continue to a centre of education within our community but it is also a centre of pastoral and community care far after this drought is over. Any help we can receive from outstanding organisations such as rotary is appreciated. I would like thank Roseville Chase Rotary Club for their generous sustainable donation of a water tank. **Please send some rain as well but I realise this is out of the power of even Rotary.**

John Southon
Principal

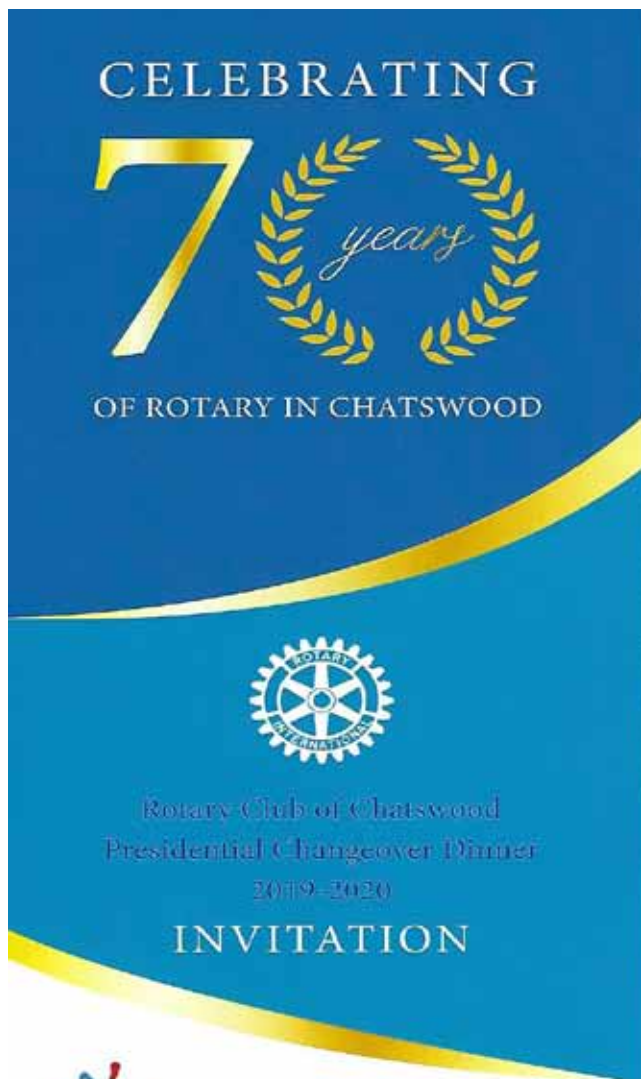

Dear Roseville Chase Rotary.

Thank you for your generous gift of a water tank to the Trundle Central School, This will be plumbed in by Rural Aid volunteers in next few weeks.

The Headmaster, Students and Staff are so delighted.

Thank you. Hazel. Campaigner, Trundle Central School.

NEXT MEETING - 11 JUNE 2019 PRIMARY SCHOOL PUBLIC SPEAKING & ESSAY COMPETITION

The annual primary school public speaking and essay competition will be held at our next meeting on 11 June 2019.

Schools participating will be Castle Cove Primary, Roseville Public and Roseville Girls Primary College.

This night in the past has always been very interesting and an enlightening vision into the talents of the primary school students who participate.

GRAFFITI BUSTERS AT WORK

The RCRC Graffiti Busters were on the road again on Wednesday. Peter Lewis and Rotary Friend PP John Hammond, spent most of the morning removing vandal 'tags' from around Roseville and Roseville Chase.

(Peter Lefmann had well-deserved rest this time, especially from the need to pull, manoeuvre and park the RCRC Busters trailer around the suburbs!)

The vandals had been fairly quiet for the last few months – but the infidel seem to have come out from under the rocks recently. The school holidays in the second half of April?

The main targets were in Roseville Chase, with a few in Roseville. John and Peter painted out 23 individual 'sites' in a very successful (but frustrating) day. John was particularly effective with the Mission Brown brush!

A few photos selected below from the many sites.

INTERESTING ITEMS FROM DISTRICT NEWSLETTER

ShelterBox is Rotary's partner in disaster relief, a position we've held proudly for the last six years. This partnership has enabled Rotary, through ShelterBox, to be first responders assisting those deprived of their homes by natural and man-made disasters. In 2018, we were honoured to be nominated for the Nobel Peace Prize in recognition of our humanitarian work; all Rotarians share in this honour with us.

Many of your Clubs will have already supported us during this financial year; to you, our heartfelt thanks for your continuing support.

To those who have not yet your final decisions on donations this year, I ask you to consider ShelterBox as one of your beneficiaries. Your support can make a world of difference.

In 2018, with your assistance, we were able to deliver disaster relief and other humanitarian aid to 17 countries: Antigua and Barbuda, Bangladesh, British Virgin Islands, Chad, Cameroon, Dominica, Dominican Republic, Ethiopia, Indonesia, Kenya, Niger, Philippines, Syria, Somalia and Vanuatu. We have been able to provide relief following cyclones (4), earthquakes (2), floods (2), drought, volcanic activity and conflict (8). We often work with partner agencies to ensure our aid reaches those most in need. Your support enabled us to assist 30,000 families with emergency shelter, and another 12,000 families with essential household items ... a total of over 210,000 people.

Please convey our heartfelt thanks to all your Rotarians and friends.

We look forward to continuing this wonderful partnership.

Sincerely

Rowley

ABOUT ROTARY

Paul Harris

The world's first service club, the Rotary Club of Chicago, Illinois, USA, was formed on 23 February 1905 by Paul Harris.

Rotary is a worldwide organisation of business and professional leaders that provides humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world. More than 1.2 million Rotarians belong to over 34,100 Clubs in 210 countries and geographical areas. Rotary Club membership represents a cross-section of the community's business and professional men and women. The world's Rotary Clubs meet regularly and are non-political, non-religious, and open to all cultures, races, and creeds.

The Rotary motto is ***Service Above Self.***

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service;
- SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ADVANCE AUSTRALIA FAIR

Australians all, let us rejoice,
For we are young and free,
We've golden soil and wealth for toil
Our home is girt by sea;
Our land abounds in nature's gifts
Of beauty rich and rare;
In history's page, let every stage
Advance Australia Fair.
In joyful strains then let us sing
Advance Australia Fair.

ROTARY THANKS

For the community, friendship, and the opportunity to serve through Rotary, we give thanks.

THE FOUR-WAY TEST

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
