MEETING on 28 NOVEMBER 2017 (6.00 pm for 6.30 pm)

Dr John Brabant, BDDSc (Hons) (Sydney, MDS (Sydney)

CAREVAN FOUNDATION - PARTNERS NIGHT

Dr Brabant graduated with his Bachelor of Dental Surgery (Honours) Sydney University and also received his Master of Dental Science (Orthodontics) from Sydney University. He is a member of Royal Australasian College of Dental Surgeons, Pierre Fauchard Academy, International College of Dentists and World Federation of Orthodontists.

Dr Brabant is a former Secretary and President of Australian Society of Orthodontics (NSW Branch) and has previously held positions as a tutor in Paedodontics and Prosthetic Dentistry at Sydney University and lecturer to Speech Pathology students at Sydney University. Dr Brabant has presented for Invisalign at the 2014 Invisalign Summit in Singapore, ANZ Invisalign Orthodontic Forum, Queenstown 2015. Dr Brabant has worked for 32 years in private specialist orthodontic practice and his practice, Evolve Orthodontics, won a Telstra Business award in 2012.

The Carevan Foundation helps to feed the homeless and disadvantaged of rural Australia. The founder of Carevan, Dr John Brabant has worked as an orthodontist in rural Australia for almost 30 years. After reading an article in the Border Mail entitled "It's easier to turn away than to care" about the homeless and the disadvantaged people in Albury Wodonga and Northern Victoria, he decided to take action.

The Carevan Foundation aims to create a sense of identity, a sense of belonging and a sense of achievement in those less advantaged in our society. The Foundation is focused on changing "us" and "them" to become "we".

Carevan runs a number of programs to support its cause. If you would like to help, you can support Carevan with [donations](#) or [become a volunteer](#).

PRESIDENT'S REPORT

REPORT FROM PRESIDENT-ELECT RICHARD GREEN.

The last meeting was attended by the District Governor Peter Ward, and the Assistant District Governor, Rob Byrne.

It was proceeded by a board meeting where the DG and ADG reviewed the progress of the club. The basis of the discussion was the director's half yearly reports which will be circulated before the AGM.

The DG's report was interesting in that it was not a general report but discussed communication with other clubs and community organisations. We need to do projects with other clubs. When working with other organisations we need to integrate together. In this way the members of the other organisation will get to know Rotary and the club might end up getting new members. To increase the membership the hard sell is not necessarily the best method.

In the general discussion Ted Anderson suggested that district should organise meetings of people with common interest for example youth, community or international, so they can share ideas and information. This was readily accepted by the ADG and we can expect to hear about some meetings in the near future.

It is important that we get nominations for the club board for 2018 /2019 including a President Elect

We have a speaker, at tonight's meeting, who is used to talking to a large group so a good attendance by members is important.

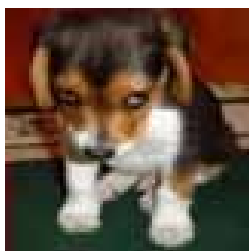

Partners are welcome

Note ;Christmas party is 19 December 2017.
Details to follow.

RYLA APPLICATION DEADLINE EXTENDED

The application deadline for RYLA 2018 is being extended. The date for final application submissions is now **Thursday November 30th**.

Many clubs have already sorted out applicants and sponsorship, but many still have not. It is important for the success of this long-standing and renowned program that every club consider sponsorship of one or more applicants.

The District RYLA Committee is available to answer your questions. If you have more eager applicants than you are looking to sponsor, or if you are looking to sponsor and are having trouble finding a suitable applicant, we may be able to assist.

If you have any further questions or would like to have a RYLA facilitator speak at your Rotary Club, please do not hesitate to contact me at ryla@rotarydistrict9685.org.au or 0412244987.

Alan Oertel
RYLA Chair 2017/18

NOTE;

The Club has received 2 applications for consideration.

One applicant, Emma Humphries, has been interviewed and spoke to the meeting on 24 October. The second applicant will be interviewed in due course.

Director Ted Anderson will then determine the Club's position regarding both applications.

The Club has been offered the following BBQ's at Bunnings;

Saturday 2 December - Chatswood

Saturday 16 December - Belrose

**PLEASE DIARISE THE DATES NOW -
and advise Grant Campbell of any shifts you can do.**

No response/outcome as yet on the request for an increase in the selling price of the sausage sandwich or drinks.

GRAFFITI REMOVAL - REPORT BY PP PETER LEWIS

My semi-europhoriac bubble following our Big Day Out on Sunday, was somewhat deflated today when I encountered new vandalism.

- Archbold Rd, across the road from Roseville Public School – a gate post (cream), wood fence (dark blue/grey) and brick wall (light, fawn colour – corner with Bancroft. All recent?
- Green elect box on railway fence, Hill St, near Victoria St (?)
- Tag on Hill St, railway side – from memory between bike shed and pedestrian crossing – will check
- THE WORST OF ALL – morons tagged the decorative stone wall again on Hill St (railway side), black tag north of the bus shelter – and a smaller tag further north, past the PO/Roseville Ave

Were they all there before and we missed them – or did they appear after Sunday morning? We suspect that it's all related to HSC and completion of some exams ?

Below some photos of the graffiti on the sandstone blocks at the Roseville Chase Play Park.

The Theory of Intelligence

I've never heard the concept explained any better than this

'Well you see, Norm, it's like this A herd of buffalo can only move as fast as the slowest buffalo. And when the herd is hunted, it is the slowest and weakest ones at the back that are killed first. This natural selection is good for the herd as a whole, because the general speed and health of the whole group keeps improving by the regular killing of the weakest members. In much the same way, the human brain can only operate as fast as the slowest brain cells. Now, as we know, excessive intake of alcohol kills brain cells. But naturally, it attacks the slowest and weakest brain cells first. In this way, regular consumption of beer eliminates the weaker brain cells, making the brain a faster and more efficient machine. And that, Norm, is why you always feel smarter after a few beers.

A nice, calm and respectable lady went into the pharmacy, right up to the pharmacist, looked straight into his eyes, and said, "I would like to buy some cyanide." □ The pharmacist asked, "Why in the world do you need cyanide?" The lady replied, "I need it to poison my husband." The pharmacist's eyes got big and he exclaimed, "Lord have mercy! I can't give you cyanide to kill your husband! That's against the law! I'll lose my license! They'll throw both of us in jail! All kinds of bad things will happen. Absolutely not! You CANNOT have any cyanide!" The lady reached into her purse and pulled out a picture of her husband in bed with the pharmacist's wife. The pharmacist looked at the picture and replied, "Well now. That's different. You didn't tell me you had a prescription."

ABOUT ROTARY

Paul Harris

The world's first service club, the Rotary Club of Chicago, Illinois, USA, was formed on 23 February 1905 by Paul Harris.

Rotary is a worldwide organisation of business and professional leaders that provides humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world. More than 1.2 million Rotarians belong to over 34,100 Clubs in 210 countries and geographical areas. Rotary Club membership represents a cross-section of the community's business and professional men and women. The world's Rotary Clubs meet regularly and are non-political, non-religious, and open to all cultures, races, and creeds.

The Rotary motto is ***Service Above Self.***

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service;
- SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ADVANCE AUSTRALIA FAIR

Australians all, let us rejoice,
For we are young and free,
We've golden soil and wealth for toil
Our home is girt by sea;
Our land abounds in nature's gifts
Of beauty rich and rare;
In history's page, let every stage
Advance Australia Fair.
In joyful strains then let us sing
Advance Australia Fair.

ROTARY THANKS

For the community, friendship
and the opportunity to serve
through Rotary, we give thanks.

THE FOUR-WAY TEST

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
