## PRESIDENT'S REPORT

### District Change-over Night

This night will be held on Saturday 7 July at the Hornsby RSL Club, 6.00 pm for a 6.30 pm start.

Full details are shown on page 10 of this Bulletin. In previous years, the club has had attendance at the night, and it would be good if the club could again support the change-over.

### District Assembly Presentations

Presentations from District Assembly are available on the District 9685 website.

Go to District > District Training > District Assembly or:  
[assembly.rotarydistrict9685.org.au](http://assembly.rotarydistrict9685.org.au)

Members of the 2018/2019 Board, and activity Chairs may find reference to these presentation quite helpful in planning the year ahead.

### Entertainment Books and Waste Removal- Bunnings's BBQ

Bunnings have written to Secretary Peter Lefmann, as follows, concerning the possible sale of the Entertainment Books at the BBQ' we do ;

*"I am sorry but we have very strict guidelines about supporting not for profit organisations. I know you are selling these books to fundraise but the Entertainment Company who make the books is not a 'not for profit' organisation. We cannot be seen to support them in any way directly or indirectly.*

*I will happily put up a note with your name and number in the team room though.*

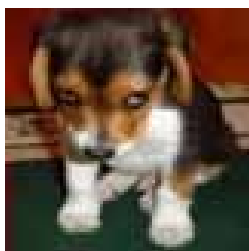

*Also please note that we have had a change in policy for waste removal at our Belrose store.*

*We have had a few Community Groups dumping their general waste rubbish in our wood recycling bins out the back. This contaminates the waste and means we cannot recycle it.*

*Can you please load any rubbish at the end of the day onto a trolley and take it through the store to the dock – a team member should be available to direct you to the general waste bin – if not, please leave the trolley inside the dock."*

## LAST MEETING 24 APRIL - PHF PP Richard Wilmott

It was very fitting and appropriate that Richard Wilmott, a Charter Member of our Club, should be the guest speaker on the 24 April 2018 - the 28th anniversary of our Club's charter.

It was equally relevant that Richard should relay some very detailed, personal information about his antecedent family members' association with World War 1 and II, at our ANZAC Commemorative Dinner.

From the landings at Gallipoli by Charles Aitkens ( Richards fathers cousin), and the very personal, detailed, articulate and descriptive letters he wrote to his mother during the war ( some extracts of which Richard read to our meeting), to the details of his Grand Father's (Allan Crouch) involvement and injury at the Battle of Fromelles and his repatriation, we gained first hand information and understanding of just what it was really like for those people so deeply engaged in battle, and so far from "home".

The story Richard related about his Aunty, Bessie Wilmott, who was one of the 22 nurses massacred on Bangka Island in the Dutch East Indies, and the later detailed story told by the one surviving nurse, Vivian Bullwinkle, was a very touching moment for not only us, but also for Richard.

Thank you Richard for the indepth incite into your extended families war time experiences, and the personal information you shared with us.

### OXFORD FALLS PEACE PARK

For many years now Ro and I , often with family members, have been attending the day break ANZAC Service at the Oxford Falls Peace Park. The event is organised by the Beacon Hill Rural Fire Brigade.It commences at 6.00 am.

The Oxford Falls Public School first opened in the small Church of England at Oxford Falls in 1928 with eight enrolments. The present building on the Peace Park site was built in 1930. With the school's closure in 1986, the schoolhouse was threatened with demolition but with the assistance of a local campaign and the support of Warringah Council, including the late local D Riding councillor Paul Couvret, the peace park was created and the school now serves as a community hall and is the site of the annual ANZAC day Dawn service. On Anzac Day, the dawn service attracts locals from far and wide to the Parks rustic setting.

Keep it in mind for next years ANZAC day and service

## KU-RING-GAI ROTARY CLUB - CINEMA NIGHT

**Ku-ring-gai Rotary Club has written about upcoming Cinema Night.**

**“The Bookshop - Cinema Night Wednesday 30 May, 2018**

“Bill Nighy, Emily Mortimer and Patricia Clarkson star in Isabel Coixet’s adaption of Penelope Fitzgerald’s 1978 novel about a women’s struggles to bring a bit of literary culture to an East Anglia English village. A town that badly needs it.

A stereotypical English film, with subversive undercurrents embodied in the fine performances of these actors makes it a really interesting film.

As romances go this is so exquisitely restrained that it makes ‘Brief Encounter’ look like ‘Debbie Does Dallas.’

Once again, we are planning an exciting cinema evening with ‘The Bookshop’ for Wednesday 30th May 2018.

In partnership with the Roseville Cinema – we would love you to join us, and support our community projects.

**Tickets are \$25 Adults.**

Book and pay by Credit Card online or EFT and register your names in the link at <https://www.kuringgairotary.org.au/index.php/members/roseville-cinema-booking>

or direct enquiries to Ross Egan on 0417 225 612

Tickets will be sent to you by e-mail or collect at the Rotary table, in the lobby, opposite the box-office,

Look forward to seeing you there!

- 8.00pm film start, and 113 minutes.
- we have the theatre lobby & upstairs lounge/bar from 7.00pm
- Raffle/lucky seat prize.
- Nibbles & wine-tasting”

## THOUGHT FOR THE DAY

It rises in the yeast  
and sets in the waist.

## STRICTLY BALLROOM

One of just 20 known cases worldwide with the rare neurological condition, **Aicardi-Goutieres Syndrome #7**, Cooper is a diamond in the rough for many reasons other than his different IF1H gene.

For Superman it was kryptonite; for Cooper it is interferon. And it sparked the degenerative disease at 8 months of age, resulting in motor and speech setbacks. But Cooper is a fighter, a determined little soul with a heart of gold and a smile that will lift the darkest of moods. If he can stay strong through all that life throws at him, then so can we all.

Graffiti Busters Team, Peter Lefmann and Peter Lewis had a couple of hours outing on Wednesday morning (May 2). Our area is relatively quiet (fingers crossed) but the team wanted to clear a couple of large tags on the famous Hill Street, Roseville bike shed – and a couple of lesser graffiti sites.

The photos below are at the The Rifleway car park, behind the shops/cinema etc off the Highway. These photos were chosen because the painting job is a bit neater than some of the other motley, less attractive ones!

Better PR!

## ABOUT ROTARY

*Paul Harris*

The world's first service club, the Rotary Club of Chicago, Illinois, USA, was formed on 23 February 1905 by Paul Harris.

Rotary is a worldwide organisation of business and professional leaders that provides humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world. More than 1.2 million Rotarians belong to over 34,100 Clubs in 210 countries and geographical areas. Rotary Club membership represents a cross-section of the community's business and professional men and women. The world's Rotary Clubs meet regularly and are non-political, non-religious, and open to all cultures, races, and creeds.

The Rotary motto is ***Service Above Self.***

## ***OBJECT OF ROTARY***

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service;
- SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## ***ADVANCE AUSTRALIA FAIR***

Australians all, let us rejoice,  
For we are young and free,  
We've golden soil and wealth for toil  
Our home is girt by sea;  
Our land abounds in nature's gifts  
Of beauty rich and rare;  
In history's page, let every stage  
Advance Australia Fair.  
In joyful strains then let us sing  
Advance Australia Fair.

## ***ROTARY THANKS***

For the community, friendship  
and the opportunity to serve  
through Rotary, we give thanks.

## ***THE FOUR-WAY TEST***

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
