The detailed Notice and Reports concerning the matters for consideration have been separately circulated to all members by Secretary Peter Lefmann.

## PRESIDENT RICHARD GREEN'S REPORT

The club has had an active 6 months. Norm Gibson has arranged some excellent speakers and Ross Symons has maintained the high standard of the bulletin.

The sergeants have kept the meetings relaxed, but just under control.

The club has had the following activities

- > Fun Run
- > Five Bunnings Barbeques (by years end)
- > Assisted at Roseville School Father's Day breakfast
- > A Restaurant night
- > Christmas party
- > Graffiti Removal
- > We've been active in all aspects of the youth portfolio.

We look forward to seeing one of our past Rotary exchange students, Caroline Viotto from Brazil in 2014, at the Christmas party.

Whilst we have had the Fun Run and Bunnings as the only fund raising activities so far this year, we are planning at least two activities in the next half year.

We have had a number of meetings with Chatswood Rotary Club and will be having one with Lindfield Rotary Club in March. Discussion were held about possibly merging with another club but it was decided not to proceed with this.

We are in the process of updating the club by-laws and the club will vote on the proposed amendments in February 2019. The changes are designed to provided more flexibility for the Board and Club.

We have had a number of visits by the AG Fiona Jenkins, but our DG Susan Wakefield's visit has been delayed until February 2019.

There has been little activity in membership growth in the first half of the year while the direction of the club was considered. However we will be active in the next half year . We are arranging a meeting where the parents of the local scouts and schools will be invited.

Finally I would like to thank all the club members ,their partners and friends of the club for their active participation in all the club activities.

Richard Green.

## LAST MEETING - 27 NOVEMBER 2018

### FATHER CHRISTOPHER GARDINER

Our guest speaker for our meeting on the 27th November was Father Christopher Gardiner, a retired Franciscan priest, who has spent a considerable portion of his life in postings to interesting locations, both in Australia and overseas, including the Holy Land [Israel], Rome [Italy] and St. Petersburg [Russia]. At our meeting he spoke about his 7 years as a catholic priest in St. Petersburg which is a special region of Russia with its own Governor.

During the period of communist rule, ministers of religion of every denomination were executed and their places of worship confiscated and often used for public purposes such as storage facilities. St. Petersburg has since acknowledged the illegality of the resumptions and is assisting to restore the churches, including a spectacular synagogue. Freedom of religion has returned to all faiths including the Russian Orthodox Church , Lutherans, Jews and Roman Catholics.

I found it interesting to note that there is a comradery between the religious leaders, and the priests and cantors often mingle together for social occasions such as BBQs [and no doubt to share a vodka or two].

His spoken English was understood by the Russians much easier than those with educated English or American accents and has helped one of the local Universities to make lengthy recordings on “How to speak English”

Christopher found the people of St Petersburg to be courteous, helpful and honest although he had some reservations about the attitudes of the public servants – but possibly that is universal.

However the cold weather can be brutal especially if you have locked yourself and a friend out of your room on a balcony or if you are walking home at night at minus 22 degrees Centigrade. There is always the risk of hypothermia if you sit down to rest and fall asleep.

Norm Gibson

## **ADMINISTRATION & PUBLIC RELATIONS**

### **Club Meetings**

The Club has continued with the twice-monthly meetings this Rotary year. This was adopted on a trial basis, so discussion will need to be undertaken to see if this is to continue in the future.

Thanks must go to Sergeant-at-Arms Ian Garrard, ably assisted by Corporals Sue Ward and Allan Farrar, for continuing to keep the Fine session interesting and entertaining.

Thank you also to Avis Manoukian for the demanding task of Attendance Officer.

### **Membership**

We commenced the year with 25 members. Since 1 July we have welcomed PP Cliff Garrett back into the Club. Unfortunately, due to work pressures, Umesh Bhargava resigned after almost 5 years of membership. Therefore, we remain at 25 members.

We need to be constantly reminded to be on the lookout for potential new members. Every opportunity should be a Membership opportunity, including the Bunnings BBQs and our Club projects and activities.

### **Program**

During the year we have had a variety of interesting guest speakers on a range of topics. Thank you to PP Norm Gibson for arranging a balanced program throughout the year.

### **Club Bulletin**

Our Club Bulletin is of a very high standard and continues to provide all the details about our meetings, projects, events, and a range of other information.

My sincere thanks to PP Ross Symons for spending countless hours producing a quality, informative Bulletin.

### **Public Relations**

Our PR activities so far this year have revolved around the Fun Run and the meeting held on 23 October to talk about donate life - Organ and Tissue Donation.

The Fun Run was widely promoted with paid posts on Facebook. We also took out a significant advertisement in one of the prominent runners' magazines. Unfortunately, we don't believe we received enough benefit to justify the large cost of the ad.

We will continue to look at new ways to create PR for our Club throughout the remainder of the Rotary year. As mentioned previously, members can assist greatly by "Liking" and "Sharing" our posts on Facebook.

Greg Muldoon

Club Administration & Public Relations Director 2018-19.

## YOUTH SERVICE

Youth Services has undertaken the usual range of activities in supporting youth and youth services in our community this year.

- 1) **RYLA- ( Rotary Youth Leadership Awards)**. The Club will support Peter Taylor to attend RYLA 2019. Peter is aged 20 years and is currently undertaking a Bachelor of Information Technology at Macquarie University. Peter has considerable experience in the 2nd Gordon Rover and Scout Groups.
- 2) **RYPEN ( Rotary Youth Program of Enrichment)**. The summer camp is being held from 1-3 February 2019. A total of 6 students – two from each of Killara High, Killarney High and Shore are registered and paid for by our club.
- 3) **NYSY –( National Youth Science Forum)**. The Club is supporting one successful applicant ( Madeline Carmody of Roseville College). The Forum is being held in Canberra in January 2019.
- 4) **RAIC – ( Rotary Adventure in Citizenship)**. The seminar is being held in Canberra 2019. The Club is proposing to sponsor one candidate to attend the seminar which is being held during Budget Week 2019.
- 5) **Schools Awards**. Representatives of the Club will be attending 7 local High and Primary schools during December 2018 to present awards as Best All Rounder or Outstanding Contribution to the School.
- 6) **MUNA – (Model United Nations Assembly)**. The Club will again sponsor 2 teams from Shore School to attend 2019 MUNA.

Youth Director

## COMMUNITY, INTERNATIONAL AND VOCATIONAL SERVICE

### Community

Our Community group had mixed success this year. The main project was the MRI Head Coil for Royal North Shore Hospital. Our initial target was to raise \$40,000 to assist the Pink Ladies Volunteer group with their \$75,000 target. We were delighted to work closely with Pam Campbell on this project. We contacted most of the Rotary Clubs in the Lower and Upper North Shore, together with clubs from Norwest and Riverside. Unfortunately most clubs were unable to contribute. We were delighted to receive contributions from Crows Nest, Chatswood and

Lindfield, plus a District Grant (thanks Neil Howie).

We also had hoped to receive a Grant under the Federal Government 'Stronger Community Programme' – as we did with the very successful Meals on Wheels project. Unfortunately with this latest application, we received incomplete and late advice and missed out.

Roseville Chase RC	\$ 5,000
District Grant (Roseville Chase )	\$ 3,000 (\$1,500 received)
Crows Nest RC	\$ 3,000 (received)
Chatswood RC	\$ 3,000
Lindfield RC BBQ	\$ 1,100

The total of \$15,000 was presented at the Club meeting on 9th October where we had the pleasure of having Dr Marian Roberts, Clinical Director of Medical Imaging from the RNSH, Joy Stephen RNSH Ladies Committee, "Pink Ladies" Pam Campbell, and representatives from the Chatswood, Lindfield and Crows Nest Rotary Clubs attending.

We also made a \$2,000 donation to the Prostate Foundation in October. At the last Board Meeting we agreed to a \$200 donation to the Hornsby & Ku-ring-gai Womens' Shelter (related to an event invitation from the Federal Member, Paul Fletcher).

The Graffiti Busters Team continued its valiant work during the year – endeavouring to combat the young criminals' efforts to trash our beautiful neighbourhood. We removed graffiti from dozens of affected sites. We are working closely with 'local graffiti removal guru' Roger Norman of the Turrumurra Rotary Club and, with Roger's assistance, we received \$2,000 from Ku-ring-gai Council to assist funding of our operation. We are now required to report regularly to the Council on our activities and expenditure.

As part of the ongoing Graffiti Removal campaign, we have now connected with the Vandaltrak organisation, their website and mobile app.

'Since 2008 VandalTrak has provided a platform that has enabled the public to join forces with local councils, businesses, the police and volunteer groups to combat graffiti vandalism.'

Our Graffiti Removal team is registered with them as an active, participating community group.

Finally, we have been a regular participant in the Clean Up Australia campaign – usually at the Echo Point site. Unfortunately in 2018, the advice from the CUA organisers was received far too late for us to organise our group and volunteers. For the next event (3rd March 2019) we have registered our Club well in advance and have contacted the local scout group.

## International

Our International involvement has been fairly low key – with limited resources and funds we have concentrated on Community. We are assisting the Northbridge Club with their projects in East Timor to help provide water and sanitation facilities to the village of Ermera. We have committed to making a \$5000 contribution to the project and on 13 November, Barry

Anderson from the Northbridge Club spoke on the project.

We will continue to review our fund raising results and, if appropriate, may donate to other projects.

## Vocational

We have not participated in any Vocational activities this year.

'The aims of the Award are: To recognise VOCATIONAL EXCELLENCE of the highest order and to honour outstanding contribution by individuals or small teams of individuals for significant advancement in their vocational field in Australia (ie our local community). To inspire further enthusiasm and to give

added reward to the exceptional achievers.'

In recent years we have found that our efforts to attract nominations from businesses and other organisations have met with little enthusiasm.

Peter Lewis

Community, International & Vocational Service Director

The event, modelled on Chatswood RC's recent event at Chatswood Golf Club, will commence in the morning and will finish

with lunch and ancillary fundraising.

Please let us have any ideas on sponsors, targeting of players and ancillary fund raising initiatives.

For budget purposes, we are assuming a net profit of at least \$10,000.

### **Wine and Cheese Evening**

We are also aiming to have a Wine Night in March 2019 with a wholesaler/retailer promoting a wine region with a key speaker, tasting and cheeses from the region.

We are looking at how this might work as a fund raiser with the possibility of income from commissions on sale of wine.

ideas for the evening are most welcome!

For budget purpose we assume a net profit of, say \$3,000

### **Movie Nights**

These nights are enjoyable and readily organized. We propose to arrange one or two evenings at local cinemas.

## DISTRICT CONFERENCE - 29, 30, 31 MARCH 2019

### JOHN HARTLEY IS CO-ORDINATING OUR CLUB'S ATTENDANCE.

LETS GET A GROUP TOGETHER AS WE HAVE DONE EVERY OTHER YEAR

The **Enormous Horns** will join us for Saturday night's dinner dance and will feature the music you grew up with. Come dressed as your favourite musician, band or song. There will be prizes for the best dressed individuals and clubs. Let your hair down, drag out your dancing shoes and show Newcastle that "ROTARY ROCKS".

The Enormous Horns are a fun party band with an emphasis on entertainment, quality musicianship and classy arrangements. The Enormous Horns are an 8 piece all singing, all dancing, party band from Sydney. With over 2 decades of experience performing in hotels and clubs, at private and corporate functions, weddings, outdoor festivals and on national television, we have developed into one of Australia's hardest working live acts, touring extensively across Australia, South-East Asia and China, and the Pacific Region.

The Enormous Horns can play anything from Rock, Pop and Soul to Big Band Swing and Rock 'n Roll, from quiet dinner music before the party gets going, to fully costumed routines from the Village People, Blues Brothers, Rocky Horror and the Disco era.

## ABOUT ROTARY

*Paul Harris*

The world's first service club, the Rotary Club of Chicago, Illinois, USA, was formed on 23 February 1905 by Paul Harris.

Rotary is a worldwide organisation of business and professional leaders that provides humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world. More than 1.2 million Rotarians belong to over 34,100 Clubs in 210 countries and geographical areas. Rotary Club membership represents a cross-section of the community's business and professional men and women. The world's Rotary Clubs meet regularly and are non-political, non-religious, and open to all cultures, races, and creeds.

The Rotary motto is ***Service Above Self.***

## ***OBJECT OF ROTARY***

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service;
- SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## ***ADVANCE AUSTRALIA FAIR***

Australians all, let us rejoice,  
For we are young and free,  
We've golden soil and wealth for toil  
Our home is girt by sea;  
Our land abounds in nature's gifts  
Of beauty rich and rare;  
In history's page, let every stage  
Advance Australia Fair.  
In joyful strains then let us sing  
Advance Australia Fair.

## ***ROTARY THANKS***

For the community, friendship, and  
the opportunity to serve through Rotary,  
we give thanks.

## ***THE FOUR-WAY TEST***

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
