### Fire & Rescue NSW

#### BRENT GRIFFITHS

Brent Griffiths has been with Fire and Rescue NSW since 1999 and worked at many locations throughout the State including, Inner West, Western and Northern Sydney. He has also had the opportunity to work in country centres such as Griffith and Bathurst.

Brent has been involved in high profile incidents through the years, including more recently the 2013 Blue Mountains Fires and the Mona Vale Tanker Fire.

He is currently the Station Commander for 'A' Platoon at Forestville Fire Station and specialises in Hazardous Material response.

Brent will be telling us about the key functions of Fire and Rescue NSW and looking at fire prevention around the home, which is timely coming into winter.

# President's Report

I am sending my apologies again this week – caring for Chris as she has day surgery. My thanks again to Greg Muldoon for chairing the meeting.

It was unfortunate that our guest speaker last Tuesday – Ted Plummer of Sydney Airport – had to cancel his talk due to family illness, but Norm Gibson entertained us with his stories of interesting characters, extradition treaties and US Marshals!

A reminder again about the important Club Forum on Tuesday April 11. Club Forums typically do not get a big attendance – but all members are encouraged to attend to discuss the future direction of the Club. Secretary Peter Lefmann has circulated copies of the Task Force recommendations and we need to decide on some fundamental questions.

- Why do we belong to Rotary and this Club in particular?
- What are the main ways that we want to contribute and what do we want to gain from membership?
- How often should the Club meet and what format should meetings take?

I am sure that there is a wide variety of views amongst members and we may not be able to satisfy all ideas. We should aim for the best balance that optimises the medium to longer term objectives of the Club.

President Peter

It is essential that each club send the relevant Director or Avenue of Service Chair to the Assembly for the entire day. If that is not possible, please ensure that someone attends each session whether or not there is a specific person with that responsibility in your club.

# Reaching the Goal of Polio Eradication Club Challenge

The progress in eradication of polio has been spectacular with only 37 cases worldwide in 2016 in 3 countries- Afghanistan, Pakistan and Nigeria. A dramatic decrease from 1985 when there were an estimated 350,000 cases in 125 countries!

The last cases of polio may occur this year. It is crucial that Clubs remain committed to achieving the end of polio with financial support. Roseville Chase has been a substantial contributor to Polio Plus for many years.

District 9685 in February initiated funding from District Designated Funds (which are generally used for Global and District grants for club projects) to encourage Clubs to generously donate to the Polio Plus Fund. The combination of Club funds and DDF has the major benefit of triggering considerable matching funds from the Rotary World Fund and from the Bill Gates Foundation.

In this Centenary year of the Rotary Foundation, District Foundation has challenged each Club to raise US\$ 2,650 (in recognition of Arch Klump's starting donation of US\$26.50) by 31 March 2017.

The target amount for each Club of US\$2,650 with current exchange rate is A\$3,578. Our Club has already budgeted this year (subject to fundraising) to donate A\$3,000 to the Polio Plus Fund and A\$4,000 to the Annual Programs Fund.

Following the Board meeting on 14 March, **Roseville Chase has accepted the challenge and has donated A\$3,578 to the Polio Plus Fund** to achieve the the deadline date of 31 March for matching funds.

The impact of our donation in A\$ will be:-

<b>Roseville Chase</b>	\$ 3,578
District 9685 DDF Match	\$ 3,578
<u>Rotary World Fund 50%</u>	<u>\$ 1,789</u>
 Total Rotary Funds	 \$ 8,945
<u>Gates Foundation 2:1 for each Rotary \$</u>	<u>\$ 17,890</u>

**7.5**

Total Funds to fight Polio \$ 26,835 (**Our donation x 7.5!!**)

# E-clubs

Rotary e-clubs are a lot like other Rotary clubs: they meet weekly, carry out service projects, support The Rotary Foundation, and socialize with each other. So what's different about e-clubs? You join your meeting online when it's convenient for you, day or night, any day of the week.

## How does an e-club operate?

E-club members use webinars, videoconferencing, message boards, instant messaging, or tools like Skype and Google Hangout to communicate. For example, a club member might post content online for that week's meeting, then other members join the discussion throughout the week. Some e-club members also meet in person at service projects, social activities or the RI Convention.

Any Rotarian can make up a missed meeting by participating in an e-club online meeting.

## Who can join an e-club?

Members can be from anywhere in the world. Some e-clubs focus their membership in a particular region or community.

An e-club could be right for you if you:

- Have a busy schedule and need a flexible meeting time
- Live in different places throughout the year
- Travel frequently
- Have limited mobility
- Live in an area without a nearby Rotary club

## E-Clubs Need

- A dedicated website
- Founding members who are able to manage the club's website
- An online meeting platform to host meetings
- Private sections of the website that only members can access to protect members' online personal data
- Online financial transaction systems that allow members to pay dues, make donations, or process payments

# Rotary INTERNATIONAL CONVENTION

## CELEBRATE WITH BILL GATES IN ATLANTA PRE-REGISTRATION DISCOUNT ENDS 31 MARCH 2017

Celebrate with Bill Gates and Rotarians from around the world as we commemorate 100 years of Doing Good in the World. If you haven't yet made a plan to attend the Rotary Convention in Atlanta 10-14 June, we hope you'll register today to take advantage of the discount that ends 31 March.

Bill Gates, co-chair of the Bill & Melinda Gates Foundation, will congratulate attendees on the centennial of The Rotary Foundation and the progress we've made together toward ending polio. The Bill & Melinda Gates Foundation is a key partner that works alongside Rotary in the Global Polio Eradication Initiative, a public-private partnership that has driven the incidence of polio down by 99.9 percent from more than 350,000 cases annually in 1988 to fewer than a few dozen cases in 2016.

As a past convention attendee, you won't want to miss this special, once-in-a-lifetime convention. Make it even more special, and bring a friend! Register by 31 March to take advantage of the preregistration discount.

P.S. Arrive a day early and join RI President John F. Germ for the Presidential Peace Conference on 9-10 June. You'll hear from Bernice A. King, CEO of the King Center and the Rev. Martin Luther King Jr. Network and attend sessions that explore Rotary's commitment to peace.

Australia has the world's highest incidence of bowel cancer – 1 in 12, both men and women, will be diagnosed with bowel cancer by the age 85. Age is an important factor. The risk begins at age 40, doubling every 5 years and more rapidly as the person gets older.

Statistics show 90% of bowel cancers can be successfully cured if detected at an early stage. Early detection leads to an improved prognosis and less severe treatment.

BOWEL CANCERS begin as polyps. Polyps are growths occurring in the lining of the bowel. Not all polyps are cancerous; they may or may not bleed and cause diarrhoea and pain. Because polyps can develop into cancer, early diagnosis and removal of all polyps is important. More than 75% of people who develop bowel cancer do not have a family history of the disease.

Annual Testing: It is recommended that ALL men and women over the age of 40 have a BowelCare test EVERY YEAR.

### **High Risk**

The risk of bowel cancer increases 3 to 4 times the average if:

- One or more of your blood relatives (parent, sibling or child) have had bowel cancer or polyps.
- You've previously had bowel cancer or polyps.
- You've had extensive inflammatory bowel disease (Crohn's or ulcerative colitis).
- You have a history of bleeding with or in the stool.
- You have experienced a recent change in bowel habit or pain in the lower abdomen.

Persons in any of the above categories should consult their doctor for follow up investigation.

Note: Many bowel cancers also occur in people without high risk factors.

Rotary and its members are not engaged in the provision of medical advice or medical service to the public but we do encourage people with a bowel disorder to consult their doctor.

Be kind to yourself – look after your health.

### Cyclone

A **Cyclone** blew across the Pacific Rim. It didn't take long for the expensive yacht to be swamped by high waves, sinking without a trace. There were only two survivors: the boat's owner, Dr. Smythe and the steward, Marcus who managed to swim to the closest island. After reaching the deserted strip of land, the steward was crying and very upset that they would never be found. Dr. Smythe on the other hand was quite calm, relaxing against a tree. "Dr. Smythe, Dr. Smythe, how can you be so calm?" cried Marcus. "We're going to die on this lonely island. We'll never be discovered here." "Sit down and listen to what I have to say, Marcus." began the confident Dr. Smythe. "Five years ago, I gave the United Way \$500,000 and another \$500,000 to my church. I donated the same amounts four years ago. And, three years ago, I did very well in the stock market, so I contributed \$750,000 to each. Last year, business was good, so the two charities each got a million dollars." stated Dr. Smythe. "So what?" shouted Marcus.

"Well, it's time for their annual fundraising drives, and I know they're going to find me!" smiled Dr. Smythe.

**Thunderstorm** One summer evening during a violent thunderstorm a mother was tucking her small boy into bed. She was about to turn off the light when he asked with a tremor in his voice, "Mommy, will you sleep with me tonight?" The mother smiled and gave him a reassuring hug. "I can't dear," she said. "I have to sleep in Daddy's room."

A long silence was broken at last by a shaken little voice saying, "The big sissy."

## ABOUT ROTARY

*Paul Harris*

The world's first service club, the Rotary Club of Chicago, Illinois, USA, was formed on 23 February 1905 by Paul Harris.

Rotary is a worldwide organisation of business and professional leaders that provides humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world. More than 1.2 million Rotarians belong to over 34,100 Clubs in 210 countries and geographical areas. Rotary Club membership represents a cross-section of the community's business and professional men and women. The world's Rotary Clubs meet weekly and are non-political, non-religious, and open to all cultures, races, and creeds.

The Rotary motto is *Service Above Self.*

## ***OBJECT OF ROTARY***

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service;
- SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## ***ADVANCE AUSTRALIA FAIR***

Australians all, let us rejoice,  
For we are young and free,  
We've golden soil and wealth for toil  
Our home is girt by sea;  
Our land abounds in nature's gifts  
Of beauty rich and rare;  
In hist'ry's page, let every stage  
Advance Australia Fair.  
In joyful strains then let us sing  
Advance Australia Fair.

## ***ROTARY THANKS***

For the community, friendship  
and the opportunity to serve  
through Rotary, we give thanks.

## ***THE FOUR-WAY TEST***

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
