PRESIDENT RICHARD GREEN'S REPORT

This week we are hearing from the young person, Marcus Swift, who we sponsored to RLYA. I understand he thoroughly enjoyed it. I look forward to hearing about his experience.

Thanks Greg for organising this and taking him to and from the camp.

We have another Bunnings on the 5 April. It is the Sunday before Easter. Last time we had this time slot it was successful. Let's see.

You will have all received the motion to be put to the club on 25 February. If you have any comments or amendments please send them to me or bring them up at this weeks meeting.

As our by- laws do not allow proxies, it is important you attend the meeting on the 25 February.

In March we will be calling for nominations for all positions on the new board. It would be good if our club had about 4 members.

As I write this I am listening to the rain, an unusual sound but very welcome.

Richard Green
President.

CARD OF APPRECIATION FROM RO SYMONS

Ro Symons was admitted to the SAN Hospital last Friday 31 January for a hip replacement operation.

The following card has been received by the Club from Ro.

*To the Members of the Roseville Chase Rotary Club.
Many thanks for the beautiful flowers and wishes for a speedy recovery.*

I was discharged into Ross' care yesterday, and he's proving a very capable nurse.

I'm pain free (thanks to the medication) and progressing well.

*Kind regards.
Ro Symons.*

WORKING WITH CHILDREN CERTIFICATES

The Office of the Children's Guardian is an independent statutory authority in NSW Government. It protects children in NSW by promoting and regulating quality, child safe organisations and services.

Many members who previously applied for clearance for Working with Children, will have received or will be shortly receiving, email notice that their clearance is about to expire, and setting out the process for applying for renewal of the clearance.

The application can be made online, and the email sets out the process to be followed in the online process, and the subsequent need to attend at a NSW Services Centre with appropriate identification documents to complete the renewal application process. There is no fee for "volunteers" which covers Rotary.

Peter Lefmann is the confidential "keeper" of the information for our Club. When you receive notification that your application has been cleared and your certificate renewed, please forward a copy of that advice to Peter Lefmann.

BLACKTOWN CAREVAN CEO CITY CITIZEN OF THE YEAR AWARD

Citizen of the Year - Blacktown City

Andrew Scott – CEO Carevan Blacktown

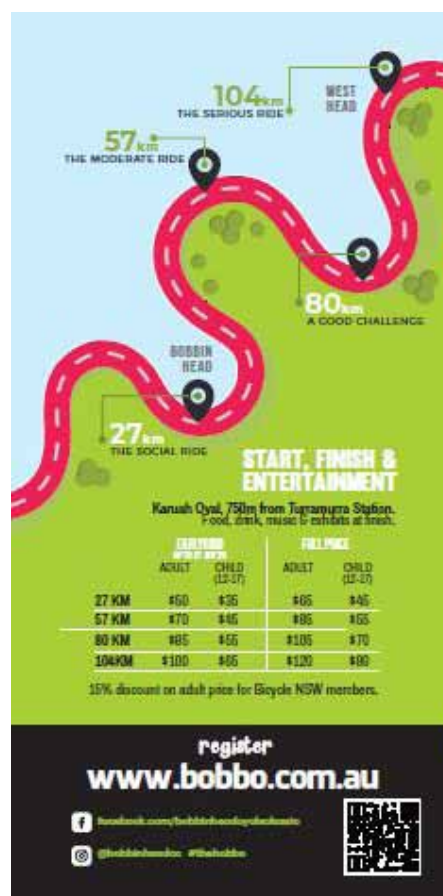

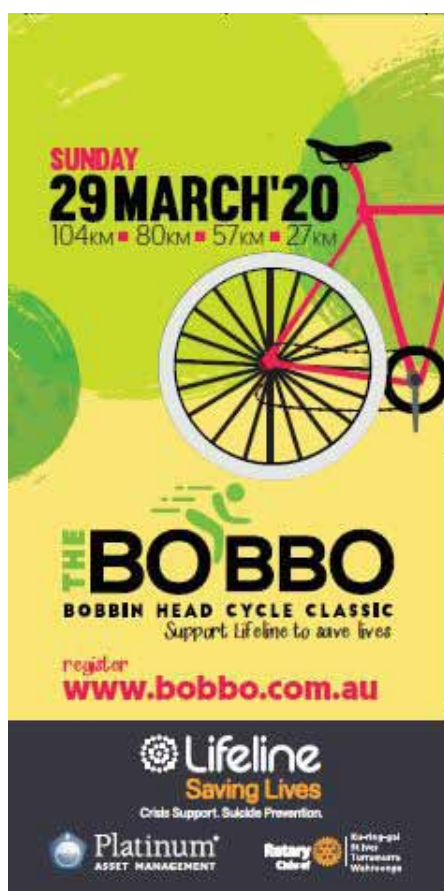

Carevan Blacktown began operating in 2011 serving nutritious meals to the needy on the streets of Blacktown. The colourful food van can be seen each and every Tuesday evening outside Lalor Park Library serving hot meals, a cup of tea and a chat to whoever turns up.

Marayong resident Andrew Scott was a member of the original team and became CEO in 2013. He is described as the driving force behind the all-volunteer organisation that takes meals prepared in local schools and donations of fruit and vegetables and provides a weekly meal, company and advice to the homeless and disadvantaged – no questions asked.

In addition to heading the team in the van on two nights out of four, Andrew Scott organises and collects food donations, maintains the van and does most of the administrative work involved in the charity that is staffed entirely by volunteers.

FOR THE SERIOUS BIKE RIDERS BOBBO 29th MARCH 2020

Hello Club President!

The Bobbin Head Cycle Classic (the Bobbo), will be held on Sunday 29 March 2020, and I'd like to invite you and your club to help us by spreading the word, recruiting riders and supporting their fundraising.

The Bobbo is owned and managed by the Rotary Clubs of Turramurra, Kuring-gai, Wahroonga and St Ives. Since the first event 9 years ago this unique partnership of Rotary Clubs has raised over \$800,000 for our charity partner, Lifeline and other selected charities.

Please also consider entering a team from your Club. Teams of five or more who raise over \$1,500 are eligible to access the Corporate Hospitality Marquee for free refreshments, snacks, beer and massage.

The funds raised by this terrific event helps Lifeline year after year to save lives through their Crisis support counselling. Please lend us your support for 2020 as we try to break through the \$1 million fundraising milestone!

We look forward to your support and if you have any questions please give me a call. See too www.bobbo.com.au ;

DG NEWSLETTER - SOME INTERESTING EXCERPTS

Fundraising thanks

I cannot thank you all enough for the ongoing fundraising which you are all contributing to the recovery efforts. The RAWCS fund, as at 30/1/2020 was sitting at over \$730,000 which is phenomenal – thank you everyone. Much of this funding has come from international individuals, as well as partner clubs and districts internationally, for which we are all very grateful. And if you or anyone you know would like to be part of this amazing national project, simply go to www.rawcs.org.au and use the link on the front page.

Discussions are actively underway between the DGs Bushfire Relief Committee, RAWCS and The Rotary Foundation to maximise the outcomes of all potential funding partnerships and relationships.

I also appreciate that everyone wants some assistance provided as soon as possible. That is very tempting indeed, however there are many other organisations already equipped to provide immediate support to those affected, including government agencies and emergency response organisations. To that end our goal is to fill the gaps left by those groups, to assist where other assistance is not available.

Adopt-A-Town

Some clubs already have a relationship with country cousins who have been affected by the fires and/or drought. I hope by now that you have registered this relationship on Adopt-A-Town so that all clubs can see the towns which are in your care, and also those still in need of some love! www.adoptatown.com.au. There is little point in all clubs supporting the same town when there are so many in need, so please take a minute to register your relationship.

Foundation Scholarships

Applications have opened for the next generation of Peace Fellows and Global Scholars. The application form is available from the D9685 website.

If you know of interested candidates, please provide them with the form. If your Club is interested in nominating a candidate, please submit the form or contact PDG Pam Pritchard for more details. PDG Pam is Chair of the selection committee, ably assisted by PDG David Rands and PP David Ellyard.

Our District has supported many scholars over recent years that have contributed greatly to our communities upon completion of their studies. They are available to visit your Club and speak with you about their experiences and activities.

A BIT OF HUMOUR

Occupational hazard

A passenger in a taxi leaned over to ask the driver a question and gently tapped him on the shoulder to get his attention.

The driver screamed, lost control of the cab, nearly hit a bus, drove up over the kerb and stopped just inches from a large plate glass window.

For a few moments everything was silent in the cab.

Then, the still shaking driver said, "Are you OK? I'm so sorry, but you scared the daylights out of me".

The badly shaken passenger apologised to the driver and said he didn't realise that a mere tap on the shoulder would startle the driver so badly.

The driver replied, "No, no, I'm the one who is sorry. It's entirely my fault. Today is my very first day driving a cab. I've been driving a hearse for 25 years".

Morris and Esther helicopter Ride

Morris and his wife Esther went to the state fair every year, and every year Morris would say, 'Esther, I'd like to ride in that helicopter.'

Esther always replied, 'I know Morris, but that helicopter ride is fifty dollars. And fifty dollars is fifty dollars'

One year Esther and Morris went to the fair, and Morris said, 'Esther, I'm 85 years old. If I don't ride that helicopter, I might never get another chance.'

To this, Esther replied, 'Morris that helicopter ride is fifty dollars, and fifty dollars is fifty dollars.'

The pilot overheard the couple and said, 'Folks I'll make you a deal. I'll take the both of you for a ride. If you can stay quiet for the entire ride and don't say a word I won't charge you a penny! But if you say one word it's fifty dollars.'

Morris and Esther agreed and up they went.

The pilot did all kinds of fancy manoeuvres, but not a word was heard. He did his dare devil tricks over and over again, But still not a word.

When they landed, the pilot turned to Morris and said, 'By golly, I did everything I could to get you to yell out, but you didn't. I'm impressed!'

Morris replied, 'Well, to tell you the truth, I almost said something when Esther fell out, but you know, fifty dollars is fifty dollars!'

ABOUT ROTARY

Paul Harris

The world's first service club, the Rotary Club of Chicago, Illinois, USA, was formed on 23 February 1905 by Paul Harris.

Rotary is a worldwide organisation of business and professional leaders that provides humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world. More than 1.2 million Rotarians belong to over 35,000 Clubs in 210 countries and geographical areas. Rotary Club membership represents a cross-section of the community's business and professional men and women. The world's Rotary Clubs meet regularly and are non-political, non-religious, and open to all cultures, races, and creeds.

The Rotary motto is ***Service Above Self.***

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service;
- SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ADVANCE AUSTRALIA FAIR

Australians all, let us rejoice,
For we are young and free,
We've golden soil and wealth for toil
Our home is girt by sea;
Our land abounds in nature's gifts
Of beauty rich and rare;
In history's page, let every stage
Advance Australia Fair.
In joyful strains then let us sing
Advance Australia Fair.

ROTARY THANKS

For the community, friendship, and the opportunity to serve through Rotary, we give thanks.

THE FOUR-WAY TEST

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
