NO DINNER MEETING AT THE GOLF CLUB.

We will meet at "THE GREENS" in Ridge Street North Sydney at 5:30 pm

There is an outside bar and restaurant There is plenty of parking in Ridge Street.

This will be casual. It will be optional whether you eat or not - irrespective you pay for your own meal/drinks at the bar.

As things are very fluid at the moment check **your emails about midday on Tuesday** to see if there is any change. I have been to the venue and they will be operational

We are arranging to vote electronically on all the motions necessary for the merger. Ross will have more details in the Bulletin and provide further advice soon. Look after your selves and your families.

Richard

PRESIDENT RICHARD GREEN'S REPORT

We will not be having a meeting at the golf club next Tuesday. We are not sure about future meetings.

We are presently organising a get together for next Tuesday at THE GREENS, Ridge Street North Sydney. There is an outside bar and restaurant It will most likely start about 5:30 and finish by 7.00pm.

We will inform the members of more details on Sunday. This might be the format for future meetings, get-togethers. They will be informal.

Nearly all the activities we were going to undertake have been cancelled i.e. Bunnings BBQ's mock interviews, attendance at District Assembly etc.

We are also sorting out handling the merger and voting on motions, but this will be by email and where necessary, by ballot papers.

Dont forget to nominate for the board of the merged club. Do it now . Roseville Chase should aim for three members. Could any members who are contemplating nominating for the Board of the merged club, please advise me of your intentions by **30 March, and provide a 1 paragraph summary of Rotary experience and history.** This is for the benefit of voting members from Chatswood. I will ask Chatswood to do the same for its nominations. These statements should be circulated to all for the election voting.

Nominations will close at 5 pm on Friday 10 April.

Where required a ballot by the members of both clubs, by electronic means and ballot paper, will take place by 14 April.

Where there is only one nomination for a position, or only 5 or less nominations for the Board, that person/those people, will be declared elected and there will be no need to vote for that or those positions.

We need to keep the spirit of the club up so will continue to have abridged Bulletins and emails issued on a regular basis. If anyone has any other ideas on maintaining interest, please let me, Greg or Neil know.

The board at its last meeting, has approved the Club's donations to the Rotary Foundation and End Polio Now, instead of waiting until June as usually happens.

Richard Green

President.

LAST MEETING - 10 March 2020

Jim Wells gave us an interesting insight into the life of Nevil Shute.

Nevil Shute Norway (17 January 1899 – 12 January 1960) was an English novelist and aeronautical engineer who spent his later years in Australia. He used his full name in his engineering career and Nevil Shute as his pen name to protect his engineering career from inferences by his employers (Vickers) or fellow engineers that he was not a serious person or from potential negative publicity in connection with his novels, which included ***On the Beach*** and ***A Town Like Alice***.

In 1948, Shute flew his own aeroplane to Australia and back, accompanied by the writer James Riddell, who published a book, ***Flight of Fancy***, based on the trip, in 1950.

On his return, concerned about what he saw as the decline of his home country, he decided that he and his family would emigrate to Australia. In 1950.

In the 1950s and 1960s he was one of the world's best-selling novelists.

WORKING WITH CHILDREN CERTIFICATES

The Office of the Children's Guardian is an independent statutory authority in NSW Government. It protects children in NSW by promoting and regulating quality, child safe organisations and services.

Many members who previously applied for clearance for Working with Children, will have received or will be shortly receiving, email notice that their clearance is about to expire, and setting out the process for applying for renewal of the clearance.

The application can be made online, and the email sets out the procedure to be followed in the online process, and the subsequent need to attend at a NSW Services Centre with appropriate identification documents to complete the renewal application. There is no fee for "volunteers" which covers Rotary.

Peter Lefmann is the confidential "keeper" of the information for our Club. When you receive notification that your application has been cleared and your certificate renewed, please forward a copy of that advice to Peter Lefmann.

FROM THE DG'S NEWSLETTER - 19 MARCH 2020. SOMETHING TO BE CONSIDERED BY THE BOARD

Remote Meeting Options

For those clubs who choose to suspend meetings for a time, there are some other alternates that may assist with ongoing communications and collaboration, and to overcome any sense of isolation. I include below some options courtesy of one of my national classmates south of the border:

Seize the opportunity to innovate and improve in other areas.

1. Now is a great time to enhance your electronic communications such as club bulletins, websites and social media such as Facebook.
2. Connect into the social media pages other community groups and organisations in your community. This is a great way to stay connected and even broaden your reach.
3. Connect with your communities by helping our less fortunate neighbours cope with the effects of isolation and fear, or by supporting our health authorities to address this situation.
4. Assist health authorities communicate best practices or provide needed equipment or support into your communities.
5. Many people are familiar with Video Conferencing programs with the District and e-Club using Zoom program successfully on a regular basis for many. It is not as difficult as many may think, and works with both phones and with PCs of any sort.

The Rotary e-Club of Greater Sydney would like to offer any assistance it can to help Rotary clubs and committees to continue to meet as per normal - but online rather than physically.

Zoom Video Conferencing - account sign-up

I am urging clubs to consider implementing use of video conferencing programs. There is an opportunity for cluster clubs to collaborate on a subscription to reduce the cost and share the access. Scheduling of meetings can then be managed to ensure there are no clashes.

The E-Club would be happy to help Clubs and/or Clusters use Zoom as a meeting platform. The E-Club has a subscription, as does District 9685, or you can sign-up for a Zoom account; plans and pricing can be found here - <https://zoom.us/pricing>.

- There is a free account option with restricted function, ie only 40min duration.
- There is also a Pro Account (\$20.99/month), as used by the District Team.

(continued next page)

Zoom Video Conferencing – training on how to use it

Zoom has on its website lots of guides and videos on how to use Zoom - <https://support.zoom.us/hc/en-us/categories/200101697-Getting-Started>.

The E-Club would also be happy to host one or more training sessions to demonstrate how to use Zoom for your meetings and best practice tips specifically for Rotary club meetings.

If you are interested, contact President Kian Safaei ksafaei@yahoo.com. They can also provide “helpdesk support” to assist Rotarians who are trying to set up and use Zoom for the first time, including acting as meeting host (subject to member availability).

TO MAINTAIN INTEREST AND INVOLVEMENT IN THE CLUB, THIS IS SOMETHING WHICH THE BOARD MAY CONSIDER.

HARAN RAMACHANDRAN (WHO WAS TO BE OUR GUEST SPEAKER THIS TUESDAY) IS VERY FAMILIAR WITH ZOOM MEETINGS AND WILLING TO SET UP A TRIAL.

Neil Howie will follow up.

A TOUCH OF HUMOUR

High Stakes Gamblers and Big Rollers

A Scots boy came home from school and told his mother he had been given a part in the school play.

"Wonderful," says the mother, "What part is it?"

The boy says "I play the part of the Scottish husband!"

The mother scowls and says: "Go back and tell your teacher you want a speaking part."

A Scottish farmer was in his field digging up his tatties (a Scots word for potatoes).

An American farmer looked over the fence and said "In Texas we grow potatoes 5 times larger than that!"

The Scotsman replied "Ah but we just grow them for our own mouths!"

An English teacher wrote these words on the whiteboard: "woman without her man is nothing".

The teacher then asked the students to punctuate the words correctly.

The men wrote: "Woman, without her man, is nothing."

The women wrote: "Woman! Without her, man is nothing."

Subject: Disorder in the Court

(APOLOGIES TO OUR LAWYER MEMBERS)

These hilarious exchanges are from a book called 'Disorder in the American Courts'. They were recorded verbatim and published by Court Reporters that had the torment of staying calm and remaining professional while these exchanges were actually taking place.

ATTORNEY: This myasthenia gravis, does it affect your memory at all?

WITNESS: Yes.

ATTORNEY: And in what ways does it affect your memory?

WITNESS: I forget.

ATTORNEY: You forget? Can you give us an example of something you forgot?

ATTORNEY: Now doctor, isn't it true that when a person dies in his sleep, he doesn't know about it until the next morning?

WITNESS: Did you actually pass the bar exam?

ATTORNEY: The youngest son, the twenty-year-old, how old is he?

WITNESS: He's twenty, much like your IQ.

ATTORNEY: Were you present when your picture was taken?

WITNESS: Are you kidding me?

ATTORNEY: So the date of conception (of the baby) was August 8th?

WITNESS: Yes.

ATTORNEY: And what were you doing at that time?

WITNESS: Getting laid

ATTORNEY: She had three children, right?

WITNESS: Yes.

ATTORNEY: How many were boys?

WITNESS: None.

ATTORNEY: Were there any girls?

WITNESS: Your Honour, I think I need a different attorney. Can I get a new attorney?

ATTORNEY: How was your first marriage terminated?

WITNESS: By death.

ATTORNEY: And by whose death was it terminated?

ATTORNEY: Can you describe the individual?

WITNESS: He was about medium height and had a beard.

ATTORNEY: Was this a male or a female?

WITNESS: Unless the Circus was in town I'm going with male.

ATTORNEY: Is your appearance here this morning pursuant to a deposition notice which I sent to your attorney?

WITNESS: No, this is how I dress when I go to work.

ATTORNEY: Doctor, how many of your autopsies have you performed on dead people?

WITNESS: All of them. The live ones put up too much of a fight.

ATTORNEY: Do you recall the time that you examined the body?

WITNESS: The autopsy started around 8:30 p.m.

ATTORNEY: And Mr. Denton was dead at the time?

WITNESS: If not, he was by the time I finished.

ATTORNEY: Doctor, before you performed the autopsy, did you check for a pulse?

WITNESS: No.

ATTORNEY: Did you check for blood pressure?

WITNESS: No.

ATTORNEY: Did you check for breathing?

WITNESS: No.

ATTORNEY: So, then it is possible that the patient was alive when you began the autopsy?

WITNESS: No.

ATTORNEY: How can you be so sure, Doctor?

WITNESS: Because his brain was sitting on my desk in a jar.

ATTORNEY: I see, but could the patient have still been alive, nevertheless?

WITNESS: Yes, it is possible that he could have been alive and practicing law.

ABOUT ROTARY

Paul Harris

The world's first service club, the Rotary Club of Chicago, Illinois, USA, was formed on 23 February 1905 by Paul Harris.

Rotary is a worldwide organisation of business and professional leaders that provides humanitarian service, encourages high ethical standards in all vocations, and helps build goodwill and peace in the world. More than 1.2 million Rotarians belong to over 35,000 Clubs in 210 countries and geographical areas. Rotary Club

membership represents a cross-section of the community's business and professional men and women. The world's Rotary Clubs meet regularly and are non-political, non-religious, and open to all cultures, races, and creeds.

The Rotary motto is ***Service Above Self.***

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service;
- SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

ADVANCE AUSTRALIA FAIR

Australians all, let us rejoice,
For we are young and free,
We've golden soil and wealth for toil
Our home is girt by sea;
Our land abounds in nature's gifts
Of beauty rich and rare;
In history's page, let every stage
Advance Australia Fair.
In joyful strains then let us sing
Advance Australia Fair.

ROTARY THANKS

For the community, friendship, and the opportunity to serve through Rotary, we give thanks.

THE FOUR-WAY TEST

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
