ChEd Nepal
Supporting Children's Education in Nepal

Another wonderful evening at the Davistown RSL Club, where we hosted a combined meeting with the Rotary Clubs of Terrigal, Erina, Kincumber, and Kariong/Somersby Rotary.

Our guest speaker, Dale Massie - Chairperson of ChEd Nepal, delivered an informative and inspiring talk about the work her organization is undertaking in education, health and sanitation in one of the poorest countries in the world.

Dale is a passionate speaker and this is a great small but effective project making a difference.

Our new fundraising project
- maybe you can help...

The header of the fundraising page is yellow. It features the Rotary Club of Terrigal logo in a white circle at the top. Below it, the text '341 days left' is centered. The main title 'Terrigal Rotary Community Support Project' is in large black font. Below the title, it says 'By Rotary Club of Terrigal'. A progress bar is shown, with 'Raised so far' at A\$14.30 and 'Goal' at A\$5,000.00.

Description

The Rotary Club of Terrigal is raising money for its range of local community projects including our fortnightly D'Cafe to support those suffering with dementia and their carers, our 3 Youth Leadership Programs which develop strong, confident young people. We also support The Glen for Men and The Glen for Women.

This section is on a green background. It starts with the text 'Ready to recycle?'. Below it is a large barcode. Underneath the barcode is the text 'Scan your barcode at the machine'. Further down, it says 'Your active payout'. At the bottom is a white button with the Rotary logo, the word 'Donation', and a right-pointing arrow.

NSW Soft drink and beer bottles and cans

Nearest return to Terrigal is Erina Fair Penrose Crescent.

Newer members at our Dementia Café on a Monday...Betty who loves singing, and Rick who likes a challenge!

Do come along...2nd and 4th Monday mornings, and enjoy cakes, coffee and friends.

HAPPY BIRTHDAY WAVES DANCE PARTY!!!

The Waves Dance Party celebrated its 3rd birthday tonight at the Central Coast Leagues Club. Hundreds of party goers enjoyed dancing to great music under an amazing light show, and were treated to a wonderful birthday cake to mark the occasion. Terrigal Rotary are proud to have assisted the Waves Dance Party again by helping out at the welcome desk.

OUR BOOK SALE will soon be here – Look out for sorting dates, supplementary stalls, and BBQ plans!

HELP

DONATE

Bunnings with Share the Dignity, an

partners

Australian charity that provides essential items and period products to women and girls experiencing homelessness, domestic violence, or financial hardship, as collection points for its [It's in the Bag](#) campaign. The campaign encourages the public to fill a handbag with new hygiene essentials like a toothbrush, shampoo, and deodorant, along with period products, and drop it off at a Bunnings store during a specific collection period, typically around November and December.

How to Participate:

Gather a handbag: Find an unused handbag to fill with your donations.

Fill with essentials: Pack it with new, essential items such as:

Toothbrush and toothpaste

Shampoo, conditioner, and soap

Deodorant

Period products (pads and/or tampons)

Optional extras: A handwritten note of encouragement, lip balm, or socks

Bring the bag(s) to a Rotary meeting in November

Or Drop off at Bunnings: Take your completed bag to a decorated collection box at any Bunnings store.

Why it Matters:

Dignity:

The campaign provides women and girls in need with dignity by ensuring they receive a thoughtful gift of essential items and personal care products.

Addressing Period Poverty:

Share the Dignity works to combat [period poverty](#), a lack of access to menstrual products, by distributing them to those who cannot afford them.

Support During Difficult Times:

For many recipients, the It's in the Bag donation is the only gift they receive, offering a sense of hope and care during the Christmas season.

World Polio Day – Train Ride to End Polio

Thursday 24 October 2025

Mark and Dave Anderson will again lead this iconic event. Let's make this the year every club in Greater Sydney supports it! Get your red End Polio Now shirt from RDU Supplies and join the train ride.

OPPORTUNITY : SHELTERBAGS

The Bowral-Mittagong Rotary Club has recently taken over the management of Shelterbags in Australia. This involves the importation and distribution of the bags to Rotary Clubs in most Australian States.

The bags are produced by Sheltersuit in South Africa in a social workshop which employs disadvantaged workers. We have to pay for the bags when we place an order and thus look to participating Rotary Clubs to pre-order any bags that they wish to distribute. The freight costs are then invoiced to the Clubs when the bags arrive in Australia. More details can be seen in the attached information sheet.

We plan to place a factory order for a full container of 1,200 bags in early October, this will mean that the bags will be here for distribution well before next winter. To do this we need Club orders with us in the next couple of weeks.
