

January is Vocational Service Month

President's Message

Happy New Year to all Members and your families. Hopefully the Christmas and New Year celebrations were both restful and enjoyable.

As we start the New Year and the second half of our Rotary Year it is worth giving some thought to how we want our Club to operate. To be vibrant and meaningful we need to have an active program with involvement of all members in some way. These programs and activities need to have momentum and enthusiasm. We have to be brave and embrace change if that is what is needed to achieve our vision for the future.

It is important that we each ask ourselves where we fit into this vision for the future. It is a conversation we need to have with ourselves. Our Club will only be successful if its members are involved and committed.

As has been said before it is not the responsibility of the Board to do everything – they are there to lead and guide - it is up to all members to be involved. For example, it was disappointing that the request for volunteers to assist with the Club program received no response from any member who currently doesn't have a Club responsibility. Thanks to Bobby Redman and Vic Deeble for rising to the occasion despite already having several Club and District responsibilities.

Surely the first principle of the Four Way Test - "Is it fair to all concerned" - is fulfilled when there a fair distribution of the tasks involved in running the Club?

ACKNOWLEDGEMENT TO COUNTRY

We acknowledge the Darkinjung and Guringai people who are the traditional custodians of this land and pay our respects to Elders both past and present.

THE FOUR-WAY TEST

Of the things we think, say or do ...
Is it the TRUTH?
Is it FAIR to all concerned?
Will it build GOODWILL and BETTER FRIENDSHIPS?
Will it be BENEFICIAL to all concerned?

RI VISION STATEMENT 2018

Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves.

PS: Breaking News

The Three Amigos - Ted Crawley, Bill Cook and Adrian Thurlow have agreed to band together to undertake the role of Sergeant-at-Arms for the next 6 months - well done Gringos.

A Request from David Mylan

Your Club participated in the Club Visioning Program and possibly one or more of the members may be interested in participating in the program as a facilitator.

I would ask if members are interested in becoming a Club Visioning Program Facilitator to contact me.

Thank you in anticipation of your support.
