

## The Rotary Club of Woy Woy

Chartered on July 29 1950, the club has been an active and eager participant in the life and growth of the Peninsula community as well as providing support for important regional, state, national, and international projects.

### Membership

Everyone is welcome to join the Rotary Club of Woy Woy. The club has been a mixed gender club for over 30 years and currently includes individuals with over 40 years of community service and individuals with less than two years. The only requirement needed to join a Rotary club is a drive to do good in the community, to work collaboratively with others, and to have fun.

### Check us out

We hold dinner meetings on Tuesdays 6:00pm for 6:30pm at the Everglades Country Club Dunban Road, Woy Woy.

Come and check us out, have a meal, a chat, listen to updates about our current activities and hear from guest speakers.

You can also 'try before you buy', let us know if you'd like to help out at some of our events and fund raisers to see if Woy Woy Rotary is for you. Questions? Visit, [woywoyrotary.org.au](http://woywoyrotary.org.au) or email [woywoyrotary@gmail.com](mailto:woywoyrotary@gmail.com)

# Join us doing great work on the Peninsula

## Opera in the Arboretum.

For over 17 years, this community event has brought together star-studded line-ups of artists to perform Opera's much-loved arias, duets and ensembles in the beautiful rainforest setting of the Croomelin Native Arboretum in Pearl Beach.

## ANZAC Day Dawn Service

With over 800 residents gathering to commemorate those who have served their country, this event is one not to miss. Join us in handing out coffee, tea, Anzac biscuits, candles, and pay your respects to service men and women past and present.

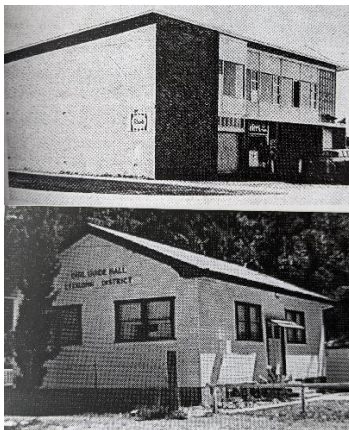

## Staples Lookout

Originally conceived and built by the Woy Woy Rotary club in 1955, Staples lookout still offers the ideal spot to look over the beauty and serenity of the Peninsula.

## The Red Shield Appeal

Over the years, Woy Woy Rotary has helped the Salvation Army collect funds for their Red Shield appeal. From our collection point, at Koolewong park (another Woy Woy Rotary project from the late 1960's), our members liberate loose change and the occasional note from passing motorists.

## Building for the future

Over the years, the Woy Woy Rotary club has committed time, money and labour to building significant community assets including the Ocean Beach SLSC (1955-57) and the Girl Guides Hall in Ettalong (early 1960's).
