

President's Report

Opera at the Arboretum

On Saturday we held the 12th Opera at the Arboretum, after a fortnight of inclement weather. Every day for 14 days we had had rainstorms that varied in intensity and duration and timing so that we were not sure whether the weather would be kind to our event or not. As it turned out we were lucky with no rain during the event and only a light shower before the event for the early arrivals.

Our virtuoso performers, Sally-Anne Russell, David Hobson, Andrew Jones and Michael Archer were excellent in delivering a varied and interesting program. They were ably supported by the Central Coast Chamber Orchestra conducted by Patrick Brennan with piano accompaniment by Francis Greep. Speciality performances by Robbie Szafrank on the bagpipes and Sally Maer on the cello completed the entertainment.

Our MCs were Augusta Miller and our own John Greenway.

There was something for everyone and everyone who I met after the performance complimented the club on the event.

Thank you to all club members for your support. Without you providing help in so many ways we could not

have run the Opera let alone made it a resounding success.

Finally a special thanks to John Greenway for once again taking on and organising this annual extravaganza. Please congratulate him when you next see him because he richly deserves your praise.

Club Visioning

This week we will be reviewing our Visioning ideas with the help of our Visioning mentor Graeme Davies. Be sure to come along again to give us your input. It will set a direction for the future course of 'your' club.

Please put this in your diaries and reminder apps.

THE FOUR-WAY TEST

Of the things we think, say or do ...

Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOODWILL
and BETTER FRIENDSHIPS?

Will it be BENEFICIAL to all
concerned?

ROTARY GRACE

O Lord and Giver of all good,
we thank You for our daily food.
May Rotary friends and Rotary ways,
help us to serve You all our days.
