# Community & Youth Grants Committee

## 2018-2019 Grant Application Process and Guidelines

Through our **Community and Youth Grants Committee**, the Rotary Club of Santa Monica provides monetary support to non-profit organizations serving the Santa Monica community. Awards range from **\$500** to **\$3,500** and are limited to **sustainable projects**, such as:

- New construction or renovation materials
- Equipment and furnishings

We DO NOT fund operating expenses, annual giving campaigns, fund-raising or other events, endowment campaigns, sectarian religious projects, political activities, or private/public foundations that fund other non-profits.

Applicants are discouraged from submitting simultaneous proposals to both the **Rotary Club of Santa Monica Community and Youth Grants Committee** and the **Santa Monica Rotary Club Foundation**. Typically, only one grant will be approved and funded by these two sources to the same recipient organization during any fiscal year.

Organizations may apply annually for awards from the Community and Youth Grant Committee. However, we limit funding to no more than three grant awards issued to any one organization during any five-year period. Our objective is to provide necessary support to as many worthy organizations as possible.

### Post Grant Award Responsibilities

Award recipients are expected to (1) confirm receipt of funds to our organization; (2) recognize the Rotary Club of Santa Monica for award in communications with organization members or promotional material; and (3) provide written report detailing how funds were deployed, quantity of persons receiving benefits, and outcomes within one year of receiving the grant. Failure to do so may disqualify an organization from eligibility for future grant awards.

Any funds that cannot be spent for the intended purpose during expected time interval must be returned to the Rotary Club of Santa Monica.

### Application Instructions:
