

OUR CLUB

Our club gives you an opportunity to join leaders who take action on important issues affecting our community, our nation and the world. We also have a lot of fun - whether we're socializing or working together on service projects, we make things happen TOGETHER.

Members of Metro North Rotary connect at weekly meetings and learn from business experts, political and civic leaders and entrepreneurs who help us stay informed on topics that are relevant to our community.

Together we make great things happen. We have a structure that focuses on action and positive results. We strive to live the Rotary motto of 'Service Above Self.'

OUR FUNDRAISER

By savoring some of the best local and regional craft beers at Lager 'Lympics, we raise money for kids! This outdoor beer tasting event takes place in the heart of the trendy and bustling NewBo district. Enjoy a few hours to sip some of the best local and regional craft beers poured directly from the brewers. Beyond samplings, live music, a souvenir mug and jumbo yard games add to the fun.

All proceeds from ticket and bottle cap drop raffle help support Metro North Rotary's local service projects.

WE ARE ROTARY

Rotary brings together people like you - from all walks of life - who want to use their expertise for good. People whose sense of responsibility inspires them to give back to their communities. At Rotary, we connect for good - and form lifelong friendships in the process.

Together we empower youth, improve health, promote peace and advance our communities in all corners of the globe as well as right here in Eastern Iowa.

MAKE A DIFFERENCE

Belonging to a Rotary club provides members with an opportunity to give back to their communities and to connect with like-minded leaders and friends in the community.

People join Rotary for many reasons, including community involvement, personal development, professional networking and camaraderie. But perhaps the most important benefit is the satisfaction you gain from making a real difference in your community and in the world.
