February:- Peace and conflict resolution

Next meeting: 15 February. Ferry Rd Tavern

A MESSAGE FROM THE PRESIDENT

Thank you to everyone who made the DG's visit such a pleasant evening. I always feel privileged to be in a meeting when our partners join us as they have contributed so much to the achievements our Club has made. It was great to have visitors as well.

DG Jeff has had a tough year so far dealing with all the restrictions around Covid and has a hectic schedule, so it was nice that he managed to see us early in the year. The DG Partner project presented so passionately by Kaileen certainly looks like a project that we would be able to support and she has sent me through the information which I will forward soon.

On the 2nd February our esteemed treasurer turned 80. We wish Merv a Happy Birthday and many more.

Hope you all have airconditioning.

See you on the 15th

Andrew Middleton

Scribes Report for 1. 2. 2022 Rotary

President Andrew, acted as Chairman for the evening and opened inviting us to recite the 4-Way Test and to Toast the Queen and the People of Australia.

Andrew went on to welcome our District Governor, Jeff Egan and Kaileen. Also Kane Chisholm and his partner Elyse and Kristy Bayley, Tony and Sally Pritchett's granddaughter and past Rotarian. He also welcomed all the partners of club members present.

He then read an Invitation from the Rotary Club of Griffith University to a function and fundraiser for their Glycomics Institute Malaria Vaccine project, attached.

We then welcomed DG Jeff to the lectern reminded that his scheduled visit was some months ago delayed by COVID Border closures which have severely affected his schedule with visits usually all done prior to Christmas but for him now extending until April.

He spoke to RI President Shekhar Mehta's Theme "Serve to Change Lives" congratulating Lionel on his 50yrs service to Meals on Wheels and coming up 50 yrs in Southport Rotary. While acknowledging our membership challenges he complemented us on our fellowship and encouraged us to find projects that utilise our skills. We were reminded of the importance of staying in touch with the older and infirm members that are unable to attend meetings as frequently or at all.

In closing he reminded us of the huge resource of information on Rotary's various websites, gave the District Conference at Tenterfield in March a plug and introduce Kaileen to the lectern.

Kaileen introduced us to her project in SolarBuddys and made us aware of Energy Poverty that meant 787 million people are left in the dark when the sun goes down, and for any light rely on the combustion of environmentally damaging products with far reaching consequences to health, education and prosperity. SolarBuddy has a solar panel on one side, LED light on the other and a nickel hydride battery in between, with each light benefitting 5 lives on average for up to 10 years. 125,000 have been distributed and the aim to have 6 million distributed by 2030. The lights are \$32.50, minimum order 25 supplied in a bucket that comes with tap and filter.

President Andrew moved a vote of thanks to Jeff and Kaileen, in appreciation of their inspirational address. Drew a parallel between SolarBuddy and Books in Homes program that we were associated with for a number of years.

Heads and Tails won by Graham C and the raffle by Tony P.

In Closing he thanked DG Jeff and partner Kaileen , Kane, Elyse and Kristy for their attendance and proposed a toast to absent treasurer Merv who will be 80 on Wednesday.

He reminded us of our next Meeting on the 15th February.

Graham C
