“WHY I JOINED ROTARY”

COLIN ROUSSEAU

JOINED ROTARY IN 2015

“I used to think I could change the world by myself and realized I couldn’t - with Rotary I can.”

KATERI CLARK

JOINED ROTARY IN 2014

“Service is joy! I joined Rotary because I believe that if you go out and make good things happen, you can fill people with hope, and you will fill yourself with hope and joy!”

ALAN ACTON

JOINED ROTARY IN 2009

“Rotary is a force for doing good in the world, having a positive impact. The members, by working together, multiply their deeds exponentially to make a huge impact locally and globally. Also, Rotary has a history of helping children in need, and that was very appealing.”

SALLY BURKS

JOINED ROTARY IN 2015

“I joined the Rotary Club of Ottawa to participate in meaningful, successful and rewarding volunteer projects with the added benefit of social interaction with people who share my utopian dream of a better world.”

BEKIR AKÇA

JOINED ROTARY IN 2015

“My first journey in Rotary started with the Rotaract Club of Ottawa in 2012. I joined the Rotary Club of Ottawa on April 13th, 2015. For me, being a Rotarian is: life changing, philanthropic, educational and so much fun while making new global connections and life-long friendships.”

SUSAN HWANG

JOINED ROTARY IN 2015

“Rotary is *‘my home, wherever I go’* because I moved around a lot growing up, but Rotary allowed me to stay a part of the Rotary family wherever I went.”

MARCUS HEWITT

JOINED ROTARY IN 2015

“Rotary invests in youth, and looks to them as the future generation of leaders in our local/global communities. These programs played such a pivotal role in my own personal growth. I find it tremendously gratifying now to be able to give back and create these experiences for the next generation.”
