# FRIENDS OF ROTARY CLUB

## *Harlingen Golf Tournament*

**SEPTEMBER 27, 2025**

**TONY BUTLER GOLF COURSE**

**Format:** The competition is a three-person scramble. On every hole, each member of the team may hit the tee shot. The team selects one of the tee shots from which to play. On the next shot, all players will hit the shot. This procedure is repeated until the ball is holed.

**Selected Shot:** Each team member may place his/her ball within one (1) club length of the selected shot, but no nearer to the hole. If the shot selected is played from a hazard, bunker, primary rough, secondary rough, fairway or fringe of the green the ball must be played within one (1) club length of the shot selected, but no nearer to the hole, and must remain in the hazard, bunker, primary rough, secondary rough, fairway, or fringe of the green.

**Each team must use six drives from each player.**

**On the Putting Green:** When putting, the ball must be placed within one putterhead length from the mark, but no nearer to the hole. Once the ball is holed, no further strokes count.

**Mulligans:** Each TEAM will receive six (6) mulligans. The player must announce their intention to play a mulligan prior to the team going forward to play their next shot. Once a mulligan is played, that becomes the ball in play. If a TEAM plays a provisional ball, the provisional ball may be used as their mulligan. If the provisional ball does not become the ball in play, then the TEAM has not used their mulligan. A TEAM may use one (1) mulligan per person on each of the nine holes.

**A MULLIGAN SHOT MAY NOT BE USED TO WIN A SPECIAL EVENT PRIZE INCLUDING THE HOLE-IN-ONE PRIZE.**

**Scoring:** Scorecards will be exchanged between the threesomes playing together and gross ball (no handicaps) will be recorded. The maximum score will be a bogey.

**Tees:** Men will play from the WHITE TEES and ladies will play from the RED TEES.

**Rules:** Play will be governed by the USGA Rules of Golf

1. The longest drive must be in the fairway.
2. The straightest drive will be measured as closest to the line, not the distance and it must reach the line.
3. Ant hills may be played as ground under repair or as loose impediments.
4. YELLOW LINES define water hazards. RED LINES define Lateral Water Hazards.
5. OUT OF BOUNDS are defined by the inside edge of the white stakes at ground level or white lines marked with "OB".
6. Golfers 70 years and older are eligible to tee off from the Gold Tees.  
\*EXCEPT FOR SPECIALTY HOLES.
