weekend—put this date in
your diary

JUNE IS ROTARY FELLOWSHIPS MONTH

IT IS TIME

Handover is happening.

If you haven't already indicated that you are coming, please let President Dianne know as soon as possible so we can verify numbers with the caterers.

Dianne: email: Dianne.reed@optusnet.com.au or 0438353849

BELMONT CITY COLLEGE MOCK INTERVIEWS

Jo from Belmont City College has asked us if we would be willing to be involved in the Mock Interview programme they run for their students. The date is 17 August—and will be in the morning only.

If you can help please let me know so I can forward your details on to her.

Thank you to Kerry and Jodie for already volunteering for this.

DISTRICT 9423

From July 1, we will be known as Rotary Western Australia.

Our new District Assistant Governor will be Kenn Williams from Applecross

Our cluster of clubs will include:

Applecross, Booragoon, Melville, South Perth-Burswood and Victoria Park.

ROTARY CLUB OF ROYSTON, UK

Our International Toast this morning was to the Rotary Club of Royston. Despite Pete being ill, he made sure we got the information he wanted us to be toasting.

Rotary Club of Royston was chartered in 1962 with Cambridge being their mother club.

Pete was particularly interested in their community services activities:

- ♦ Kids Out—for disadvantaged children
- ♦ Community Breakfast—one a month networking session
- ♦ Swimathon
- ♦ Royston Kite Festival—annual fundraiser
- ♦ Memory Café—for those with memory loss and their carers—a free monthly event

FOLLOW UP FROM OUR INTERNATIONAL TOAST FROM LAST MEETING:

Qualicum Beach Rotary Club loved the idea of our International Toasts; and it turns out that their President, Michele, knows people that our President, Dianne, worked with when she was working in Canada back in 1984! Small world.

We have an open invitation to attend any of their meetings if we are ever in that area.

GUEST SPEAKER: ROB from STARKICK

This morning we gave out Lego Play Tubs to St Paul's Primary School in Mt Lawley and Orange Grove Primary School. Teacher Cheryl and Principal Stephen were delighted to take their Lego back to their respective schools where they are setting up Lego Play Groups.

What a wonderful programme this is. Rob is very passionate about this and the benefits to families and communities when kids of all abilities can get involved in their favourite sport.
