Rotary Informer: Michelle Kendall

Michelle spoke about the Rotary Club of Honolulu which has been around since 1915. They meet regularly at the Royal Hawaiian Hotel and have been instrumental in making a number of changes to Rotary – including a redesign of the ‘wheel’ – back in 1923. They currently have over 200 members and have sponsored some 10 other clubs, including the Esso Club in Russia.

Michelle is hoping to visit the Rotary Club of Honolulu, when the 3 Kendalls’ head there later this year.

BASED ON THE UNTOLD TRUE STORY
MEET THE WOMEN YOU DON'T KNOW, BEHIND THE MISSION YOU DO.

Hidden Figures is the incredible untold story of Katherine Johnson (Taraji P. Henson), Dorothy Vaughn (Octavia Spencer) and Mary Jackson (Janelle Monáe) - brilliant African-American women working at NASA, who served as the brains behind one of the greatest operations in history: The launch of astronaut John Glenn into orbit, a stunning achievement that restored the nation's confidence, turned around the Space Race, and galvanised the world. The visionary trio crossed all gender and race lines to inspire generations to dream big.

GUEST SPEAKER TODAY: - Peter Warren

Topic: Mukti Mission in India

Peter is the current WA and NT Director for the Mukti Mission in India. Founded by Pandita Ramabai in the late 1800's it was created to assist women and girls create lives for themselves that got them out of the poverty cycle.

The statistics about women and girls are somewhat frightening:

- Most of the world's poor are – women and children
- 70% of all the world' poor are – women and children
- One in 5 girls in developing countries don't complete Grade 6
- One third of girls in developing countries marry before they are 18, and one in 9 are married before they are 15.
- Girls living in poor households are almost twice as likely to marry before 18 than girls in higher income families.
- In almost every case child brides are trapped in poverty.
- Women work two-thirds of all the working hours; produce half of the world's food and earn 10% of the world's income.

Pandita wanted something better for women and children so set up Mukti because she believed that women should be given an equal chance to get ahead in life.

Today they provide facilities and resources so that women who need it can be **rescued** from poverty or oppression. They can engage in the many and varied educational activities to **restore** their self worth; and then are supported to be **released** back into their local community where they are self-sufficient and can live confident and independent lives.

If interested in helping with this work, please contact Peter.
