### Rotary's special months

## March is . . . Water and Sanitation Month

One of The Rotary Foundation's Areas of Focus, it provides us with the opportunity to find out about a number of different projects that are currently happening around the world to provide clean water to people who need it; and discover more about the many sanitation projects that are also under way globally.

**2017 – AGFR – here in Perth**

**April 2 - 7**

Our next big event is the Australian Fellowship of Golfing Rotarians

Our aim is to raise sufficient funds to send an Interplast team overseas. Their cost: \$45,000.

So far our efforts have raised \$40,500 – just a few more dollars to go.

**Tuesday night is Make Up Night** – our morning meeting will be cancelled and we are all encouraged to bring our partners along to this event at night. There will be about 80+ players there for us to chat to.

It will be at the WA Golf Club, 60 Hayes Avenue, Yokine. Cost is \$55.00 per head. Be there by 6.30 for 7.00 pm start.

**Thank you to all the members who have volunteered to support the event during the week.**

## EVENT PLANNING FOR THE NEW YEAR:

Put these dates in your calendar and get involved in our Rotary programs.

### March 31 – April 2

District Conference – Fremantle. Come along and hear some great speakers, including Matthew Pavlich. Be inspired. Be active. Be social. Be provoked. Be anything, but come and join in with other Rotarians from our district.

### April 2- 7<sup>th</sup> – AGFR

Make sure you check with the organising committee to find out how you can help out during this week of activities.

Tuesday 4<sup>th</sup> April is a “Make Up Dinner” at WA Golf Club – 6.30 pm for 7 pm start – make sure you put that date in your diaries. Cost is \$55 per head.

Please pay funds directly into Golf Account: **RC Ascot Golf: BSB: 036078 Account number: 668267**

This will be held at Hugh’s work place commencing at 6.00 pm. Join in and be part of the planning for this year’s Bricktober event.

### April 24 – Board Meeting

## 7 May – Grants Seminar

If we want to continue to access RI Grants to use on our projects we need to send a representative (or more) to this event. Hugh has the details, but as he is presenting he is not counted as our person. Who is willing to keep President Mike company on the day?

### Mystery Event – May

We are looking for ideas on how to celebrate the 100<sup>th</sup> anniversary of The Rotary Foundation. If you have any ideas – pass them on to Peter.

### Handover – July 2

At Mt Lawley Golf Club for a Brunch meeting. Cost will be \$35 per head – more details to come

**GUEST SPEAKER: Amelie Ho**  
**Topic:** National Youth Science Forum

Amelie and several other West Australian students converged on the Australian National University to be among 196 young people who were involved in the National Youth Science Forum held in Canberra in January.

Her overall impression of the two week event was that it was a million times crazier than she'd imagined and even more amazing than she'd thought it was going to be. Amelie said that the energy and passion showed by those involved was very hard to explain. She became a member of the "Carson" group who were interested in investigating the earth and environment as their focus for the time they were there.

Their days were usually broken into three segments: the morning session when they went out on excursions; the afternoon sessions were usually in the labs investigating concepts and unearthing new thinking; and the evening events such as dinners and dress up affairs were also highlights.

On the days that Amelie and her colleagues were out digging for fossils she managed to salvage a few because she said that her suitcase of the way back home was full of fossils that she'd collected. Some of the places she went to included the Tree Arboretum in Canberra, and a fish fossils site outside of Canberra.

During the 2 weeks they had an opportunity to be hosted by a Rotary family for a Sunday which was a welcome respite from the busy schedules they all had.

Amelie also mentioned a number of guest speakers who were very inspiring and spoke about their challenges and life experiences.

Amelie really enjoyed her time and thanked the club for nominating her.

Amelie enjoyed it so much she's going back as a leader next year.

## POWERBALL

Congratulations to all our winners.  
A new one will be starting soon.  
Maybe it will be your turn this time
