Rotary's special months

April is . . . Maternal and Child Health Month

Every day mothers risk their lives giving birth and millions of children die each year from treatable, preventable causes. At least 7 million children under the age of five, die each year due to malnutrition, poor health care and/or inadequate sanitation. This is not good enough and Rotary is doing something about it. We can all do our bit to help

A big thank you to all members for making this one of the best ever.

Thank you too to the Committee for making sure that all the organising was done well before the event started. You did an amazing job. Well done.

April 24 – Board Meeting – this meeting will be held at Mike and Ann Bermann's place.

This will be held at Hugh's work place commencing at 6.00 pm. Join in and be part of the planning for this year's Bricktober event.

Mystery Event – May

We are looking for ideas on how to celebrate the 100th anniversary of The Rotary Foundation. If you have any ideas – pass them on to Peter.

GUEST SPEAKER: Maya Cherian

Topic: Entertainment Publications of Australia

As an ex Heart Foundation staff Member, Maya certainly knows something about how Rotary works and provides support to many community projects. Today she was providing us with some information about the Entertainment Book that comes out annually in May, runs for 13 months and provides opportunities to obtain discounts on all sorts of things.

There is the print version of the book, along with a digital version and costs \$70 with \$14 from each book going back to the Charity Group that is selling the books. If we are interested in using this as an opportunity to raise some additional funds, Maya is willing to help us get it all set up.

The kit comes with posters, flyers, and sample posts and emails that can be used to advertise the value of the book.

It also has an App which has a 'near me' button to let you know what is available near where you are. It can also keep a tally of your savings – so you will know when you have saved the price of the book.

I'm sure we will be in touch Maya to get something set up so we can benefit from the proceeds from the sale of these great books. Thanks for coming and providing us with this opportunity.

POWERBALL

Powerball is starting again. Get in early to get your "own special number/s". Once the sheet is completed the competition begins.

Got to be in it to win it.
Don't delay – see Peter Richardson
