BULLETIN 2019 - 20

Volume 51-12 November 26th, 2019

Meeting Notes taken by Dianne Reed in Ron's unavoidable absence. Thank you, Dianne.

Reminders

Tuesday 10th December - Annual General Meeting
Please make every effort to attend to ensure there will be a quorum. Please read documentation previously been sent out.

Bricktober Roundup will occur here too.

Welcoming, Mike Metcalf and Host Chair, Hugh Langridge.

Tuesday 17th December - Christmas Meeting
Please let Ros know if you are bringing guests and if you are bringing a child.
Please ensure there is a present for the children coming.
Welcoming, Peter Richardson with Host Chair, Hugh Langridge.

Swap Meet at Victoria Park

This Sunday, 1st December, the last market day for 2019.

Recommencing Sunday 5th January 2020

Peter Richardson has provided a flyer for the 2020 Sunday Swap Market Days.

Please identify the days that best suit you to attend, alternatively text Peter.

International Report

Mike Bermann: Timor Leste Water Project

Funds have now been sent to Timor Leste for the latest identified water project. Eddie's team is aiming to complete this project before Christmas prior to the wet season and its torrential rains setting in.

An additional 4.5 kms of piping will provide water supplies to a further 2,500 people.

The total of funds now contributed is \$280,000. What an amazing feat!

Community Report

Michelle Kendall: Hampers for the Christmas meeting

If you haven't already contributed to the Christmas hampers, please bring non-perishables (as per the flyer sent out) to next meeting or deliver to Joanna's office by December 13.

Cash donations welcome to help purchase other items required.

Recipient of the hampers this year will be the Jacaranda Centre. The Inner Wheel group has previously supported them.

Youth/Vocational Stuart Rutter:

The ConocoPhillips Science Experience

A student Aneisha, from Willetton SHS is being sponsored by us to attend The ConocoPhillips Science Experience, a fun 3 or 4 days of science activities for Year 9 and 10 students. Each program is designed to provide students who have an interest in science with an opportunity to engage in a wide range of fascinating science activities under the guidance of scientists who love their work.

Handicamp

If you know someone who is eligible to attend Handicamp as a buddy or camper, please let Stuart know.

Don't forget Handicamp Dinner 21st January

RYPEN STUDENTS SPOKE OF THEIR EXPERIENCES AT CAMP

(Another student who attended camp, unfortunately was not present today)

Caleb: learned lots about leadership. Sometimes hard to take a step back to allow others to take on leadership roles – learned that this was important

Varni (female) – some activities were difficult, but learned a lot

Sam – lots of fun, made new friends, learned some valuable life lessons. Will help him be a better captain of his football team. Met people from many different schools and experiences which was good.

Ethan: very enjoyable; made heaps of new friends; planning a catch up with them already; feel he has changed as a leader and as a person. Will help him as captain of his basketball team. His favourite activity while there, was Zombie Apocalypse.

NYSF:

Tyanda Orlando, accompanied by her mother Cherie Orlando, thanked the club for sponsoring her to attend The National Youth Science Forum in Brisbane in January 8th – 18th.

She said that she was passionate about maths and chemistry and is looking forward to being with like-minded people for a time. Tyana is not sure what she wants to continue studying yet, the Forum will be very helpful. She has already attended an Orientation session and met a few people who will be attending. Tyana would love to return following her trip to share what she has learned. She is more interested in the research side of medicine rather than the practise. She thanked the club for sponsoring her.

STEP (Short Term Exchange Program)

Stuart and Mike Bermann attended an orientation session and met with 5 students who are going from here to various places around the world. Our Exchangee, Joseph, is heading to Japan on 8th December and will be hosting a return visit from his host in March. Joseph's mum is joining him at the airport in Tokyo as they will be going on to Germany to visit her family there.

Presentation of Lego Tubs

Lisa Manifold from Good Shepherd Primary School received 2 tubs of Lego to be used with her students who have disabilities. The school has a Lego Club which has been running for about 18 months, but with minimal pieces of Lego so the children will be very excited about the extra that our club has provided. They will also be able to increase the number of students who can access the club, for which Lisa was very grateful.

Stephen Kendall reminded us that we have supported 25 school and community groups with Lego tubs by now; with a value of over \$60,000.

Trial of new order of meeting

We will be trialling the following timeline for our meetings into the future:

7.00 – 7.20 – social/networking in our nominated room

7.20 – pay Gren for breakfast dues

7.20 – once paid, head to restaurant to eat there

7.40 – meeting starts in the meeting room.

Logistics will be monitored by the Sarg – so make sure he doesn't end up with money in the coffers!!

SWEEP RESULTS:

Sweep 1	First:	M Evans	Second:	M Kendall	Third:	Roma G
Sweep 2		Roma		Jill Courtland		Art Reed
Sweep 3		Jill C		Gerry Mc L		Fiona B
