## BULLETIN 2019 - 20

**Volume 51-9    October 22<sup>nd</sup>, 2019**

### Club Meeting 22nd October

Unfortunately, Ashley, our guest speaker was not available to provide insight into the operation of our IT system at Ingot.

Fran Carrero Banos has offered to help show us how the IT system works at our next meeting.

As well, Fran is also investigating the possibility of a visit to Ngala on the 19th November. This visit will enable members to see how the upgraded Ngala playground supported by our Club financially, has progressed.

### Bricktober 2019

Thanks to all Ascot Rotarians for the great support of our Bricktober weekend.

7,500 patrons attended over the weekend; that is 1,000 more than last year.

Our Lego executive visitor from Singapore, Kevin Ahn, described it as the biggest and best Lego show he had been to and was most impressed with the Interactive Zones.

**Bricktober 2019 cont.**

As a family event, Bricktober has an appeal to all ages. Stephen had feedback from grandparents who enjoyed the show as much as the grandchildren in their care.

**Starick Fundraiser Event**

On Thursday 5th December Starick will be holding their Awards night, and Ascot Rotary have a table of ten places offered. The cost per ticket is \$108; there are four remaining tickets for this super fundraising event for Starick.

**Four Way Test speech**

The District Final (9465) Rotary Four Way Test Speech Contest will be held on Tuesday 29th October at the Lakes Theatre Mandurah Baptist College. Tickets are available through Try  
Booking: <https://www.trybooking.com/557341> Tickets are \$30 adults and \$25 students.

**Rotary District Conference 2020**

A reminder that the 2020 District Conference to be held in Rockingham next year is the weekend of March 20th -22nd

**Michael Metcalf Home from Caravanning with a Story to Tell!**

The Club welcomed Michael Metcalf home from his caravan travels. Unfortunately, a walk around the river with his dog resulted in a terrible fall. The dog was unhurt but slightly bemused to see his master flat on his face! Michael sustained a very nasty "f. f. f" injury (face-first -fall) That was Sue's definition on relating Mike's misfortune with her. She saw many of these at her old workplace with six GPs. Michael's usual, somewhat, rugged, handsome face was smashed mercilessly; requiring much cleaning, sutures, tape and hospital care to the many cuts and bruises, to be followed up with an MRI of his head, so severe did his injuries appear.

**Victoria Park Swap Meet.**

The Swap Meet Roster will be included in the Bulletin or attached to the Bulletin.

At present we have Joanna Kendall attending on the 27th October, Dianne Reed on the 3rd November and Mike Bermann on the 10th November.

Please contact Peter Richardson if you can help on the 17th November or the 27th November.

The money raised from the Swap Meet will go towards our Club account. At present, the Money-Spinner is our primary source of funds. As the Swap Meet grows, we hope to raise further funds.

The money Spinner and Donation boxes at Bricktober raised \$244.

**Final Swap Meet for 2019 is December 1<sup>st</sup>.**

**Lego Play Kits**

The Good Shepherd School at Lockridge has expressed an interest in obtaining Lego Play Kits; this will be for discussion at the next Bricktober Committee meeting.

**Timor Leste Water Projects**

Mike and Ann Bermann are presently in Timor Leste meeting with Eddy De Pina in the Ermera district, high in the mountainous region. They have been looking at the Club's Water Project which still requires \$30,000 and are investigating further requests.

**Arthur Bray Charitable Trust**

We are putting interest earned from the trust to great use supporting local youth in a range of projects. It should be noted, however, that we need to utilise some of the capital from the trust and we may need to look at ways to top up the trust fund.
