ASCOT ROTARY: [Home of Bricktober](#)

FOCUS FOR THE MONTH OF DECEMBER:

DISEASE PREVENTION AND TREATMENT

A family and community can be seriously impaired by what in many cases is a preventable disease. Disease prevention is really a keystone to progress in other focus areas.

We want to recognise what Rotarians are doing to combat diseases through effective treatment and prevention. It was certainly no small task that Rotary International took on in 1985 when we pledged to eradicate polio.

Remarkable progress has been made, but we are not finished yet, and we will not rest until the job is finished.

Well done Rotarians for your continued efforts in the area.

INTERNATIONAL TOAST

Narrogin Rotary Club

Our International Toast today was the Letter N and President Jodie nominated Narrogin Rotary Club. They meet every second Monday evening at the Duke of York Hotel. They have been working in their district for over 75 years. Recently they, along with 3 other clubs, partnered to provide free accommodation for people undergoing cancer treatment in Perth. They love doing sausage sizzles to raise funds for Rotary Youth Exchange, Rotary Leadership programmes, local community initiatives, and a new project providing a life-saving first aid kit for every young driver who passes their driving test locally. Ascot Rotary Club salutes the work you do.

HAPPY BIRTHDAY PRESIDENT JODIE

We hope you have a wonderful day.

Enjoy
