## **GUEST SPEAKER**

Our Guest speaker was our host Genna Hand, who gave those present a full rundown of the workings of Headspace, with a very interesting PowerPoint presentation, which is attached to this Bulletin.

The Cannington office has a Core staff of 10, with several specialised people working with clients from there.

75% of their clients are 25 years or younger, the broad age group being from 12 – 25. Headspace is connected to National Youth Mental Health, is Federally funded & is a free service.

Headspace will go to Parents Nights at Schools, attempt early intervention at High Schools, & work with other groups such as Lifeline, Centre Care & Helping Minds to provide the most comprehensive help & achieve outcomes.

The Mural at the entrance was created in house.

Genna was very passionate about her presentation and was a delight to interact with,
