Australian Rotary Health is "Lifting the Lid on Mental Health" and is asking clubs to organize walking events—watch this space for opportunities to get involved.

**UPDATE FROM TIMOR:**

They are asking if we can continue to support them. Currently asking for \$1500 for a new water pump. Those at the meeting agreed we could go ahead as we have available funds.

Another project to install a 200,000 L water tank is being budgeted and we have been asked if we can contribute some funds towards its purchase and installation. Likely overall cost is about \$US2-3 million.

**BRICKTOBER UPDATE:**

Currently we have about 62 exhibitors, showing their efforts in one of two categories—individual or group build.

Several Lego Masters people will be in attendance over the weekend.

Containers for Change will have a bin there and the funds from any containers deposited will go to our Club account.

Some new and different activities are being included for the first time this year.

A photography competition will run prior to the event—head to Bricktober's Facebook page for details.

When ticket sales open people will be able to select to purchase their Awesome Trail Passport to be filled during the weekend.

**VOLUNTEERS ARE STILL NEEDED:**

We need everyone's support. So if you haven't filled in your volunteer paperwork yet, please do so as soon as possible.

It looks like we need about 80 volunteers for each session—so if you know others who might be interested in helping—ask them and let Ann Bermann know so she can follow up with the paperwork.

Watch this space for a venue change next month.
